Shadow Of Saganami:

The Shadow of Saganami David Weber, 2004-11-01 STUDENTS OF HONOR The Star Kingdom of Manticore is once again at war with the Republic of Haven after a stunning sneak attack The graduating class from Saganami Island the Royal Manticoran Navy's academy are going straight from the classroom to the blazing reality of all out war Except for the midshipmen assigned to the heavy cruiser HMS Hexapuma that is They're being assigned to the Talbott Cluster an out of the way backwater far from the battle front The most they can look forward to is the capture of the occasional pirate cruiser and the boring duty of supporting the Cluster's peaceful integration with the Star Kingdom at the freely expressed will of eighty percent of the Cluster's citizens With a captain who may have seen too much of war and a station commander who isn't precisely noted for his brilliant and insightful command style it isn't exactly what the students of Honor Harrington the Salamander expected But things aren't as simple or tranquil as they appear The pirates they encounter aren't what they seem and the peaceful integration they expected turns into something very different A powerful alliance of corrupt Solarian League bureaucrats and ruthless interstellar corporations is determined to prevent the Cluster's annexation by the Star Kingdom by any means necessary Pirates terrorists genetic slavers smuggled weapons long standing personal hatreds and a vicious alliance of corporate greed bureaucratic arrogance and a corrupt local star nation with a powerful fleet are all coming together and only Hexapuma her war weary captain and Honor Harrington's students stand in the path They have only one thing to support and guide them the tradition of Saganami The tradition that sometimes a Queen's officer's duty is to face impossible odds and die fighting At the publisher's request this title is sold without DRM Digital Rights Management The Shadow of Saganami David Weber, 2004-10-26 A peaceful integration of the Cluster with the Star Kingdom turns violent when corrupt Solarian League bureaucrats attempt to prevent the annexation with only Honor Harrington's newly graduated midshipmen in their way **Shadow of Victory** David Weber, 2016-11-01 The Mesan Alignment is revealed and for Honor Harrington and the Manticoran Star Kingdom this means war Unintended Consequences Sometimes things don't work out exactly as planned The Mesan Alignment has a plan one it's been working on for centuries A plan to remake the galaxy and genetically improve the human race its way Until recently things have gone pretty much as scheduled but then the Alignment hit a minor bump in the road called the Star Empire of Manticore So the Alignment engineered a war between the Solarian League the biggest and most formidable interstellar power in human history To help push things along the Alignment launched a devastating sneak attack which destroyed the Royal Manticoran Navy's industrial infrastructure And in order to undercut Manticore's galaxy wide reputation as a star nation of its word it launched Operation Janus a false flag covert operation to encourage rebellions it knows will fail by promising Manticoran support The twin purposes are to harden Solarian determination to destroy the Star Empire once and for all and to devastate the Star Empire's reputation with the rest of the galaxy But even the best laid plans can have unintended consequences and one of those consequences in this case

At the publisher's request this title is sold without DRM Digital Rights Management. Shadow of Saganami sequel and the latest entry in David Weber's astoundingly adventurous phenomenally popular and multiply USA Today and New York Times best selling Honor Harrington saga. Following in the best tradition of C. S. Forester, Patrick O'Brian and Robert A. Heinlein. These hugely entertaining and clever adventures are the very epitome of space opera. Publishers Weekly: Weber's descriptions of space combat remain magnificent. Science Fiction Weekly: **Friends Indeed** David Weber, Jane Lindskold, 2025-03-04. A NEW NOVEL FEATURING STEPHANIE HARRINGTON IN HONORVERSE PREQUEL SERIES THE TROUBLE WITH TREECATS. Stephanie Harrington didn't discover treecats; they were indigenous to the planet Sphinx, a colony of the tiny Star Kingdom of Manticore. But at age ten she was the first human to bond with one. Now almost 17 she is the species' greatest champion. To the rest of the human galaxy, if they are known at all, they are recognized as tool-using socially organized fuzzy little creatures with no known method of communication who also happen to be fierce hunters. But are they sapient? Because if they are that would have all sorts of repercussions for the families who have settled on Sphinx: the Harringtons not the least. There will be winners and there will be losers. And Stephanie is there to make sure the treecats don't lose out. But Stephanie, the treecats and Sphinx itself may be caught up in an even greater conspiracy than the one to help the fighting cats survive one generation in the making. At the publisher's request this title is sold without DRM Digital Rights Management. Praise for A New Clan: the story flows smoothly; the already remarkably established world holds wide appeal; plenty of fast-paced drama and trauma. All fans of this crossover YA series will appreciate the ongoing bonds between the humans and treecats. Library Journal: Praise for Fire Season: I loved it. A thrilling edge of the seat read. I couldn't put it down. Tamora Pierce, author of New York Times best-selling Beka Cooper series. Praise for series debut novel A Beautiful Friendship: A stellar introduction to a new YA science fiction series set in the Honorverse of Weber's popular adult novels. It's rare to find teen science fiction that strays beyond popular dystopian fare. The environmental messages, human-animal friendship, humor, action, and inventive technology will make this series starter an easy hit with teen SF readers. Booklist: Praise for David Weber and the Honor Harrington series: Everything you could want in a heroine; plenty of action. Science Fiction Age: Brilliant. Brilliant. Brilliant. Anne McCaffrey: Compelling combat combined with engaging characters for a great space opera adventure. Locus: Weber combines realistic, engaging characters with intelligent technological projection. Fans of this venerable space opera will rejoice. Publishers Weekly: Of Sex and Faerie: Further Essays on Genre Fiction John Lennard, 2010-01-01. Taking up where the author's book Of Modern Dragons 2007 left off, these essays continue Lennard's investigation of the praxis of serial reading and the best genre fiction of recent decades, including work by Bill James, Walter Mosley, Lois McMaster Bujold, and Ursula K. Le Guin. There are groundbreaking studies of contemporary paranormal romance and of Hornblower's transition to space, while the final essay deals with the phenomenon

