## Shadow Of A Unicorn:

Shadow of a Unicorn Norma Johnston, 1999-04-01      The Unicorn's Shadow Ethan Mollick, 2020-06-23 Bringing hard data to the way we think about entrepreneurial success this bold call to action draws on the latest scientific evidence to dispel the most pervasive startup myths and light a path to entrepreneurship for those eclipsed by the hype When you think of a successful entrepreneur who comes to mind Bill Gates Mark Zuckerberg Or maybe even Jesse Eisenberg the man who played Zuckerberg in The Social Network It may surprise you that most successful founders look very different from Zuckerberg or Gates In fact most startup origin stories are very different from the famous unicorns that have achieved valuations of over 1 billion from Facebook to Google to Uber In *The Unicorn's Shadow* Combating the Dangerous Myths that Hold Back Startups Founders and Investors Wharton School professor Ethan Mollick takes us to the forefront of an empirical revolution in entrepreneurship New data and better research methods have overturned the conventional wisdom behind what a successful founder looks like how they succeed and how the startup ecosystem works Among the issues he examines Which founders are most likely to succeed Where do the best startup ideas come from What's the most foolproof way of securing the funding needed to take a company to the next level Should your sales pitch really be something out of Hollywood What's the best way to grow and scale your company and create a thriving culture that won't hinder expansion Mollick argues that entrepreneurship is too important both for society and for the individuals who start companies to be eclipsed by the shadows of unicorns He shows we can democratize entrepreneurship but only by following an evidence based approach that puts to rest the false narratives that surround it      *Shadow of the Unicorn* Roy Hutton, 2001-01-01      **The Shadow Unicorn** Vicki Blum, 2000 In our world Arica is a pretty normal girl but in Bundelag she is half fairy and friend to the magical unicorns When she answers the unicorns call for help she finds that an angry young unicorn is helping the evil Raden take over the whole land and is turning all the unicorns into stone Can Arica save her friends The sequel to *Wish Upon a Unicorn* The Shadow Unicorn is Arica's second adventure in the magical realm of fairies elves trolls and unicorns With eleven gorgeous illustrations by David Bordeleau this book is sure to enchant readers who love fantasy adventures      *The Shadow of the Unicorn* Suzanne De Montigny, 2015 A loud hissing sound filled the air The unicorns looked up their eyes filled with horror Azaria a unicorn colt is intrigued when the young clairvoyant dinosaur Darius foresees a terrifying change to their world When a giant fireball smashes into the earth the unicorns struggle to survive the hurricanes and starvation that follow But nothing compares to the danger when the creatures that walk on two legs settle in the valley and their leader discovers the healing power in the unicorns horns Greedy and ruthless Ishmael will stop at nothing in his pursuit of wealth even the complete extinction of the herd Azaria must find a way to outsmart Ishmael before it's too late Publisher      *Shadow of the Unicorn* Suzanne De Montigny, 2024-05-15 Born deep in the forest far from the herd Damien is kept a dark secret by his parents until his father Samuel decides the colt must join the other foals to be initiated But the unicorns are horrified by
