Weeks, Katherine M. Hertlein, 2020-12-21 This new edition of *A Clinician's Guide to Systemic Sex Therapy* integrates the latest empirical research from the field of sex therapy and demonstrates how clinicians can optimize their treatment for a wide range of clients Grounded in the Intersystem Approach the book incorporates the multifaceted perspectives of the individual client couple or family It considers every domain of assessment and treatment biology psychology the intimate relationship family of origin and larger contextual factors contributing to any sexual relational issue This revised edition contains 13 chapters consistent with the DSM 5 definitions of sexual disorders and features new content on areas including LGBTQ issues non monogamous relationships intersex clients and an increased focus on issues surrounding sexual diversity The authors of this award winning text have set out a cutting edge framework for clinicians looking to develop a comprehensive understanding of sexual issues which will be an essential reference point for beginning and seasoned therapists alike The 2nd edition of *A Clinician's Guide to Systemic Sex Therapy* won the AASECT Book Award and Best Integrative Approach to Sex Therapy Award 2017 **Handbook for Human Sexuality Counseling** Angela M. Schubert, Mark Pope, 2022-09-20 Sexuality is a significant part of the human experience yet it is often a neglected topic in both counselor training and the counseling process In this preeminent guide expert clinicians with a variety of mental health and medical backgrounds write on diverse issues related to sexuality through a radical acceptance lens Each chapter illustrates an affirmative and expansive approach to sexuality that considers clients sexual and cultural identities and emphasizes sexual wellness Students and professionals alike will learn how to respectfully and ethically approach sexuality considerations not commonly mentioned in the professional literature such as sexuality and disability healing after sexual violence older adult sexuality the impact of chronic illness on sexual expression and paraphilias The text is organized around eight comprehensive parts Foundations Physiological and Psychological Attraction Orientation and Gender Sexual Wellness Sexual Agency Approaches to Sexual Divergence Relationships and Education with case examples Questions You Always Wanted to Ask and additional resources interwoven throughout Mental Health Treatment: New Approaches William Ragan, 2016-07-17 A text based on practical aspects of mental health treatment with a careful analysis of clinical and career counseling strategies aimed at helping to inspire new and established practitioners with care planning service delivery and regulatory compliance Sex Therapy with Erotically Marginalized Clients Damon Constantinides, Shannon Sennott, Davis Chandler, 2019-03-28 *Sex Therapy with Erotically Marginalized Clients* Nine Principles of Clinical Support provides a clinical guide to relational sex therapy with individuals partnerships polyships and alternative family structures where one or more of the clients are erotically marginalized This term refers to people who are at risk of being pathologized and oppressed both outside and inside the clinical setting due to their gender identities sexual orientations or sexual practices The book outlines

nine principles for therapeutic practice which meet the needs of erotically marginalized clients whose forms of sexuality and desire are rarely spoken about and for whom there is a dearth of language in therapeutic contexts Each principle concludes with a series of key points and then followed by illustrative clinical case studies contributed by sex therapists and clinicians who self identify as erotically marginalized and who also work with erotically marginalized clients The book also provides a full glossary

Defining Erotically Marginalized Identities The authors and case contributors use a radical and affirming lens to examine erotically marginalized identities that are often neglected The book bridges gaps between the past present and future in the field of sex therapy and greatly expands the diversity of experiences and identities within the field particularly the experience of multiple oppressions The book marks a valuable contribution not only to sex therapists but to the wider clinical and therapeutic community

Counseling LGBTI Clients Kevin Alderson, 2012-04-13 This guide for emerging and current practitioners as well as LGBTI individuals combines theory research and practice to help readers become effective counselors Students and clinicians will gain relevant and up to date knowledge about LGBTI clients and prepare them for practice in an increasingly global landscape the author explores cultural differences around the world and discusses how LGBTI identifies change from region to region Counseling LGBTI Clients challenges and changes beliefs about and attitudes toward each LGBTI subgroup while preparing practitioners to provide sensitive informed and effective affirmative counseling to this largely misunderstood population
