**Shadows of Nagasaki** Chad R. Diehl, 2024-01-02 A critical introduction to how the Nagasaki atomic bombing has been remembered especially in contrast to that of Hiroshima In the decades following the atomic bombing of Nagasaki on August 9 1945 the city's residents processed their trauma and formed narratives of the destruction and reconstruction in ways that reflected their regional history and social makeup In doing so they created a multi layered urban identity as an atomic bombed city that differed markedly from Hiroshima's image *Shadows of Nagasaki* traces how Nagasaki's trauma history and memory of the bombing manifested through some of the city's many post atomic memoryscapes such as literature religious discourse art historical landmarks commemorative spaces and architecture In addition the book pays particular attention to how the city's history of international culture exemplified best perhaps by the region's Christian especially Catholic past informed its response to the atomic trauma and shaped its postwar urban identity Key historical actors in the volume's chapters include writers Japanese Catholic leaders atomic bombing survivors known as hibakusha municipal officials American occupation personnel peace activists artists and architects The story of how these diverse groups of people processed and participated in the discourse surrounding the legacies of Nagasaki's bombing shows how regional history culture and politics rather than national ones become the most influential factors shaping narratives of destruction and reconstruction after mass trauma In turn and especially in the case of urban destruction new identities emerge and old ones are rekindled not to serve national politics or social interests but to bolster narratives that reflect local circumstances

*From the Shadows* Robert Michael Gates,1997 The U S Intelligence Service US Russian foreign relations

*Colour'd Shadows* T. Hoagwood,K. Ledbetter,2005-02-04 This book studies the print culture of the nineteenth century as it shaped the meanings and the cultural significance of literary works by women writers Mary Robinson Felicia Hemans Elizabeth Barrett Browning Lady Blessington Lady Morgan Caroline Norton Letitia Elizabeth Landon and others Colour d Shadows explains and interprets the physical forms of their books the

economics and politics of production and reception and the cultural meanings of their literary work showing how poems literary annuals engravings commercial arrangements the practices of women editors as well as writers the politics of gender the changing means of production and women's literary relationships unfold in the medium of print and more largely the rapidly changing culture of the century

From the Shadows Robert M. Gates, 2011-12-20 Written by a former director of the CIA this is the story of America's and the agency's role in the collapse of communism in the Soviet Union and Eastern Europe As the only person to rise from entry level analyst to Director of the CIA and to serve on the White House staffs of four Presidents Robert Gates is uniquely qualified to tell the unprecedented inside story of the Cold War Drawing on his access to classified information and top level involvement in policy decisions Gates lays bare the hidden wars and operations the United States waged against communism worldwide Ever certain that the fifty year struggle with the Soviet Union was indeed a war Gates makes candid appraisals of Presidents key officials and policies of the period Among his disclosures are how Carter laid the foundations for Reagan's covert wars against the Soviets CIA predictions of a conservative coup against Gorbachev and the collapse of the Soviet Union CIA and KGB black operations against each other the secret relationship between Pope John Paul II and the Soviets and three secret CIA KGB summits *From the Shadows* is a classic memoir on the career of a CIA officer at the center of power during a time when the threat of global annihilation informed America's every move

Light and Shadows Walter Brandmüller, 2009-09-03 The Crusades the Spanish Inquisition the Reformation and the Renaissance popes conjure in the imagination a corrupt Roman Catholic clergy hungry for wealth and power In this insightful well researched work the Vatican's chief historian Fr Walter Brandmüller takes a thoughtful and understanding look at these and other important chapters in Church history Without denying or flinching at the human capacity for folly failure and evil Brandmüller moves beyond the caricatures and legends that often substitute for real history to reveal a Church both human and divine fulfilling its mission in every time and place His goal is not to whitewash any of these past events or issues but rather to illuminate them and bring to them a more in depth comprehensive historical understanding on the basis of their causes circumstances and effects Now let us take into consideration Church history from the theological viewpoint highlighting another important aspect Its essential duty in fact turns out to be the complex mission to investigate and clarify that process of reception and transmission of parables and of paradoxes through which was substantiated in the course of the ages the Church's raison d'être Indeed it is beyond a doubt that the Church can draw inspiration for her choices by drawing on her centuries old treasury of experience and memory Pope Benedict XVI Address to the members of the Pontifical Committee for Historical Sciences March 7 2008

*Romantic Shades and Shadows* Susan J. Wolfson, 2018-06-15 Haunting's consequences for the literary imagination Reading is a weirdly phantasmic trade animating words to revive absent voices rehearsing the past fantasizing a future In *Romantic Shades and Shadows* Susan J Wolfson explores spectral language formations and sensations defining an apparitional poetics in the finely grained textures of writing and their effects on

present reading Framed by an introductory chapter on writing and apparition and an afterword on haunted reading the book includes chapters of sustained revelatory close attention to the particular often peculiar literary imaginations of William Wordsworth William Hazlitt Percy Bysshe Shelley Lord Byron W B Yeats and John Keats Wolfson also explores the work of Samuel Taylor Coleridge a self confessed Ghost Theorist Mary Shelley and other writers of the Long Romantic era canonical as well as less familiar All are encountered in freshly pointed ways on an arc of investigation that builds with generative force Romantic Shades and Shadows is written with a lucidity wit and accessibility that will appeal to general readers and with a critical sophistication and scholarly expertise that will engage advanced students critics and professional peers     **A**
