Shadow Shaia:

The Shadow Shaia Alexis A. Gilliland, 1990-05-01 Wizenbeak had done well for a minor wizard. He had won the war and now his chosen Shaia ruled as Regent for the young prince Dervian. He should have been able to relax and gloat a bit. But unfortunately the woman on the throne wasn't the real Shaia at all. The body of the true Shaia, the Witch Queen, had died after magicking her essence into her daughter, the child Princess Marjia. The woman who ruled was only a double chosen by Wizenbeak, possessing no magical abilities. There was no peace. The Witchfinders were still a power and were plotting widespread murders. The land was being invaded by a neighbor kingdom. And Princess Marjia was beginning to suffer the onset of puberty. This was no time for Wizenbeak to rest on his laurels. *The Lord of the Troll Bats* Alexis A. Gilliland, 1992. Wizenbeak's comfortable life is gone now that he is wed to the twelve-year-old princess who holds the essence of her dead mother, Queen Shaia, and when Shaia's spirit disappears, Wizenbeak is left alone to battle the Troll Bats. Fantasy Literature for Children and Young Adults Ruth Nadelman Lynn, 2005-03-30. Bibliographic information, grade level, and annotations for nearly 7,500 fantasy books for grades 3-12 are given. The introduction discusses the history of fantasy and awards presented to fantasy titles are listed. **On Holy Ground** John Peter Sullivan, 1998. Presents in-depth conversations with five quite different but highly experienced and mature psychotherapists who bring their spirituality into their professional practice. Interviews reveal how these therapists think about the relationship of their spiritual lives to their therapeutic work and how they actually work with that understanding in clinical circumstances. Their insights anticipate and address important critiques of spirituality that come from classical psychological practice. Annotation copyrighted by Book News Inc. Concise discussions of the lives and principal works of writers of various forms of fantasy, including heroic fantasy, sword and sorcery, humorous fantasy, adult fairy tales and fables, and children's fantasies, still popular with adults. The Problem of Money Bernhard Bierlich,2007-12-01 Based on long term medical anthropological research in northern Ghana the author analyses issues of health and healing of gender and of the control and use of money in a changing rural African setting He describes the culture of medical pluralism so typical for neo colonial states and people s choices of traditional local medicine plants and sacrifices Islamic medicine charms and various written solutions and modern therapy biomedicine in particular western pharmaceuticals He concludes that the rural urban divide is a fiction that demarcations between these areas are frequently blurred linked by a postcolonial capitalist discourse of local markets regional economies and national structures which frequently emerge in local African settings but often originate in global and multinational markets