time travel temporal knots and more than a dozen doomed universes which must inevitably die if the temporal storm front rushing towards the distant future isn't stopped. He has to be lying, of course. Or completely insane. But what if he's not a madman after all? What if he's actually telling the truth? That possibility is the most terrifying thing of all. Because if he is, the false memories aren't false after all, and that other world is just as real as the one Schröder has always known. And if that's true, Benjamin Schröder is about to become the greatest mass murderer in human history because he has to choose. Whether he acts or refuses to act, Benjamin Schröder is the one man who will decide which universe lives and which dies along with every star system, every galaxy, and every single human being in it. Including the woman he's discovered he loves more than life itself.

COME FOR THE GAMES. STAY FOR THE MURDER. A mystery in the Gordian Division universe. *The Weltall Tournament*'s professional VR games were supposed to be a symbol of cooperation between SysGov and its militaristic neighbor the Admin. But that was before star Admin player Elly Sako received a death threat written in blood next to a copy of her own severed head. The Admin's Department of Temporal Investigation swiftly seizes control of the crime scene, and the tournament transforms into a flashpoint of charged politics and conflicting jurisdictions. SysPol Detective Isaac Cho and DTI Special Agent Susan Cantrell, partners in the officer exchange program, are sent in to take charge of the investigation and bring the situation under control.

But solving this mystery won't be easy and the pair struggles to determine who is telling the truth. A jilted relationship between players soon explodes into signs of a far-reaching conspiracy and the two detectives find themselves racing against time before the tournament ends. Because the killer will be the only one who wins should they fail. At the publisher's request, this title is sold without DRM (Digital Rights Management). Book four in the nationally best-selling Manticore Ascendant series, set in the world of David Weber's multiple New York Times best-selling Honorverse series. Yesterday the Star Kingdom of Manticore was a small, unimportant interstellar backwater. A quiet little star nation only recently recovered from the devastating blow of the Plague Years. More affluent than some, perhaps, but with little to attract trade or interstellar commerce, it had little need for a navy and even less interest in paying for one. But Manticore has now become a target. The Star Kingdom isn't certain who is attacking it or why or what its mysterious foe can possibly want, but Queen Elizabeth I

