The Sexuality Papers Lal Coveney, Margaret Jackson, Sheila Jeffreys, Leslie Kay, Pat Mahony, 2019-01-17 Originally published in 1984 The history of sex in the last 100 years has usually been written as a story of progress from repression to sexual liberation This book argues that the reverse is true demonstrating that the sexual revolution came as a backlash to a women s movement which challenged men s sexual abuse and tried to reconstruct male sexuality in women s interest At first it looks at those groups at the turn of the twentieth century who campaigned to challenge prevailing ideas about sexual behaviour It moves on to review the work of the most influential sexologists Ellis Kinsey Masters and Johnson and then presents a critical analysis of the sex magazine Forum

Assessment and Intervention with Mothers and Partners Following Child Sexual Abuse Jenny Still, 2016-03-21

Assessment and Intervention with Mothers and Partners Following Child Sexual Abuse provides child protection professionals with the guidance they need to make the right decisions in cases of suspected or proven sexual abuse and ensure the best outcome for the child Assessments and interventions used for other forms of abuse such as physical abuse or neglect elicit a great deal of information but do not fully address the issues and needs in relation to child sexual abuse This book lays out a new model for understanding assessing and working with mothers of sexually abused children or partners of known or suspected sexual offenders a model which combines offender knowledge with understanding of mothers and partners It is structured around the following central critical questions Did she know it was happening Is she able to protect the child What do I need to do to ensure that the child is safe Combining research and empirical evidence with case studies exercises and practical guidance this book is essential reading for child protection professionals working with children and families *The Sex Talk You Never Got* Sam Jolman, 2024-06-11 Men today are starved for sexual formation They've been failed by parents churches and culture alike leading to widespread shame confusion and brokenness in the area of sexuality In *The Sex Talk You Never Got* therapist Sam Jolman helps men reconnect their God-given sexuality with innocence awe and joy and shows readers how to celebrate instead of struggle against the gift of sexual desire In our sex-saturated world it might seem surprising that men need more talk about sex But the reality is that sexuality is one of the most neglected aspects of men's lives From the woefully inadequate sex talks many young men receive from parents little more than an anatomy lesson or a purity lecture if anything at all to cultural messages that unhelpfully weave both shame and permissiveness into men's understanding of their own sexuality and masculinity too many boys and men experience sexual desire as an area of struggle confusion and brokenness But it doesn't need to be this way God made men to be moved to live with wonder and awe and sexual desire must be formed within the context of that design Sam Jolman a professional therapist who specializes in men's issues and sexual trauma recovery shows men the way out of the wilds of sexual struggle This timely and incisive book will help readers learn about the vital link between sexual desire and their identity as worshipers regain a wild and vigorous sexuality within the context of God's design understand how purity culture has needlessly put men in a conflict-ridden relationship with their sexuality see sexual purity not as the goal but as the preparation for becoming fully alive to beauty awe and worship and discover how to trade shame and confusion for a sexuality that's filled with innocence and wonder In the Bible Jesus' greatest kindness was often offered to those suffering sexual harm and brokenness He offers

this same kindness today He does not want men to repent of their sexual desire Rather through reconnecting sexuality with innocence and awe God opens the door for men to experience the wild joy of desire rightly ordered toward worship and God's good purposes for their life
