Sexuality In Greek And Roman Literature And Society

Sharon L. James, Sheila Dillon

Sexuality In Greek And Roman Literature And Society:

Sexuality in Greek and Roman Literature and Society Marguerite Johnson, 2004-08-02 This Sourcebook contains numerous original translations of ancient poetry inscriptions and documents all of which illuminate the multifaceted nature of sexuality in antiquity The detailed introduction provides full social and historical context for the sources and guides students on how to use the material most effectively Themes such as marriage prostitution and same sex attraction are presented comparatively with material from the Greek and Roman worlds shown side by side This approach allows readers to interpret the written records with a full awareness of the different context of these separate but related societies Commentaries are provided throughout focusing on vocabulary and social and historical context This is the first major sourcebook on ancient sexuality it will be of particular use on related courses in classics ancient history and gender studies

Sexuality in Greek and Roman Society and Literature Marguerite Johnson, Terry Ryan, 2005 This Sourcebook contains numerous original translations of ancient poetry inscriptions and documents all of which illuminate the multifaceted nature of sexuality in antiquity The detailed introduction provides full social and historical context for the sources and guides students on how to use the material most effectively Themes such as marriage prostitution and same sex attraction are presented comparatively with material from the Greek and Roman worlds shown side by side This approach allows readers to interpret the written records with a full awareness of the different context of these separate but related societies Commentaries are provided throughout focusing on vocabulary and social and historical context This is the first major sourcebook on ancient sexuality it will be of particular use on related courses in classics ancient history and gender studies

Sexuality in Premodern Europe Franz X. Eder, 2023-10-19 How did sexual relationships work before in and outside of marriage in the pre modern era What problems did contraception and sexually transmitted diseases pose How did people deal with prostitution and pornography back then What were the possibilities for same sex and queer desire and practice Using numerous examples and sources from across the continent Sexuality in Premodern Europe shows that even in earlier centuries sexual life had an elementary significance for the coexistence of couples and communities It was just as decisive for how individuals saw themselves and others as it was for maintaining the social economic and political order Franz X Eder interestingly emphasises the socio historical view of sexuality offering an apt foil for the cultural perspective which is so prevalent in the field In this book sexual behaviour is understood and thought about as social practice From this vantage point Eder deals with the function of the sexual in upbringing and socialization its significance for the image of men and women its role in marriage initiation and the importance of sexual life for marital relationships and concubinage Deviant and discriminated sexual forms such as prostitution pornography and same sex acts are also addressed throughout The book explores the ways in which many people gained sexual experiences before besides or beyond marriage even if these experiences were forbidden in former societies While research into the history of sexuality has so far dealt with such forms of

