Sexual Pleasures What Women Really Want What Women Really Need:

Sexual Pleasures Susan Crain Bakos, 1992 Based on case studies and interviews with more than eight hundred seventy women this study explores a wide variety of questions that women have on their minds regarding sexuality *Sex, Morality, and the Law* Lori Gruen, George E. Panichas, 1997 First Published in 1997 Routledge is an imprint of Taylor Francis an informa company *The Pleasure Gap* Katherine Rowland, 2020-02-04 American culture is more sexually liberal than ever But compared to men women's sexual pleasure has not grown Up to 40 percent of American women experience the sexual malaise clinically known as low sexual desire Between this low desire muted pleasure and experiencing sex in terms of labor rather than of lust women by the millions are dissatisfied with their erotic lives For too long this deficit has been explained in terms of women's biology stress and age In *The Pleasure Gap* Katherine Rowland rejects the idea that women should settle for diminished pleasure instead she argues women should take inequality in the bedroom as seriously as we take it in the workplace and understand its causes and effects Drawing on extensive research and interviews with more than one hundred women and dozens of sexual health professionals Rowland shows that the pleasure gap is neither medical malady nor psychological condition but rather a result of our culture's troubled relationship with women's sexual expression This provocative exploration of modern sexuality makes a case for closing the gap for good *Male and Female Made in God's Image* Frances O'Dair, 2019-04-04 In this era of distorted ideas about our inherent roles identities and purposes as men and women it has never been as important that we seek reconciliation in marriage and families so there can be a more rational approach to the real problems the whole world suffers We must disseminate God's truth and extinguish the lies and myths that Satan has embedded into the hearts and minds of many people Building on these ideas in *Male and Female Made in God's Image* author Frances O Dair offers her perspective on dating marriage and family which she believes reflects the experiences of most married couples before the sexual revolution of the 1960s She encourages men and women to reflect on the wise or self serving natures of their past dating and mating choices If we can stop the reckless self gratifying use of human sexuality with our children our loving direction and understanding of God's truth can set them free from the temptations that have been passed down to recent generations We must be ready to admit that sexual freedom is a myth and isn't intended for the well being of men women children and the unborn This faith inspired treatise explores the true source of happiness meaning and fulfilment that God has planned for everyone within the sacrament of marriage and the family circle *'Rough Sex' and the Criminal Law* Hannah Bows, Jonathan Herring, 2022-11-07 Bows and Herring expertly collate an extensive mix of perspectives on the topic of rough sex to contribute to a powerful feminist investigation of this critical and timely debate *Black Women's Bodily Autonomy, Sexual Freedom, and Pleasure* Clarissa E. The Etherized Wife Leslie Margolin, 2021 The Etherized Wife provides a comprehensive examination of the evolution of sex therapy through the prism of gender The book makes the argument that in sex therapy like other domains of life in which men set the standard of normality women have been judged normal to the degree they match men's expectations What is particularly striking about this bias is that it contradicts therapists' overt identification with feminism and the battle against women's inequality To support these claims Leslie Margolin maps a series of case studies drawn from the discipline's own literature the articles and books that have been and continue to be treated as exemplars of the discipline's collective consciousness Through examination of case studies which focus on discrepancies in sexual desire where the man wants more sex and the woman less the book shows how therapists have favoured the man's side The Etherized Wife shows how the sex therapy discipline has unintentionally enshrined male sexuality as the model of normal natural healthy sexuality
