## **Shades Of California The Hidden Beauty Of Ordinary Life:**

Shades of California Kimi Kodani Hill, 2001 California is the state of constant change and surprise from its evolving vistas and landscapes to the ever increasing number of people who call it home either by birth or by choice Few states in the nation can claim as much diversity among their citizens The face of California is a collage of different ethnic groups working alongside each other to create homes within these borders Now imagine the people of California coming together to create a family album an incredible showcase documenting the joys the milestones the work and the play of this great extended family The Shades project began in Los Angeles in 1991 as a local exhibition of the city s diverse communities The phenomenal success of this Shades of LA project generated interest in a statewide version the Shades of California People were invited to bring their family albums and personal photograph collections to photo days at public libraries throughout the state sponsored by the California State Library Community volunteers and project staff then selected photographs that were reshot on site by professional photographers Shades of California brings together the most arresting humorous poignant and memorable images from the entire Shades project for the first time These photos from the late 1800s to 1998 the faces of California are a reflection of ourselves and our place in this state we call home The Shades of California photographs are now in the California State Library s permanent photograph collection where they are an important resource for researchers writers curators and educators

**Clothing and Fashion** José Blanco F., Patricia Kay Hunt-Hurst, Heather Vaughan Lee, Mary Doering, 2015-11-23 This unique four volume encyclopedia examines the historical significance of fashion trends revealing the social and cultural connections of clothing from the precolonial times to the present day This sweeping overview of fashion and apparel covers several centuries of American history as seen through the lens of the clothes we wear from the Native American moccasin to Manolo Blahnik s contribution to stiletto heels Through four detailed volumes this work delves into what people wore in various periods in our country s past and why from hand crafted family garments in the 1600s to the rough clothing of slaves to the sophisticated textile designs of the 21st century More than 100 fashion experts and clothing historians pay tribute to the most notable garments accessories and people comprising design and fashion The four volumes contain more than 800 alphabetical entries with each volume representing a different era Content includes fascinating information such as that beginning in 1619 through 1654 every man in Virginia was required to plant a number of mulberry trees to support the silk industry in England what is known about the clothing of enslaved African Americans and that there were regulations placed on clothing design during World War II The set also includes color inserts that better communicate the visual impact of clothing and fashion across eras

Jazz and Cocktails Jans B. Wager, 2017-03-21 Film noir showcased hard boiled men and dangerous femmes fatales rain slicked city streets pools of inky darkness cut by shards of light and occasionally jazz Jazz served as a shorthand for the seduction and risks of the mean streets in early film noir As working jazz musicians began to compose the scores for and appear in noir films of the 1950s black musicians found a unique

way of asserting their right to participate fully in American life Jazz and Cocktails explores the use of jazz in film noir from its early function as a signifier of danger sexuality and otherness to the complex role it plays in film scores in which jazz invites the spectator into the narrative while simultaneously transcending the film and reminding viewers of the world outside the movie theater Jans B Wager looks at the work of jazz composers such as Miles Davis Duke Ellington and Billy Strayhorn Chico Hamilton and John Lewis as she analyzes films including Sweet Smell of Success Elevator to the Gallows Anatomy of a Murder Odds Against Tomorrow and considers the neonoir American Hustle Wager demonstrates how the evolving role of jazz in film noir reflected cultural changes instigated by black social activism during and after World War II and altered Hollywood representations of race and music [The Art of the American Snapshot, 1888-1978](#) Sarah Greenough, Diane Waggoner, Sarah Kennel, Matthew S. Witkovsky, 2007 The Art of the American Snapshot examines the evolution of this most common form of photography The book shows that among the countless snapshots taken by American amateurs some works through intention or accident continue to resonate long after their intimate context and original meaning have been lost
