Awakening the Truth Frequency Laura Eisenhower, 2024-01-21 If you aren't living your most authentic self you can't realize universal and personal truth If we compromise and waver in our integrity how on Earth will we successfully navigate life or our relationships We become vulnerable to distortions and imbalances that attract archonic attachments and AI signals that keep us in a lower existence of reality We have lost touch with our connection to our higher mind and intuitive abilities and its integration into our daily life The quickest way to heal is for Awakening the Truth Frequency to embody our highest self Our bodies thrive in this energy not the distortions or programs And now more than ever before we live in times when our energies are supported by spiritual forces like never before We must be humble enough to allow this alignment and let go of the ego attachments about what other people think and not be afraid to admit where we have been misled Claiming our truth eases our journey Into the Unified Field

The Souls' Awakening Rudolf Steiner, 1995 Rudolf Steiner said of his mystery dramas written between 1910 and 1913 that they contain the whole essence of Anthroposophy and that if through some unlikely chance only these dramas were to survive the essential content of Anthroposophy would nevertheless be preserved Steiner's dramas powerfully portray the complex processes of reincarnation and karma In them we are led to inhabit the living landscape of the human soul and spirit where suprasensory beings weave destinies Here we find a connection with the spiritual reality of human life itself by following the dramatic interplay of the joy and sorrow struggle and striving of a group of individuals attempting to apply spiritual knowledge to their practical lives and relationships To read watch or act in these plays is an initiation experience In The Souls Awakening Steiner's fourth mystery drama an enlightened entrepreneur appoints a scientist a historian and an artist to use their spiritual perceptions to transform his business into one that serves spiritual as well as practical needs A long standing colleague objects and a series of conflicts and crises develops As the plot unfolds we follow the characters on a journey that moves from business meetings through various states of consciousness into worlds known before birth and previous lives in Egypt This classic translation by Ruth and Hans Pusch was revised for this volume by Ruth Pusch Included is Hans Pusch's Thoughts on the Seal in which he discusses the Rosicrucian meaning of the seal represented on the cover This
