## **Sexuality And Victorian Literature Tennessee Studies In Literature Vol 27:**

**Sexuality and Victorian Literature** Don Richard Cox,1984      **Fashion and Narrative in Victorian Popular Literature** Madeleine C. Seys,2017-08-10 We know that way we dress says a lot about us It s drilled into us by our parents as children as adults throughout our working lives and eternally from the culture surrounding us Our dress tells the outside world of the culture and era we come from to our social status within that culture Our dress can be telling of our political views religious beliefs sexuality and countless other identifying traits that we can keep hidden or show to the world by our choice of what to wear when heading venturing out This was absolutely true famously so in the Victorian Era in which men and women alike wore their status on their often lavish embellished sleeves In her new book Dr Madeleine Seys explores Victorian culture through the lens of fashion in her new book *Double Threads Fashion and Victorian Popular Literature* which sits at the intersection of the fields of Victorian literary studies dress and material cultural studies feminist literary criticism and gender and sexuality studies      *The New Nineteenth Century* Barbara Leah Harman,Susan Meyer,2012-11-12 This book includes essays on writers from the 1840s to the 1890s well known writers such as Anne Bronte Wilkie Collins and Bram Stoker lesser known writers such as Geraldine Jewsbury Charles Reade Margaret Oliphant George Moore Sarah Grand and Mary Ward The contributors explore important thematic concerns the relation between private and public realms gender and social class sexuality and the marketplace and male and female cultural identity      *Sex and Death in Victorian Literature* Regina Barreca,1990      **Unstable Bodies** Jill L. Matus,1995 While ideas about mutable or ambiguous sexuality provoked fear and fascination they also served Victorian middle class ideology by offering scientific ways of constructing racial class and national identity in terms of the body      **Uneven Developments** Mary Poovey,2009-02-15 Mary Poovey s *The Proper Lady and the Woman Writer* has become a standard text in feminist literary discourse In *Uneven Developments* Poovey turns to broader historical concerns in an analysis of how notions of gender shape ideology Asserting that the organization of sexual difference is a social not natural phenomenon Poovey shows how representations of gender took the form of a binary opposition in mid Victorian culture She then reveals the role of this opposition in various discourses and institutions medical legal moral and literary The resulting oppositions partly because they depended on the subordination of one term to another were always unstable Poovey contends that this instability helps explain why various institutional versions of binary logic developed unevenly This unevenness in turn helped to account for the emergence in the 1850s of a genuine oppositional voice the voice of an organized politicized feminist movement Drawing on a wide range of sources parliamentary debates novels medical lectures feminist analyses of work middle class periodicals on domesticity Poovey examines various controversies that provide glimpses of the ways in which representations of gender were simultaneously constructed deployed and contested These include debates about the use of chloroform in childbirth the first divorce law the professional status of writers the plight of governesses and the nature of the nursing corps *Uneven Developments* is a contribution to the

feminist analysis of culture and ideology that challenges the isolation of literary texts from other kinds of writing and the isolation of women's issues from economic and political histories      Discourses of Desire Linda Kauffman, 2019-06-30 In *Discourses of Desire* Linda S Kauffman looks at a neglected genre the love letters written by literary heroines Tracing the development of the genre from Ovid to the twentieth century novel Kauffman explores through provocative and incisive readings the important implications of these amatory discourses for an understanding of fictive representation in general Among the texts Kauffman treats are Ovid's *Heroides* Heloise's letters to Abelard *The Letters of a Portuguese Nun* Clarissa *Jane Eyre* *The Turn of the Screw* *Absalom Absalom* and *The Three Marias* New Portuguese Letters Drawing on the work of such theorists as Todorov Genette Barthes Bakhtin Lacan and Derrida Kauffman demonstrates how the codes of love shape intertextual dialogues among these works in which each innovation in the genre is simultaneously a response to and a departure from the one preceding it Throughout she pays particular attention to the unsettling questions that the genre's shared thematic preoccupations and formal characteristics pose for concepts of gender authorship genre and mimesis Drawing on poststructuralism and psychoanalytic criticism to extend the boundaries of feminist theory Kauffman makes a significant contribution to contemporary critical discussions of writing and gender mimesis and narrative discourse and poetics and politics Her book broad in its scope and far reaching in its implications will be valuable reading for anyone interested in feminist criticism literary theory and literary history      **Victorian Sensational Fiction** R. Fantina, 2009-12-21 This book recovers the fiction of Charles Reade who was among the best known authors of the sensation fiction of the 1860s as a body of work that anticipates recent trends in literary and cultural theory      *The Turning Point* Robert Douglas-Fairhurst, 2022-03-01 A major new biography that takes an unusual and illuminating approach to the great writer immersing us in one year of his life from the award winning author of *Becoming Dickens* and *The Story of Alice* The year is 1851 It's a time of radical change in Britain when industrial miracles and artistic innovations rub shoulders with political unrest poverty and disease It is also a turbulent year in the private life of Charles Dickens as he copes with a double bereavement and early signs that his marriage is falling apart But this formative year will become perhaps the greatest turning point in Dickens's career as he embraces his calling as a chronicler of ordinary people's lives and develops a new form of writing that will reveal just how interconnected the world is becoming *The Turning Point* transports us into the foggy streets of Dickens's London closely following the twists and turns of a year that would come to define him and forever alter Britain's relationship with the world Fully illustrated and brimming with fascinating details about the larger than life man who wrote *Bleak House* this is the closest look yet at one of the greatest literary personalities ever to have lived      *Nineteenth-century Studies*, 2004      Stage Blood Roxana Stuart, 1994 Stuart's study approaches the subject primarily from the viewpoint of literary criticism but also includes production history providing the reader with a useful look at theatre practices Additionally insight is provided into the popular taste and imagination of different periods and cultures as reflected

