Sg Economics And Contemporary Issues:

Private Education In Singapore: Contemporary Issues And Challenges Choon-yin Sam, 2017-05-23 Not much has been written about the private education sector in Singapore despite the fact that the sector houses about 300 private education institutions PEIs and enrolls about 150 000 students Private Education in Singapore Contemporary Issues and Challenges is an exciting book that aims to fill a gap in the literature In the book the author offers an extensive discussion on i the key elements of the sector types and features of the PEIs ii the regulatory framework for private education iii students aspiration and the impact of the ASPIRE report on PEIs and iv the provision of external degree programme through transnational partnership The book also tackles the hotly debated discussion in relation to academic quality and standard of PEI courses The author identifies the reasons some of them have more characteristics of a myth and suggests a number of ways to overcome the issues and challenges

50 Years Of Social Issues In Singapore David Chan, 2015-04-15 The social context of Singapore is changing rapidly and understanding how people think feel and behave in various situations has become a key driver of effectiveness in addressing social issues 50 Years of Social Issues in Singapore provides a comprehensive review and examination of various social issues at multiple levels of analysis including the individual group and society This invaluable book adopts a translational approach to social issues in Singapore by explicitly bridging intellectual and practical perspectives Contributed by a distinguished team of authors the chapters examine the critical ideas underlying public debates of social issues and their policy and practical implications The book is organized into three parts Part I examines issues of population and social fundamentals in Singapore such as ageing marriage urban planning healthcare and racial and religious harmony Part II analyses Singapore s social progress through issues of inclusivity such as social mobility developing communities and marginal groups that deserve more attention Part III focuses on core principles and social processes related to social justice doing good social media and approaches to understanding and addressing social issues in Singapore Most importantly the chapters in this book clearly identify many of the critical unresolved and emerging questions on various social issues that will guide the next generation of public discussion and policy deliberations on what matter in Singapore

Contemporary Issues in Applied Economics Moriki Hosoe, Biung-Ghi Ju, Akira Yakita, Kiseok Hong, 2019-06-12 An important feature of this book is its analysis of various contemporary issues in applied economics distinguished by advanced theoretical research and empirical analysis focusing on Japan and Korea The book consists of four parts the first of which investigates economic growth and welfare using tools of applied analysis In Part II it examines inequality redistribution and intergenerational transfers mainly on an empirical basis In turn Part III explores public policy and political economics while Part IV addresses resource and environmental economics on the basis of data from Japan and Korea In addition to offering valuable insights this collection of papers commemorates the 10th anniversary of academic exchange between the Japan Association for Applied Economics JAAE and the Korean Association for Applied Economics KAAE

Contemporary Issues in

Development Economics B. N. Ghosh, 2001-04-12 This new collection of articles puts the very latest issues in economic development under the microscope exploring them from a variety of perspectives Beginning with an assessment of the current state of play in development the authors move forward to examine neglected issues such as human development gender brain drain military expenditure and post colonial theory While analysing the problems of external debts technology transfer and new theories of international trade the relationship between developing and developed economies is fully explored The book also examines the important topics of financial reform structural adjustments and the role of the IMF in the new financial architecture The highly respected contributors subject these critical issues to thorough analysis with suggestions towards resolving some of these problems making this an indispensable book that researchers and students of development economics cannot afford to miss

Contemporary Issues in Heterodox Economics Arturo Hermann, Simon Mouatt, 2020-10-07 Heterodox economics can provide a more complete and robust explanation of economic realities than orthodox or mainstream economics *Contemporary Issues in Heterodox Economics Implications for Theory and Policy Action* argues that this greater explanatory power gives heterodox economics the ability to illuminate appropriate policy for the major crises of our time as well as proffer the basis for a more rounded pluralist approach to economic theory The chapters in this wide ranging volume address some of the key issues facing the global economy including the growing disparity of income wealth between persons and economic areas environmental degradation issues associated with employment and the regularity of economic financial crises The authors examine potential policy responses such as modern monetary theory models of public ownership and the need to move beyond standard concepts of growth They also explore the deficiencies of orthodox economics and contend that a more pluralist approach to economics is required in the public sphere in academia and in the classroom in order to help face the challenges of the twenty first century This book is invaluable reading for students and scholars across the social sciences who are interested in alternatives to mainstream economic thinking

Contemporary Issues in Labor, Public Finance & Administration Derya Demirdizen Çevik, Osman Geyik, 2019-12-18 This book is written as an outcome of the tenth congress of CUDES Current Debates in Social Sciences This volume is broken down into four parts which fits logically into the subjects of the chapters The parts are composed of several defining papers that are basically in the area of Public Finance Public Administration Labour Economics and International Relations The book covers a wide range of subjects from finance to labour markets research and other administrative topics related to current issues in these fields The opinions in each articles reflect its authors own thoughts

