*Born to Run* Stephen Kenson, 2005 Earth 2063 Long dormant magical forces have reawakened and the creatures of mankind's legends and nightmares have come out of hiding Megacorporations act as the new world superpowers and the dregs of society fight for their own power Sliding through the cracks in between are shadowrunners underworld professionals who will do anything for a profit and anything it takes to get the job done Kellan Colt has come to Seattle to make a name for herself But her first run proves that in her line of work there's no such thing as a sure thing and that in her world there is only one law survival **Shadowrun Legends: Born to Run** Stephen Kenson, 2018-10-24 NEW TO THE DARK STREETS Megacorporations are the new world superpowers ruling from the safety of vast arcologies But outside the corporate enclaves the dregs of society are at war Organized crime gangs and other more nefarious organizations struggle to carve out their own small empires Sliding through the cracks in the between are shadowrunners professionals of the underworld who will do anything for a profit and anything it takes to get the job done AND READY TO RUN THE SHADOWS Kellan Colt has come to Seattle to make a name for herself in the shadows But her first run proves that in her line of work there's no such thing as a sure thing and that in her world there is only one law survival Forthcoming Books Rose Arny, 1997 *Shadowrun: Adversary* Russell Zimmerman, 2020-01-13 A New Shadowrun Short Story Most Awakened folks in the Sixth World have Mentor Spirits to help them navigate the vast often confusing world of magic Many times the mage chooses a spirit that compliments them and can help them out in tough situations And then there's Jimmy Kincaid Kincaid's never been one for taking the easy road and to say his life is complicated is like saying water's wet And when a simple trace job leads to a nest of Humanis thugs that have captured a metahuman hostage well the voice of his Mentor Spirit isn't whispering peace and goodwill in the P I's ear Because Kincaid's Mentor Spirit is Adversary and Adversary just wants to see the world burn Will Jimmy resist his mentor's siren call of death and destruction or give in to those darker instincts and just level the entire place **Shadowrun Denver 1** Catalyst, 2014-10-22 The Sixth World is many things including a stunning series of case studies on the mechanisms of hate There are some true experts out there people who know that just walking up to someone or something you don't like and throwing a solid punch is satisfying but nowhere near as satisfying as causing destruction that runs deep and lasts forever The Aurora Warrens of Denver hold a dark secret as some people trusted to help

its residents are instead giving full rein to their darkest impulses Shadowrunners typically are not heroes riding in to save the day but in this case the work they're being offered gives them a chance to dig into these secrets perhaps fix some of them and maybe even bring a few people to justice however they happen to define justice With dark secrets double crosses and plenty of nuyen flying around Serrated Edge gives players plenty of chaos to keep up with while launching them into a series of adventures that will shake up the city of spies and maybe bring about a better future Or curse it to worse Serrated Edge is an adventure for use with Shadowrun Fifth Edition

**Shadowrun: The Johnson Run** Kai O'Connell, 2019-07-15 AGE IS MORE THAN JUST A NUMBER Keandra's been around for a long time outliving most Shadowrunners twice over With a legacy of runs under her belt she has the solid reputation and wisdom that comes with surviving the shadows longer than most Looking for a way to cash in on her street cred Keandra comes up with a novel idea Why not set herself up as a Johnson With her rep she could take on the high paying jobs act as the in between and collect payment with no risk With her rep she could take on high paying jobs and farm them out to other capable teams minus a small cut as a finder's fee Everyone wins and no one's the wiser unless someone makes the wrong call And when a run goes south Keandra and her team must scramble to salvage more than just their reputations They are thrust into a situation which could start a new world war and have to figure out who to trust and fast but trust is hard to come by in the shadows
