## **Sexually Transmitted Diseases In Obstetrics And Gynecology:**

*Sexually Transmitted Disease* Jill Ann Grimes MD, Lori Apffel Smith MD, Kristyn Fagerberg MD, 2013-11-12 This up to date two volume work provides A Z coverage of all topics related to sexually transmitted disease ranging from anatomy to modern legal and social implications to past and present methods of prevention diagnosis and treatment Sexually transmittable diseases are a sensitive and embarrassing subject Many sexually transmitted diseases are silent providing no symptoms until they cause serious medical problems But with one in four Americans over the age of fourteen being infected with a sexually transmitted infection the topic of sexually transmitted diseases STDs is a highly relevant health issue This work contains over 230 entries that span the history and wide range of topics regarding STDs from the birth of condoms over 3 000 years ago through discovery of the infectious agents and the invention of effective vaccines to the legal and societal implications of STDs This two volume encyclopedia investigates the spectrum of sexually transmitted diseases and related topics and issues describing their microscopic origins the chronology of research and medical treatment the body parts affected and the modern day methods of diagnosis treatment and prevention of spread Additionally this work addresses legal implications of disease transmission psychosocial impacts as well as long term medical consequences such as potential infertility pelvic inflammatory disease and chronic pelvic pain

**Obstetrics and Gynecology** Charles R. B. Beckmann, William Herbert, Douglas Laube, Frank Ling, Roger Smith, 2013-01-21 Established as the standard resource of the obstetrics and gynecology clerkship *Obstetrics and Gynecology* is now in its revised Seventh Edition This is the only clerkship book on the market fully compliant with The American College of Obstetricians and Gynecologist ACOG guidelines treatment recommendations and committee opinions The text aligns with the Association of Professors of Gynecology and Obstetrics APGO educational objectives upon which most clerkship evaluations and final exams are based and provides key features for self assessment including USMLE style questions

*Sexually Transmitted Diseases* Richard H. Beigi, 2012-04-02 Sexually Transmitted Diseases present a major public health challenge Over 25 diseases can be transmitted through sexual activity and effective treatment especially where long term infection can lead to further health problems and in women infertility requires good diagnostic skills and understanding of the best treatment methods This book aims to give a practical guide to diagnosis and treatment in a patient centred framework with care at the heart of the book The aim of the *Gynecology in Practice Series* is to provide a clinical in the office or at the bedside guide to effective patient care for gynecologists The tone will be practical not academic The working assumption is that readers want to know what and what not might or should be done without over emphasis on the why That said it is important to review the crucial basic science necessary for effective diagnosis and management and to provide reminders in the context of the practical chapters The books will not be heavily referenced in line with a more practical approach This allows for smoother reading and also relieves the burden of comprehensive citing from authors Key evidence clinical trials Cochrane or other meta analyses should be summarized in

Evidence at a Glance boxes and key references such as reviews major papers can be provided in the selected bibliography at the end of each chapter Practical guidance will be provided through the use of algorithms and guidelines where they are appropriate Tips and Tricks boxes hints on improving outcomes perhaps via practical technique patient questioning etc Caution warning boxes hints on avoiding problems perhaps via contraindications Science Revisited quick reminder of the basic science principles necessary for understanding

**Sexually Transmitted Diseases: Advances in Diagnosis and Treatment** P. Elsner,A. Eichmann,1996-04-16 *Sexually Transmitted Diseases* Kenneth A. Borchardt,Michael A.