Productivity In Singapore's Retail And Food Services Sectors: Contemporary Issues Mun Heng Toh, Shandre M Thangavelu, 2016-11-25 The Retail and Food Services sectors play an important role in Singapore They add to the vibrancy of the economy and contribute to the social well being of Singaporeans At the same time they are often highlighted and scrutinised for their low productivity performance and high reliance on manpower There is to date a lack of local literature that addresses the issues faced by the

two sectors at the enterprise and worker levels This timely book includes major topics in services productivity in the Singapore context with emphasis on Retail and Food Services Topics covered include the key productivity levers of the services sectors holistic productivity measurement framework effective entrepreneurship manpower management promotion by social media marketing costing process and accounting sophistication These areas are explored through literature reviews and in depth interviews with companies and consumers The chapters also include recommendations for policy makers and industry stakeholders Written in a simple and accessible manner this book will serve as an insightful guide to researchers policy makers industry practitioners and enterprises and those who are keen to learn from the Singapore experience

Contemporary Issues in Finance and Insolvency Law Volume 1 Leon Trakman, Robert Walters, 2022-08-17 There is increasing regulatory interdependence amongst Central East and South East Asian European and North American financial markets and these markets account for over one third of the world's population and global financial markets As Asian markets become more integral to global financial economy more cohesive compatible and integrated insolvency and restructuring laws are essential This two volume work reviews why we should internationalise current cross border insolvency and how we could restructure laws to address inadequacies The two volumes evaluate international regulatory reforms directed at detecting and managing cross border insolvency and restructuring crises across the entire economy including financial markets The authors call for schemes of arrangements and letters of comfort to be formally accepted as international legal tools The work also assesses recent but as yet largely unregulated developments in financial agreements particularly the use of close out netting provisions that serve as significant protective mechanisms prior to the declaration of an insolvency It discusses international arbitration data protection and artificial intelligence in crossborder insolvency and restructuring Finally the book seeks a meaningful balance between self regulation through financial contracts and other party practices and regulation imposed by governments and international financial regulators This extensive work will be a useful reference for legal practitioners policy makers and scholars working on financial regulation and international financial laws

Singapore Studies Beng Huat Chua, Basant Kapur, 1986 This edition brings up to date a decade of research work developments of the Faculty of Arts and Social Science National University of Singapore since the first volume was published in 1985 The state of the respective disciplines covered are reviewed in terms of notable theoretical and conceptual developments major benchmarks during the past decade and research lacunae that need to be addressed as well as their substantive developments and contributions in the Singapore context and possible future directions resulting in a collection of essays that places the Faculty's studies in an international comparative framework

Nation-Building and History Education in a Global Culture Joseph Zajda, 2015-03-24 This book examines the nexus between nation building and history education globally and the implication for cultural diversity and social justice It studies some of the major education reforms and policy issues in history education in a global culture and regards them in the light of recent shifts in history education

and policy research In doing so the volume provides a comprehensive picture of the intersecting and diverse discourses of globalisation history education and policy driven reforms It makes clear that the impact of globalisation on education policy and reforms is a strategically significant issue for us all The book focuses on the importance of nation building and patriotism in history education and presents up to date research on global trends in history education reforms and policy research It provides an easily accessible practical yet scholarly source of information about the international concerns in the field of globalisation history education and policy research

Current Issues in Economic Integration M. Bruna Zolin, 2016-05-13 The current economic crisis has called into question the long term viability of the decoupling between multinational firms and the banking system It has also cast serious doubts on the US dollar centred monetary system and invited reassessment of the long term viability of US China economic relations based on a US current account deficit absorbed by Chinese financial institutions It is also an opportunity to analyse the rise in property prices particularly in fast growing economies Long term food security is also an issue bringing to the fore the multinational firms from emerging economies such as China and India and calling into question the response strategies of multinational firms from the West and Japan This book engages these key issues within the broad theme of integration to give an up to date consideration of the subject opening debate on the future stimulating role that Asia could play vis vis the West particularly the European Union

Realism and Interdependence in Singapore's Foreign Policy Narayanan Ganesan, 2005-10-18 Singapore's existence and success derive in part from its achievements in the domestic political arena and in part from the skilful management of a well defined foreign policy with clearly identifiable goals and issues A visible core of realist self reliance is layered with the demands of a competitive trading state that requires a liberal international trading regime Hence both competitive and cooperative philosophies support Singapore's foreign policy This text charts the philosophical underpinning of Singapore's foreign policy output and the institutions responsible for it and examines the importance of economic and defence diplomacy that are central to Singapore's foreign policy output It gives particular attention to the two most important regional bilateral relationships with Indonesia and Malaysia and how relations with its adjacent neighbours have influenced Singapore's foreign policy Combining first hand research with excellent analysis this volume provides a much needed report on the survival of a small state in the globalizing world

Resource And Environmental Economics: Modern Issues And Applications (Second Edition) Clement A Tisdell, 2021-04-14 This important book deals with the essential principles of resource and environmental economics provides applications to contemporary issues in this field and outlines and assesses policies being used or proposed for managing the use of environmental and natural resources Covering specific contemporary topics such as agriculture and the environment water use greenhouse gas management biodiversity conservation tourism and the environment and environmental economics and health leading issues in resource and environmental economics are outlined and analyzed in an innovative manner Institutional economics both new and traditional

is applied and compared with other approaches such as neoclassical economics behavioral economics and the Austrian School of Economics This heterogeneous multi perspective approach enables problems to be considered from several different angles thus enhancing the reader s comprehension of the subject matter Furthermore using minimal technical jargon the book takes into account aspects of modern economic analysis such as the costs of and constraints on decision making and the transaction costs involved in policy implementation

