Hollinger, 2009-06-01 Our culture is not only sex crazed but also deeply confused about sex and sexual ethics Unfortunately Christians seem equally confused and the church has tended to respond with simplistic answers The reason for this confusion is that the meaning of sex has been largely lost Dennis Hollinger argues that there is indeed a God given meaning to sex This meaning found in the Christian worldview provides a framework for a biblical sexual ethic that adequately addresses the many contemporary moral issues The Meaning of Sex provides a good balance between accessible theology and engaging discussion of the practical issues Christians are facing including premarital sex sex within marriage homosexuality reproductive technologies and faithful living in a sex obsessed world

Beyond the Bedroom Douglas Weiss, 2005-07 Did

one or both of your parents Become emotionally distant and unloving to their spouse Talk about sex or sexuality in an inappropriate way Spend a lot of time away from home or form unusually close platonic relationships Continue their destructive behavior even when confronted by the damage it was causing If so you are an adult child of a sex addict Sex addiction is not about parents who cheat on each other or have multiple partners although it does manifest itself that way It is about any sexual dysfunction between people in a long term relationship sexual withholding emotional detachment bullying or demeaning behavior etc These relationship problems form subconscious impressions on children and lead to unfulfilling relationships in later life This book for the first time identifies sexual addiction as a root cause of many of the dysfunctions in relationships It helps readers analyze their parents relationships It then shows them the possible dysfunctions these problems caused in their own relationships giving both general guidance and personal anecdotes from a select group of children of sex addicts Finally it gives readers several specific exercises to help free them from their past heal their relationship with your parents especially the victim partner often the wife who is subconsciously blamed for not stopping the spouse s disruptive behavior and repair any damage in their current relationships This book is not just about cheating or abuse It is about finding the way back to the loving relationships you want and that those around you deserve *Her Freedom Journey* Juli Slattery, Joy Skarka, 2024-07-02 Women struggle too We are all sexually broken And we are all invited to participate in the love forgiveness and healing of Jesus Have you ever experienced the fear and shame that follows the vortex of graphic movies erotica promiscuity or porn sites You may think you re alone and feel like hiding But you re not alone and there is hope and healing The great joy and passion of Dr Juli Slattery and Dr Joy Skarka is calling women to God s gracious power of redemption A beautiful blend of research biblical truth and personal stories *Her Freedom Journey* invites us to go deeper with the Lord Juli and Joy believing that sexual freedom begins with discipleship lead you through teaching that is coupled with personal reflection In this 8 week combination book and workbook women will discover freedom from pornography by experiencing the love of God as they address underlying wounds and connect through authentic community Our prayer is that through this book you would better understand God s love and through that love you will begin your journey of healing and freedom *The Bite, the Breast and the Blood* Amy Williams Wilson, 2018-09-18 Central to every vampire story is the undead s need for human blood but equally compelling is the human ingestion of vampire blood which often creates a bond This blood connection suggests two primal natural desires breastfeeding and communion with God through a blood covenant This analysis of vampire stories explores the benefits of the bonding experiences of breastfeeding and Christian and vampire narratives arguing that modern readers and viewers are drawn to this genre because of our innate fascination with the relationship between human and maker *Homosexuality, Science, and the "Plain Sense" of Scripture* David L. Balch, 2007-07-01 Elucidates the pros and cons of current Christian discussion on the question of homosexuality Challenges partisan views and provides a balanced discussion **Following Wisdom, Leading Wisely** Jeff

Roper,2024-02-21 If it is true that everything rises and falls on leadership we have a problem A recent international survey revealed that 86 percent of respondents believe we are facing a global leadership crisis The study encompassed leadership in business government the non profit sector and religion Non profit and business leaders ranked highest in terms of public confidence Government leaders ranked very low The only leaders to rank lower than government leaders were religious leaders This leadership crisis is not driven by an absence of leaders Leaders are everywhere yet we still have a leadership crisis Nor is this crisis caused by a lack of leadership training Who can keep up with the books seminars and training programs offering the latest trends and best thinking on leadership And yet we still have a leadership crisis While the world is looking for better leadership methods God is looking for better leaders leaders shaped by wisdom What use after all is getting things done or even servant leadership without wisdom In Proverbs we discover an ancient training regimen for leaders guiding them in the cultivation of virtuous character Following Wisdom Leading Wisely is an invitation to rediscover this ancient wisdom for today s leaders