the sexual primarily from the point of view of regulation and sanctioning here they are understood as positive practices that allowed people to understand and take ownership of their sexual desire *Classical Literature* Neil Croally, Roy Hyde, 2011-05-10 Classical Literature An Introduction provides a series of essays on all the major authors of Greek and Latin literature as well as on a number of writers less often read An introductory chapter provides information on important general topics such as poetic metres patronage and symposia The literature is put in historical context and the material is organized chronologically but also by genre or author as appropriate each section or chapter has suggestions for further reading The book ranges from Homer to the writers of the later Roman Empire and includes a glossary a chronology of literary and political events and useful maps showing the origins of ancient writers The collection will be essential for students and others who want a structured and informative introduction to the literature of the classical world **A writer's guide to Ancient Rome** Carey Fleiner, 2020-02-28 A really fun idea for a book and full of great stuff Greg Jenner Public Historian This is the perfect guide for any writer who wants to recreate the Roman world accurately in their fiction It will aid any novelist screenwriter games designer or re enactor in populating their story with authentic characters and scenes costumes and locations Written from a historian's perspective this guide pulls back the curtain to show the reader what life in Ancient Rome was really like what they wore what they ate and how they spent their time at work at home at war and at play Individual chapters focus on different aspects of Romans lives to give you specific knowledge of what they looked like and how they behaved as well as a broad appreciation of what held their civilisation together from religion to the economy to law and order You may wish to work your way through the book from cover to cover or focus specifically on individual chapters as you hone your creative writing skills Covering the period between 200 BCE and 200 CE A writer's guide to Ancient Rome surveys the vast amount of sources and scholarship on the Classical world so you don't have to It outlines current scholarly debates and changing interpretations suggests further reading and recommends particular resources to mine for each topic It gives you plenty to consider while you construct your own Roman world **Foundations of Nursing Practice** Richard Hogston, Barbara Marjoram, 2011-04-01 This is the key text for introductory level nursing covering all the core areas Practical and great value it is comprehensive and also contains new chapters on cutting edge topics Alongside an all new companion website this is an outstanding edition for CFP study from a tried and trusted team **Antiquity** Frederick G. Naerebout, Henk W. Singor, 2014-01-09 Antiquity Greeks and Romans in Context provides a chronological introduction to the history of ancient Mediterranean civilizations within the larger context of its contemporary Eurasian world Innovative approach organizes Greek and Roman history into a single chronology Combines the traditional historical story with subjects that are central to modern research into the ancient world including a range of social cultural and political topics Facilitates an understanding of the ancient Mediterranean world as a unity just as the Mediterranean world is in its turn presented as part of a larger whole Covers the entire ancient Mediterranean world from pre history through to the

rise of Islam in the seventh century A D Features a diverse collection of images maps diagrams tables and a chronological chart to aid comprehension English translation of a well known Dutch book De oudheid now in its third edition *The Evolution of Same-Sex Attraction* Menelaos Apostolou,2020-10-06 This book provides a comprehensive analysis of the evolutionary origins of same sex attraction evaluating multiple existing evolutionary theories It combines empirical findings with theoretical arguments in order to review evidence on the prevalence rates of same sex attraction and determine its genetic and environmental basis Among the topics addressed Attitudes towards same sex attraction across human history Assessing the weak selection pressures hypothesis of attraction Assessing the male choice hypothesis of attraction Evolution of same sex attraction in men versus women The Evolution of Same Sex Attraction will be of interest to academics and students of evolutionary and psychological sciences filling a gap in literature on the origins of specifically same sex attraction

Bisexuality D. Joye Swan,Shani Habibi,2018-03-07 This pathbreaking volume brings together a diverse body of sexual behavioral and social science research on bisexuality Arguing for a clear evidence based definition of bisexuality and standardized measures for assessing sexual orientation it spotlights challenges that need to be addressed toward attaining these goals The book s deep trove of findings illuminates the experiences of bisexual men and women in key aspects of life as well as common mental health issues in the face of stigma prejudice and outright denial from the heterosexual and homosexual communities Throughout contributors examine the paradoxical invisibility of bisexuality even as society and science have become more inclusive of lesbians and gay men and emphasize the critical role of thoughtful respectful support across societal and mental health domains Among the topics covered Defining bisexuality challenges and importance of and toward a unifying definition Plurisexual identity labels and the marking of bisexual desire Binegativity attitudes toward and stereotypes about bisexuals Female bisexuality identity fluidity and cultural expectations Romantic and sexual relationship experiences among bisexual individuals Bisexuality is a substantial reference for psychologists scholars and graduate students in LGBTQIA studies and clinicians seeking both theoretical and applied perspectives on the research into bisexuality It also offers instructors a supplemental research based textbook option for teaching courses related to sexuality and bisexuality *Sex and Society* Marshall Cavendish Corporation,2010-09 Moving beyond a partial view of only biology and psychology this work also examines the wide sociological dimensions of sex Past and Present: Perspectives on Gender and Love Kelly Gardiner,Sina V. Pfister,2019-01-04 This volume was first published by Inter Disciplinary Press in 2015 How do humans conceive of enact embody perform control commodify proscribe and portray love and gender How are our bodies our identities our beliefs our representations of ourselves affected by love and gender or perceptions of love and gender What don t we know What don t we talk about Why Have answers to all these questions changed over time Across cultures These and many other questions lie at the heart of this volume on the changing natures and intertwining of gender and love Its contents encompass concepts of love within and of the self in families and between specific family members in sexual and

