Sg The Legal And Regulatory Env Of E Commerce Law For Converg:

The Legal and Regulatory Environment of E-business John W. Bagby, F. William McCarty, 2003 This new hybrid book integrates both e commerce and traditional legal environment issues serving as a bridge between the two by covering the legal environment of business and its extensions into e commerce The text fulfills the need for greater understanding of the role of law regulation and public policy A major focus is on how existing laws will accommodate the transition and on what issues new perspectives are needed from legislation regulation judicial interpretation private contracting industry self regulation and public policy Reforming Corporate Governance in Southeast Asia Ho Khai Leong, 2005 This multi

disciplinary volume provides a critical examination of corporate governance reform in Southeast Asia especially after the Asian financial crisis in 1997 The weaknesses in the corporate sector such as poor investment structure weak legal and accounting systems faulty financial practices questionable political interventions are some of the pertinent issues raised by the authors who include legal specialists corporate practitioners economists and political scientists Policy measures to improve corporate transparency institutional accountability and fiscal prudence are also proposed The volume provides interested readers and policy makers in Southeast Asia with the most current research and policy options on corporate governance reform and advocates more committed and effective governance changes in the future **The Information**

E-conomy Colin Turner, 2000 Through the use of case studies and text boxes specific examples are provided of how organizations are growing with these new challenges through interacting their business strategy information and communications technology This book aims to give a business focused understanding to the main issues involved in the development of the information economy *Mobile Payments, Consumer Policy, and the Law* Nwanneka

Ezechukwu, 2023-03-17 Mobile technology offers an innovative and cost effective channel for delivering a range of financial services including mobile payments In some jurisdictions mobile payments simply provide a convenient option for facilitating payment transactions In other jurisdictions mobile payments are viewed as potentially transformative because they present an opportunity to expand access to financial services However as with other innovations mobile payments raise consumer protection concerns and require robust regulatory mechanisms to address such concerns Against this backdrop the book adopts a typology of consumer policy tools which can be used to address the identified consumer concerns This typology guides the enquiry into the existing consumer protection frameworks applying to mobile payments in selected jurisdictions Canada Kenya and the United Kingdom The main objective of this endeavour is to identify best practices that national authorities seeking to leverage mobile payments and similar innovations can emulate This book will be of interest to policymakers regulators industry stakeholders students and scholars interested in the regulation of innovative financial services particularly from a consumer protection perspective **Current Law Index**, 2005 National Test Lin

Xiao, 2016-03-19 This book discusses the latest developments in the China Pilot Free Trade Zone strategy It puts forward and

explains the idea that building the Shanghai Pilot Free Trade Zone SFTZ is a national test as it is a major strategic decision to help China cope with the new situation resulting from opening up and the further implementation of the reform Based on China's strategic demand in the era of globalization this book takes into account the global structure of trade investment and changes in standards and studies the system of SFTZ Moreover based on the national strategy of building international caliber free trade zone it compares the SFTZ with other established free trade zones and free port cities It reveals the overall SFTZ framework and explains in detail aspects of the financial system investment management trade supervision taxation offshore trade and finance government system reform plus the linkage mechanism of building Shanghai as an international economy finance trade and shipping center *Index to Legal Periodicals & Books* ,2005 *International Environment Reporter* ,2006 **Current Research in Britain** ,1997 **Parliamentary Debates** ,1986-03-31 *The Economist* ,2000 *Social Sciences Index* ,1985 **The Standard Periodical Directory** ,1993 **The Institutional Construction of Organizations** W. Richard Scott,1995-08-08 Institutional theory is on the rise During the past three decades the field of organization studies has witnessed a succession of theoretical perspectives including contingency theory resource dependency and population ecology that focus attention on one or another aspect of organizations Only institutional theory highlights the importance of the wider social and cultural environment as the ground in which organizations are rooted The original work in *The Institutional Construction of Organizations* sheds new light on the study of organizations The editors bring together work from two different research traditions the United States and Europe The collection also layers in several important perspectives of institutional theory including empirical observations longitudinal analyses market based organizational forms and attention to the concepts of agency and strategy The result is a finely textured fully developed work for scholars and advanced students of organizational theory and behavior *Transnational Data Report* ,1984 **AEJMC News** ,1998 *The New York Times Index* ,2002 *International Congress Calendar* ,1997 **Traffic World and Traffic Bulletin** ,2001-07 *Book Review Index* ,2006 Every 3rd issue is a quarterly cumulation