Economic growth and development in Singapore Peter Wilson,2002-10-29 In this book Gavin Peebles and Peter Wilson offer an historical overview of the rapid growth and development of the Singapore economy detailing the institutions and policies which have made this growth possible They examine the current state of the economy and its future in terms of prospective growth and structural change

Why Not? Thinking About Singapore's Tomorrow Margaret Thomas,Kanwaljit Soin,2024-06-21 What is the society you want to see take shape in Singapore in the years ahead How can we ensure it will be a society where there is gender equality where every person can live the life they want A diverse group of writers women and men teenagers and octogenarians artists academics caregivers journalists doctors lawyers and many others offer their thoughts about these questions and more their vision of the ideal Singapore Their essays will make you think and you too may begin to say Why not

A History of Human Rights Society in Singapore Jiyoung Song,2017-05-08 Singapore s tough stance on human rights however does not negate the long and persistent existence of a human rights society that exists almost unknown to the world The focus of this book is on independent activists and writers documenting this tradition in Singapore society that has a legacy of defending universal values of individual human rights It uncovers their discourses main contentions campaigns survival strategies prominent activists and their untold stories during Singapore s first 50 years of independence

Sergi,2019-06-19 This volume of The International Symposia in Economic Theory and Econometrics explores and investigates contemporary challenges and issues facing the Asia Pacific economies For researchers and students of economics and finance this volume is a fascinating exploration of emerging topics in one the fastest growing economies in the world

Immigrant Integration In Contemporary Singapore: Solutioning Amidst Challenges Mathews Mathew,Melvin Tay,2023-01-17 Singapore s success as a global city is in no small part attributable to its stance on foreign labour and immigrants illustrated by a largely welcoming but discerning immigration regime to fulfil vital socio economic needs However this fairly liberal policy on immigration has been met with substantial disquiet over the last decade Xenophobic tendencies have surfaced periodically and have been compounded by the Covid 19 pandemic This edited volume spotlights these contemporary issues on immigrant integration in Singapore and adopts a functional approach by explicitly bridging academic and practitioner perspectives The chapters are organised into three sections The first section on Challenges discusses various dominant trends obstacles to immigrant integration based on ethnicity culture and religion and the fear and associated emotions that characterise reactions to immigration The second section focuses on Communities

their perspectives and lived experiences in Singapore society The latter differ substantially depending on migrant statuses and are contingent on social capital defined in relation to locals in the city state The last section seeks to illustrate the various Solutioning endeavours in tandem with the contentious nature of immigration These concrete efforts range from ground up initiatives community based collaborative approaches and government programming all seeking to advance immigrant integration in Singapore

The ASEAN Digital Economy Paul Cheung,Xie Taojun,2023-08-15 Boasting the fastest growing Internet market in the world Association of Southeast Asian Nations ASEAN is accelerating into the digital economy This book assesses the potential economic impact of digital economy agreements DEAs and the readiness of some ASEAN member states to grow the digital economy in collaboration The book presents a novel framework to assess countries readiness to enter digital economy collaborations following the architecture of Singapore s DEAs with its trading partners It takes a bird s eye view of the digital economy in ASEAN and reviews the current state of digital infrastructure and regulations The book also includes simulation exercises to project economic outcomes delivered by regional collaborations It also elaborates on the specific strengths and weaknesses of five ASEAN member states These ASEAN member states include Indonesia Malaysia the Philippines Vietnam and Cambodia The book concludes by revisiting the ASEAN economy as a whole It points out key issues country leaders need to work on as they proceed with digital economy collaborations This book is written for scholars policymakers and industrial practitioners who wish to learn the latest developments in the ASEAN digital economy

Law, Social Sciences, and Public Policy Anthony Chin,Alfred Choi,1998 Professionals and government officials often encounter a variety of legal and public policy questions which have economic sociological political and spatial overtones and implications This volume brings together lawyers and social scientists to discuss pertinent issues from their relevant expertise with the aim of providing new insights into the different training skills and background of law and the social sciences which would in turn contribute to a more symbiotic relationship between the two disciplines to help policy and decision makers be fair and efficient in implementing or advising regulatory and developmental programmes This volume should be a useful reference to policy makers professionals advising the government lawyers and researchers undertaking inter disciplinary studies

Sg Economics And Contemporary Issues Introduction

In today's digital age, the availability of Sg Economics And Contemporary Issues books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Sg Economics And Contemporary Issues books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Sg Economics And Contemporary Issues books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Sg Economics And Contemporary Issues versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Sg Economics And Contemporary Issues books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Sg Economics And Contemporary Issues books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Sg Economics And Contemporary Issues books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library.

lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Sg Economics And Contemporary Issues books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Sg Economics And Contemporary Issues books and manuals for download and embark on your journey of knowledge?
