Gear,2019-06-25 The fourth novel in the Cahokian story cycle *Star Path* is an evocative tale about America's greatest pre-Columbian city by New York Times bestselling authors W Michael and Kathleen O Neal Gear. How do you say no to a god? Cahokia recovers from a year of chaos following a near civil war and the god incarnate Morning Star has declared that his human sister Night Shadow Star and her slave Fire Cat must make a dangerous journey to far off Cofitachequi. For an old threat has arisen on the other side of the great eastern mountains their brother Walking Smoke, a madman who is convinced that he is the true deity destined to rule Cahokia. Night Shadow Star is also ruled by the Underworld Lord Piasa but this power dangles a chance of happiness in front of Night Shadow Star and Fire Cat if they succeed with his agenda they might become nameless, clanless and worthless. And thus free. But the treacherous Tennessee River that they must travel holds its own perils. And at the end of the journey Walking Smoke prepares to spring his trap. *Star Path*, the fourth book in the *Gears People of Cahokia* series, takes the reader out of the great city of Cahokia and into a land of rivers, forests, tribes and exiled colonies, providing us with a rare look into the mystical underpinnings of Native American culture and the founding of Mississippian civilization. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

While Styles is in the Underworld exploring, he comes across some interesting people and finds himself in danger. What will this turn of events do to Star and Asher? Who will be the one to fall apart? Who will be the one to save Styles? Change is back in the air and everyone is pointing to Styles. **Shadow on the Stars** Marcus, Robert B,1977 **Tai Ahoms and the Stars**,2018-05-31 Studies on Southeast Asia 10 The ancient but not completely forgotten language of Ahom, part of a culture that once dominated the Brahmaputra Valley in India, has been marked by a lack of competent critical and scholarly study. The present authors aim to correct this in their work; they include a useful introduction to the state of Ahom studies and about linguistic problems and possibilities. The three primary texts studied are presented in their Ahom characters in transliteration and in translation into Thai and English and are the subjects of both literary and historical interpretation. In the final section, the scholar J C Eade presents an essay entitled *Astronomy in the Texts*. Is there any Coherence? The relevant pages from the three original manuscripts that gave rise to the established texts are reproduced here as well. **The Dark Star** Robert William Chambers,1917 *Ethnographies of Reason* Eric Livingston,2017-05-15 Written by one of the most eminent scholars in the field, *Ethnographies of Reason* is a unique book in terms of the studies it presents, the perspective it develops and the research techniques it illustrates. Using concrete case study materials throughout, Eric Livingston offers a fundamentally different ethnographic approach to the study of skill and reasoning. At the same time, he addresses a much neglected topic in the literature, illustrating practical techniques of ethnomethodological research and showing how such studies are actually conducted. The book is a major contribution to
