Beer,2024-10-07 Why don t pastors ever talk about the degrading treatment of women in Scripture Why would God have a different definition of adultery for a man than a woman in the Old Testament Since the virgin birth is a core tenet of the Christian faith why do the Gospels trace Christ s ancestry through Joseph rather than Mary These and other questions are posed by Pauline Beer as she traces her journey to

find dignity in light of God's apparent tolerance for female degradation. After years of questioning divine justice and searching for answers, she presents a comprehensive look at a male-centered social system that has shaped history, Bible translations, and Christian theology. As she explores the sexual and religious dynamics of patriarchy, Beer reveals how gender imbalance has skewed our moral compass, restrained the free-flowing power of the Holy Spirit, and impeded our understanding of the gospel. Her journey ultimately leads to a vision of hope for a reformation that will equip the church to address people's deepest needs and reveal the gospel in a glorious new light. Thoroughly relatable and biblically insightful, *The Ultimate Reformation* unmasks the manifold ways Scripture and human flourishing are undermined by male authority portrayed as God's ideal. Author Pauline Beer leaves no stone unturned in exposing Christian patriarchy as the ultimate heresy.

Mimi Haddad, PhD, President of CBE International: *The Ultimate Reformation* by Pauline R. Beer is a powerful eye-opening read that dives deep into the traditional patriarchal attitudes in Christianity and how they shape our views on gender. Beer doesn't hold back; she's calling out the need for a major overhaul in how we interpret the Bible, pushing for a perspective that respects and values everyone regardless of gender. This book challenged me and the personal biases I have brought into interpreting Scripture. It's not just a critique; it's a call to action for anyone who believes it's time for a change.

Christian Marriage David Thomas, 2015-10-14, 2008 Catholic Press Association Award Winner. Couples who marry today enter into a relationship that is in many ways more challenging than it was a generation or two ago. The social institution of marriage has experienced almost cataclysmic change. The very foundations of marriage are often questioned. Yet Christian marriage, David Thomas insists, retains a power to transform and sanctify lives. Thomas presents in this second edition of *Christian Marriage* the same view as he did in his first book: a positive view of Christian marriage grounded in sacramental living. Yet this edition is entirely new as Thomas reflects on how current theological, cultural and economic perspectives influence and inform Christian marriage. Thus *A Journey Together*, the subtitle of the earlier edition, becomes *The New Challenge*. And readers enter with Thomas into a discussion of contemporary concerns such as intimacy and sexuality, gender equality and relational spirituality and parenting with hope in a world of unknowns. Facing these challenges of marriage, Christian couples will discover ways to meet the one great challenge: to love each other as Christ Jesus has and continues to love us. David Thomas, PhD, is the current co-director of The Bethany Family Institute. For over thirty years he was a Professor of Systematic Theology, Religion and Family Life at St. Louis University, St. Meinrad School of Theology in Indiana and Regis University in Denver. Thomas served as a theological consultant to the United States Catholic Bishops' Committee on Marriage and Family Life. He and Karen, his wife of forty years, are the parents of seven children and seventy-five foster children. He now lives in Whitefish, Montana. *Christian Social Action*, 1988.
