Naughty Cocktales Mike Hunt, 2011-06-16. There are cocktails and then there are cocktales, and when you combine the two things, happen. Years ago, when double entendre drinks like Sex on the Beach were invented, many good times were had by those who were able to take the innocent act of ordering a drink and use it to steer the conversation in a particular direction. But these outrageously named cocktails have since become somewhat commonplace and have lost some of their old mojo. Enter **Naughty Cocktales**, which combines risqué names, suggestive comments, and erotic photos into a surefire conversation starter for your next party, boys' night out, girls' night out, bridal shower, bachelor party, or whatnot. For that matter, why not carry a copy down to your favorite local watering hole? There are so many ways to order. Say, I'd like a M-nage Trois, or Would you like a Screaming Multiple Orgasm on the Beach? Look at the photos and read the captions; you get the idea. In the right hands, this little book of drink recipes is the ultimate conversation starter. What really sets it apart from other mixology compilations is each recipe is accompanied by a pertinent and tastefully erotic photo, which will be sure to get the juices flowing along with a short tale to kick start the conversation. If you can't break the ice with the opposite sex using this book, you have big problems.