intimate relationships in spiritual practice in communities and seen through many different lenses and from a range of disciplines and approaches Readers may be left with more questions than answers we certainly hope so A Companion to Catullus Marilyn B. Skinner, 2010-12-23 In this companion international scholars provide a comprehensive overview that reflects the most recent trends in Catullan studies Explores the work of Catullus one of the best Roman lyric poets Provides discussions about production genre style and reception as well as interpretive essays on key poems and groups of poems Grounds Catullus in the socio historical world around him Chapters challenge received wisdom present original readings and suggest new interpretations of biographical evidence A Companion to Women in the Ancient World Sharon L. James, Sheila Dillon, 2015-06-15 A COMPANION TO WOMEN IN THE ANCIENT WORLD A Companion to Women in the Ancient World is the first interdisciplinary methodologically based collection of readings to address the study of women in the ancient world while weaving textual visual and archaeological evidence into its approach Prominent scholars tackle the myriad problems inherent in the interpretation of the evidence and consider the biases and interpretive categories inherited from centuries of scholarship Essays and case studies cover an unprecedented breadth of chronological and geographical range genres and themes Illuminating and insightful A Companion to Women in the Ancient World both challenges preconceived notions and paves the way for new directions in research on women in antiquity **The Gendered 'I' in Ancient Literature** Lisa Cordes, Therese Fuhrer, 2022-10-24 Considering the ubiquity of rhetorical training in antiquity the volume starts from the premise that every first person statement in ancient literature is in some way rhetorically modelled and aesthetically shaped Focusing on different types of Greek and Latin literature poetry and prose from the Archaic Age to Late Antiquity the contributions analyse the use and modelling of gender specific elements in different types of first person speech be it that the speaker is represented as the author of a work be it that they feature as characters in the work narrating their own story or that of others In doing so they do not only offer new insights into the rhetorical strategies and literary techniques used to construct a gendered I in ancient literature They also address the form and function of first person discourse in classical literature in general touching on fields of research that have increasingly come into focus in recent years such as authorship studies studies concerning the ancient notion s of the literary persona as well as a historical narratology that discusses concepts such as the narrator or the literary character in ancient literary theory and practice The Oxford Encyclopedia of the Bible and Gender Studies Julia M. O'Brien, 2014 As the first major encyclopedia of its kind The Oxford Encyclopedia of the Bible and Gender Studies OEBGS is the go to source for scholars and students undertaking original research in the field Extending the work of nineteenth and twentieth century feminist scholarship and more recent queer studies the Encyclopedia seeks to advance the scholarly conversation by systematically exploring the ways in which gender is constructed in the diverse texts cultures and readers that constitute the world of the Bible With contributions from leading scholars in gender and biblical studies as well as contemporary gender theorists classicists archaeologists and

