Shadow Prince:

Shadow Prince Kyra Dune, 2018-06-27 Ever since Clayden Kiel looked into the Seeing Pond and was shown a stirring of shadows he has known that one day he must make a journey to the Watchtower Now his god has bid him go and go he must though he is loathe to leave the castle Clayden is well aware this trip could cost him his life sacrifice he s willing to make for the god he serves But when he angers one of the dark gods he may have to pay with more than his life He may lose the one **The Shadow Queen** Bertrice Small,2012-09-01 Mourn me but briefly Then find your destiny thing he holds most dear Lara my love my life Now let me go With those words the spirit of Magnus Hauk Dominus of Terah departs his body leaving the fate of his nation to his wife the half faerie Lara While Lara s son Prince Taj is well loved by the people of Terah he is too young to rule so Lara must obey Magnus s dying command and govern in his stead Yet some in Terah still believe that a female must never wear the crown and Lara and her children will face old enemies who are not finished with their schemes for revenge But one hope remains Lara has a powerful ally in Prince Kaliq of the Shadows though never was there a more The Shadow Prince Jan Zimlich, 2002 Instead of being honored as the prince of the Median seductive friend or foe Empire Adrik was sacrificed at birth to his father s lust for power becoming the property of the demon Malkaval and raised in the ways of sorcery Now Adrik is destined to enter the Shadow Realm to trade places with his master and be damned for eternity However Adrik soon meets a beautiful Arizanti priestess who sparks in him the desire for freedom Fortune in the Shadow Zone Shane Berryhill, 2008-10-28 At the end of their freshman year Chance Fortune and the Outlaws saved the universe Though he lacks a superpower fifteen year old Chance used his natural athleticism and quick wits to form his team into an effective fighting force The Outlaws have learned to trust and rely upon one another As the bonds of their friendship strengthen Chance finds it more difficult than ever to conceal his true identity When an apparent teleportation malfunction strands the team in the Shadow Zone the Outlaws are put to the test once more Teeming with supervillains exiled by the Brotherhood of Heroes the Shadow Zone is a land of nightmares brought to life And when Psy Chick Gothika Iron Maiden and Private Justice are kidnapped by the mysterious Shadowmen Chance knows that he must set aside his doubts in order to save them At the Publisher's request this title is being sold without Digital Rights Management Chronicles of the Shadow Prince Robert Osborn, 2018-08-17 Chronicles of the Shadow Prince The Software DRM applied Fabric of Time Every thousand years a force unknown to man selects a new living being tasked to travel from star system to star system planet to planet The man selected having no say in the matter only knowing he is the new God Warrior and chosen one and his life is no longer his own for the next thousand years With the exception of only a few planets Prince Mathew is the entity humans and in some cases non humans pray for deliverance Their prayers are heard and passed on to Control the controller who determines where the prince will go next Though many do cry out for help the Prince cannot always deliver them from the evil of others Sometimes he gets to those in time Sometimes unfortunately he is too late In

many cases when all seems lost and they have little or no hope of being saved many will cry out for the Shadow Prince While Prince Mathew and the Shadow Prince are one and the same the outcome can be drastically different Prince Mathew is known as the savior The Shadow Prince is better known as the destroyer Even those in the animal world fear him knowing full well he is the bringer of life and death rendering justice as he sees fit Having the power to destroy entire civilizations or planets though he has never had to do that A tear in the fabric of time has occurred in a faraway galaxy It has created an opening between two galaxies Normally these things repair themselves but for whatever reason this one has remained open A race within that galaxy known as the Kragens has found it and is exploiting it by cleansing any and every planet they have found Already billions have died at the hands of the Kragens Prince Mathews assignment To stop the Kragens Force them to recall their ships and reenter their own galaxy or destroy them down to the last man and ship Then find a way to close the tear between the two galaxies The Kragens have completely spoiled their planets turning them into giant waste sites Their leaders convincing their citizens it s the fault of others and thus paying the way for their approval to overthrow and take what is not theirs Their scientists using genetic manipulation have created a killing machine known as a Kragdog The Kragdog is a cross between a turtle and a dog They are a fearless killing and eating machine and can and will kill anything and everything they find They are responsible for the elimination of humans and animal life on almost every planet they have come across Their shell armor protects them from most standard projectile weapons and they have few weaknesses aside from being too heavy to swim The Shadow Prince a creation of God was once a very powerful man but in order to fight the Kragens and their war machine he must submit to becoming something more A procedure called the change will turn him into a superhuman An increase in his personal strengths and powers with the ability to survive the voids of space and the many weapons that could come to be aligned against him He will gain an increase in his personal strengths and powers but will lose the ability to feel those much loved sensual touches by his companion and mate The men will still be able to father children but the women will lose the ability to birth them leaving only the alternative of adoption for them Many will join with Prince Mathew to fight this new threat to their galaxies and their way of life Not all will survive the battles Neddy & Eve Dr John Davis, 2018-05-23 Dr John Davis Has written other books about sport rugby league however in this case he has produced a lighthearted animal book to amuse and inspire good morality in humans Aria: An Enemies to Lovers Fae Romance Kenzie Skye, Enjoy this spicy fae series starter by romantasy author Kenzie Skye A Fae Princess who refuses to break A Shadow Prince who refuses to let her go When light and darkness collide who will surrender first An Enemies to Lovers Fae Romance Aria the youngest daughter of the Fae Queen has spent her life hidden away her voice too powerful too dangerous But when she is captured by Kael the ruthless Shadow Prince she becomes his prisoner in the Dark Court Kael wants to break her He wants to own her And Aria She should hate him except when he touches her she burns for more But surrendering to desire means unleashing a power that could destroy them both Can Aria escape Kael s wicked grasp or will
