**Christianity** Robert E. Shore-Goss,Thomas Bohache,Patrick S. Cheng,Mona West,2013-06-25 A fascinating read for anyone seeking to understand the conflict between Christianity and LGBTQI individuals this book is as its editors proclaim a fearlessly wide vision of queer Christians finding a place within Christianity and claiming their authentic experience and voice Through essays by noted lesbian gay bisexual transgender queer or questioning and intersex LGBTQI religion scholars this important compilation summarizes the history and current status of LGBTQI theology exploring its relationship to the policies practices and theology of traditional Christianity Contributors contrast the radically inclusive thinking of LGBTQI theology with the exclusivity practiced by many Christian churches explaining the reasoning of each and clarifying contentious issues At the same time the book highlights ways in which queer theology and practice benefit Christian congregations Writing from the perspective of grassroots Christian LGBTQI movements many of the contributors draw upon

their own experiences They provide graphic examples of the effects exclusion has on individuals congregations and denominations and also share examples of inclusion and its effects Equally important the work creates the basis for dialogue between traditional churches and followers of LGBTQI theology offering practical suggestions for Christian congregations that wish to put aside exclusionary policies and practices      Queering Christ Robert E. Goss,2007-01-01 In Queering Christ Robert E Goss summarizes a decade of his thinking as a queer Christian theologian sharing his queering of four critical areas sexuality Christ the Bible and theology These areas form the quadrants of his own spirituality that aims at the queer reconstruction of Christianity and reflects a life that strives to integrate the depths of spirituality and sexuality with a practice of justice Many aspects of the work are guaranteed to be highly controversial within and outside of the LGBT community      Giving a Voice to the Voiceless Christopher Yuan,2016-04-11 The problem this project addresses is the sense of marginalization experienced by lesbian gay bisexual LGB and same sex attracted SSA Christian college and university students Data was collected via an online questionnaire and the study design mixed methods with an emphasis on the qualitative data The study sample included eighty students alumni from thirty two Christian colleges universities Generally respondents felt lonely hid their sexuality and reported a negative campus climate Recommendations from respondents include institutional policies must be clearer and applied consistently improve campus climate and form support groups for LGB and SSA students      **Sex on Earth as It Is in Heaven** Patricia Beattie Jung,2016-12-28 Offers a new theology of desire and delight based on the Christian hope for bodily resurrection This work is part of a growing chorus of theological voices raised in support of erotic desire Although most theologians have concluded that there will be no experience of sexual desire and delight in the world to come Patricia Beattie Jung critically examines the historical traditions and biblical rationales for this teaching She defends an alternative claim that there will be a healed and glorified experience of sex in heaven based on a compelling account of the Christian hope for bodily resurrection The first half of the work focuses on Christian foundations for the notion of sex in heaven while the second goes on to discuss some of the implications of those convictions for sex on earth Jung concludes with discussions of how best to nurture sexual delight on earth and how and why internet pornography fails in that regard The book provides a valuable alternative reading of Christian eschatological thinking about resurrected bodies and a sensitive refreshing and candid discussion about sexual delight Adrian Thatcher author of *God Sex and Gender An Introduction*      **A Blackqueer Sexual Ethics** Elyse Ambrose,2024-05-30 In *A Blackqueer Sexual Ethics Embodiment Possibility and Living Archive* Elyse Ambrose looks to an archive of Blackqueerness as an authoritative source for religious ethical reflection This approach counters the disintegrative norms of anti Black and anti body traditionalism in Christian sexual ethics even those that strive to be liberative It builds upon a tradition of Black queer and LGBTQ centered critique at the intersections of race sexuality gender and religion through exploring the moral imagination of sexual and gender non conformist communities in 1920 s Harlem their rent parties blues environments and