ancient historians this comprehensive reference work reflects the diverse and interdisciplinary nature of the field and traces both historical and modern conceptions of gender and sexuality in the Bible The two volume Encyclopedia contains more than 160 entries ranging in length from 1 000 to 10 000 words Each entry includes bibliographic references and suggestions for further reading as well as a topical outline and index to aid in research The OEBGS builds upon the pioneering work of biblically focused gender theorists to help guide and encourage further gendered discussions of the Bible *Sexual Morality in Ancient Rome* Rebecca Langlands,2006-05-25 Traditionally scholars have approached Roman sexuality using categories of sexual ethics drawn from contemporary Western society In this 2006 book Dr Langlands seeks to move away from these towards a deeper understanding of the issues that mattered to the Romans themselves and the ways in which they negotiated them by focusing on the untranslatable concept of pudicitia broadly meaning sexual virtue She offers a series of nuanced close readings of texts from a wide spectrum of Latin literature including history oratory love poetry and Valerius Maximus work Memorable Deeds and Sayings Pudicitia emerges as a controversial and unsettled topic at the heart of Roman debates about the difference between men and women the relation between mind and body and the ethics of power and status differentiation within Roman culture The book develops strategies for approaching the study of an ancient culture through sensitive critical readings of its literary productions **The Banishment of Beverland** Karen Eline Hollewand,2019-03-19 In 1679 Hadriaan Beverland 1650 1716 was banished from the province of Holland Why was this humanist scholar exiled from one of the most tolerant parts of Europe in the seventeenth century To answer this question this book places Beverland s writings on sex sin and scholarship in their historical context for the first time Beverland argued that sexual lust was the original sin and highlighted the importance of sex in human nature ancient history and his own society His audacious works hit a raw nerve Dutch theologians accused him of atheism he was abandoned by his humanist colleagues and he was banished by the University of Leiden By positioning Beverland s extraordinary scholarship in the context of the seventeenth century Dutch Republic this book examines how his radical studies challenged the intellectual ecclesiastical and political elite providing a fresh perspective upon the Dutch Republic in the last decades of its Golden Age [American Book Publishing Record](#) ,2003 [Sexual Symmetry](#) David Konstan,2014-07-14 In the Greek romances writes David Konstan sighs tears and suicide attempts are as characteristic of the male as of the female in distress ruses disguises and outright violence in defense of one s chastity are as much the part of the female as of the male Exploring how erotic love is represented in ancient amatory literature Konstan points to the symmetry in the passion of the hero and heroine as a unique feature of the Greek novel they fall mutually in love they are of approximately the same age and social class and their reciprocal attachment ends in marriage He shows how the plots of the novels are perfectly adapted to expressing this symmetry and how because of their structure they differ from classical epic elegy comedy tragedy and other genres including modern novels ranging from Sidney to Harlequin romances Using works like Chaereas and Callirhoe and Daphnis and Chloe Konstan examines such

issues as pederasty the role of eros in both marital and nonmarital love and the ancient Greek concept of fidelity He reveals how the novelistic formula of sexual symmetry reverses the pattern of all other ancient genres where erotic desire appears one sided and unequal and is often viewed as either a weakness or an aggressive conquering power Konstan s approach draws upon theories concerning the nature of sexuality in the ancient world reflected in the work of Michel Foucault David Halperin and John Winkler Originally published in 1993 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 Sexuality in Greek and Roman Culture Marilyn B. Skinner, 2013-07-23 This agenda setting text has been fully revised in its second edition with coverage extended into the Christian era It remains the most comprehensive and engaging introduction to the sexual cultures of ancient Greece and Rome Covers a wide range of subjects including Greek pederasty and the symposium ancient prostitution representations of women in Greece and Rome and the public regulation of sexual behavior Expanded coverage extends to the advent of Christianity includes added illustrations and offers student friendly pedagogical features Text boxes supply intriguing information about tangential topics Gives a thorough overview of current literature while encouraging further reading and discussion Conveys the complexity of ancient attitudes towards sexuality and gender and the modern debates they have engendered

Adopting the Track of Expression: An Psychological Symphony within **Sexuality In Greek And Roman Literature And Society**

In a global consumed by monitors and the ceaseless chatter of instant interaction, the melodic elegance and emotional symphony developed by the published word usually disappear into the back ground, eclipsed by the constant noise and distractions that permeate our lives. But, nestled within the pages of **Sexuality In Greek And Roman Literature And Society** an enchanting literary value filled with natural thoughts, lies an immersive symphony waiting to be embraced. Constructed by a masterful musician of language, this interesting masterpiece conducts visitors on an emotional trip, well unraveling the concealed melodies and profound influence resonating within each cautiously constructed phrase. Within the depths of the emotional assessment, we shall discover the book is central harmonies, analyze their enthralling writing model, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.

Sexuality In Greek And Roman Literature And Society Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Sexuality In Greek And Roman Literature And Society PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and

finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Sexuality In Greek And Roman Literature And Society PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Sexuality In Greek And Roman Literature And Society free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
