## Shadow Players:

**Shadowplayers** James Nice, 2025-10-07 Definitive and comprehensive this is the actual story of Factory Records Peter Saville In 1978 a Factory for Sale sign gave Alan Erasmus and Tony Wilson a name for their fledgling Manchester club night Though they couldn't have known it at the time this was the launch of one of the most significant musical and cultural legacies of the late twentieth century The club's electrifying live scene soon translated to vinyl and Factory Records went on to become the most innovative and celebrated record label of the next thirty years Always breaking new musical ground Factory introduced the listening public to bands such as Joy Division whose *Unknown Pleasures* was the label's first album release New Order Durutti Column and Happy Mondays Propelled onwards by the inspirational cultural entrepreneur Tony Wilson Factory always sought new ways to energise the popular consciousness such as the infamous Hacienda nightclub which enjoyed a chequered 15 year history after opening in 1982 Now fully revised and expanded with a new chapter *Shadowplayers* is the most complete authoritative and thoroughly researched account of how a group of provincial anarchists and entrepreneurs saw off bankers journalists and gun toting gangsters to create the most influential record label of modern times Based on both archive and contemporary sources the book tells the full story of Factory's heroic struggles its complex web of inventive idiosyncratic and tragic personalities and ultimately the acclaimed and much loved music it produced

techniques that need people contorting themselves however wonderfully to form shapes but rather normal acting prowess together and usual props of mainstream theatre with the new back lighting technologies The result is plays which are realistic and yet overlain with the imaginative fantasies that figure theatre can bring in a fallow area lying between mime and conventional stage plays a rediscovered form of a modern staging that crosses between live and shadow effect whether in workshopping for all ages and group size or for professional productions Shadow plays comprise the theatre landscape for live actors re skilled to jump from behind the screen one dimensional acting to front of the screen three dimensional acting at any moment of the play They allow a new and exciting way of presenting the combination of the real and the surreal in ways that offer broadened audience and student experiences under the master of storytelling of a shadow teller together with the master of pacing of a mobile light spotter