in changing representations of the vampire from the relative innocence of the Romantics to the evolving patterns of sadism misogyny and xenophobia of the end of the century Annotation copyright by Book News Inc Portland OR     **Thomas Hardy** Ronald D. Morrison, 2021-05-14 Thomas Hardy enjoyed a long and distinguished career as a novelist before devoting his talents to writing poetry for the remainder of his life This book focuses on Hardy s remarkable achievements as a novelist Although Victorian readers considered some of his works controversial his novels remained highly regarded His novels still appear in the syllabi of courses in Victorian literature and the British novel as well as courses in feminist gender studies environmental studies and other topics For scholars students and the general reader this companion helps to makes Hardy s novels accessible by providing a detailed biography of Hardy plot summaries of each novel and analyses of the critical contexts surrounding them Entries focus on the people cultural forces literary forms and movements that influenced Hardy s novels The companion also suggests approaches for original interpretations and suggestions for further study     *The Vampire in Folklore, History, Literature, Film and Television* , 2015-10-07 This comprehensive bibliography covers writings about vampires and related creatures from the 19th century to the present More than 6 000 entries document the vampire s penetration of Western culture from scholarly discourse to popular culture politics and cook books Sections by topic list works covering various aspects including general sources folklore and history vampires in literature music and art metaphorical vampires and the contemporary vampire community Vampires from film and television from Bela Lugosi s Dracula to Buffy the Vampire Slayer True Blood and the Twilight Saga are well represented     **Journal of Evolutionary Psychology** , 1999     *Virginal Sexuality and Textuality in Victorian Literature* Lloyd Davis, 1993-01-01 This book examines the figure of the virgin a symbol central to many aspects of society and sexuality in nineteenth century England and its effects on the Victorian literary imagination Studying the virgin as a social sexual and literary phenomenon the volume contributes to current critical accounts of the relations among the body and language gender and discourse These essays explore the ways in which virginity is not a natural ideal but a complex cultural and literary sign The authors rethink the virginal as a textual counter example to the idealization of natural sexuality     **In Search of Dracula** Raymond T. McNally, Radu Florescu, 1994 A newly revised edition of the classic account of Vlad the Impaler just in time for Halloween now includes entries from Bram Stoker s recently discovered diaries the amazing tale of Nicolae Ceausescu s attempt to make Vlad a national hero and an examination of recent adaptations in fiction stage and screen 70 b w illustrations

Nineteenth Century Literature Criticism Jessica Bomarito, Russel Whitaker, 2006-09 Presents literary criticism on the works of nineteenth century writers of all genres nations and cultures Critical essays are selected from leading sources including published journals magazines books reviews diaries broadsheets pamphlets and scholarly papers Criticism includes early views from the author s lifetime as well as later views including extensive collections of contemporary analysis

**Prophets of Past Time** Carl Dawson, 1988     *Lewis Carroll* Michael Bakewell, 1996 This is the first biography of Lewis

Carroll for 16 years It explores the complex and contradictory character of the Reverend Charles Lutwidge Dodgson a man as strange and singular as any of the creations of his alter ego Lewis Carroll      **The Annotated Dickens: David Copperfield.**  
**A tale of two cities. Great expectations** Charles Dickens,1986