knows she has to find out And she knows that whatever some of her subjects think Manticore does need a navy And it needs allies friends like the dynamic Republic of Haven and the Andermani Empire It needs their trade and to learn from their more experienced and powerful navies It is the job of officers like Travis Long and his wife Lisa to acquire that experience Of utterly inexperienced diplomats like Travis s brother Gavin Earl Winterfall to build those alliances They have been sent to the powerful Andermani Empire to do just that for the Imperial Navy is one of the most potent and experienced fleets in the galaxy But the Andermani have problems of their own Their Emperor s death is the trigger for insurrection and now that powerful and experienced navy is locked in civil war The Manticoran visitors find themselves squarely in the path of the storm and before Travis Lisa and Gavin can accomplish anything else they first have to survive At the publisher s request this title is sold without DRM Digital Rights Management About A Call to Arms The plotting is as solid as ever with smaller scenes building to an explosive action packed crescendo and the authors strike a nice balance between technical details of space flight and the human cost of war Publishers Weekly Praise for prequel A Call to Duty This exciting book marks the first collaboration of two powerhouses fans of both writers should be quite pleased with the result Like Robert A Heinlein and Orson Scott Card Weber and Zahn are telling a story about a teenage character but writing for readers of all ages Booklist A new series set in the universe of Weber s popular heroine Honor Harrington gets off to a solid start Cowriters Zahn and Weber do an excellent job alluding to events known to longtime fans T his astronautical adventure is filled with intrigue and political drama Publishers Weekly About the Honor Harrington series Weber combines realistic engaging characters with intelligent technological projection and a deep understanding of military bureaucracy in this long awaited Honor Harrington novel Fans of this venerable space opera will rejoice to see Honor back in action Publishers Weekly everything you could want in a heroine Excellent plenty of action Science Fiction Age Brilliant Brilliant Brilliant Anne McCaffrey Compelling combat combined with engaging characters for a great space opera adventure Locus Weber combines realistic engaging characters with intelligent technological projection Fans of this venerable space opera will rejoice Publishers Weekly About Timothy Zahn Zahn keeps the story moving at a breakneck pace maintaining excitement Publishers Weekly Y ou can count on Timothy Zahn for three things clean sparse prose good pacing and great action scenes The first book in the Cobra War series hits all those marks in admirable style and makes for a quick entertaining sci fi novel Blogcritics Conqueror s Heritage is another finely wrought space adventure with social political and emotional complications all of which Zahn treats with his usual skill Booklist Zahn paints every detail in Angelmass with gleamy realism scientific dialogue that streams with starship hardware and military trooper talk immensely appealing Kirkus Review

The Thermopylae Protocol David Weber, Jacob Holo, 2024-06-04 NEW NOVEL IN THE BEST SELLING GORDIAN DIVISION SERIES FROM NYT BEST SELLING AUTHOR DAVID WEBER AND JACOB HOLO After an industrial ship carrying advanced self replicating machines explodes on its way to Mercury analysis of the wreckage reveals it to be forty years too old Raibert Kaminski the Gordian Division s top agent and

his crew on the TransTemporal Vehicle Kleio soon discover the ship was transported to an uncharted universe one with temporarily accelerated time Forty years passed for the ship's industrial machines while everyone else experienced only a few short days Raibert is certain a powerful weapon of some nature has been built out in the unexplored reaches of the multiverse but where and by whom remains unknown The search is on and the Gordian Division musters its fleet of time machines at Providence a massive transdimensional station under construction They call upon their allies from the militaristic Admin for aid in their search but before plans can be formalized the leader of the Admin's Department of Temporal Investigation is murdered while visiting Providence and the joint operation is thrown into chaos Accusations fly and tensions mount between the two organizations Detectives Isaac Cho and Susan Cantrell both fast becoming experts in transdimensional crime are dispatched to Providence But the clock is ticking for the detectives and Raibert's crew A vast powerful conspiracy has shuddered into motion and the two teams may be all that stand between it and destruction on a universal scale

[The Janus File](#) David Weber, Jacob Holo, 2022-10-04 The fates of universes aren't the only things time travel can impact Sometimes the effect is a lot more mundane and closer to home And when that happens it's up to the cops of Themis Division to make time turn out right It was supposed to be a routine trip for the members of the Gordian Division both human and AI fly out to Saturn inspect the construction of their latest time machines then fly back But when the division's top scientist and chief engineer are killed in the same freak accident suspicions of foul play run deep Detective Isaac Cho is sent in to investigate but he has more on his mind than just a new case His superiors have saddled him with an exchange officer from the neighboring Admin Special Agent Susan Cantrell whose notion of proper law enforcement involves blowing up criminals first and skipping questions entirely Despite his objections Cho is stuck with an untested partner on a case that increasingly reeks of murder and conspiracy The unlikely pair must work together to unravel this mystery and soon they discover their unique combination of skills might just provide the edge they need But nothing is ever simple where the Gordian Division is involved Not even time itself At the publisher's request this title is sold without DRM Digital Rights Management About prequel The Gordian Protocol Tom Clancy-esque exposition of technical details absurd humor and bloody action Echoes of Robert Heinlein lots of exploding temporal spaceships and bodies action packed Booklist A fun and thrilling standalone from Weber and Holo Time travel enthusiasts will enjoy the moral dilemmas nonstop action and crisp writing Publishers Weekly
