for elevating forensic imaging from mere documentation to persuasive storytelling that serves justice Evidence Found David Miranda, 2015-01-05 Evidence Found An Approach to Crime Scene Investigation is not another analysis of forensic errors using an After the Fact or Lessons Learned approach but a Before the Fact guide that examines the thought processes that can lead to those mistakes Plus a few extras tips and tricks from the author s experience of over 25 years Many high profile crime scene investigations and routine ones for that matter have suffered errors that have had negative impact on the investigation result and in the courtroom Typically we examine what happened and develop a useful list of what to do and what not to do fixing the symptoms but potentially leaving ourselves open to the same error type on the next scene The reason Many crime scene mistakes are the result of systemic issues that are repeated due to a failure to include an evaluation of the decision making process including our own foundations of knowledge Through case study and logical argument this book attempts to provide a framework to recognize evaluate and alter negative decision making patterns including evaluating our own experience before they negatively impact an investigation or the overall operation of a forensic unit Enhances the base concepts of evidence search and sequential processing for error avoidance Examines the systemic areas practices of a crime scene investigation where errors can occur Includes a Evidence Matrix a crime scene evaluation tool that aids in sequential processing decisions Contains tips on overcoming common crime scene issues including night time searches Provides courtroom Testimony communicating comparison findings to a jury **Automatic Extraction of Man-Made Objects from Aerial Space Images** Armin Gruen, Olaf Kuebler, Peggy Agouris, 1995-08-28 Presents the latest theoretical and implementational research into the automatic recognition and identification of roads buildings and other artifacts from digital aerial or satellite imagery Some of the topics are inferring homogeneous regions from rich image attributes three dimensional reconstructions of urban scenes from sequences of images geometric versus texture detail tracking roads in satellite images by playing twenty questions and the combination of aerial images and maps for interpreting urban scenes The 29 papers were presented at a workshop in Zurich date not noted No subject index Annotation copyright by Book News Inc Portland OR **The Evidence of Things Not Said** Lawrie Balfour, 2018-08-06 The Evidence of Things Not Said employs the rich essays of James Baldwin to interrogate the politics of race in American democracy Lawrie Balfour advances the political discussion of Baldwin s work and regards him as a powerful political thinker whose work deserves full consideration Baldwin s essays challenge appeals to race blindness and formal but empty guarantees of equality and freedom They undermine white presumptions of racial innocence and simultaneously refute theories of persecution that define African Americans solely as innocent victims Unsettling fixed categories Baldwin s essays construct a theory of race consciousness that captures the effects of racial identity in everyday experience Balfour persuasively reads Baldwin s work alongside that of W E B Du Bois to accentuate how double consciousness works differently on either side of the color line She contends that the allusiveness and incompleteness of Baldwin s essays sustains the tension between general claims about American racial

history and the singularity of individual experiences The Evidence of Things Not Said establishes Baldwin s contributions to democratic theory and situates him as an indispensable voice in contemporary debates about racial injustice **Law Of**

Evidence In Nigeria Practice And Procedure Simon Uchenna Ortuanya,2025-03-21 The Evidence Act 2011 repealed the old Evidence Act In doing so the new Act introduced some changes in the Law of Evidence Ever since there has been an urgent need for scholastic guidance in the proper approach to the interpretation of the provisions embodying those changes This is particularly so as the courts have been issuing contradictory interpretations of these provisions In his new book Law of Evidence in Nigeria Practice and Procedure the veteran author and urbane man of letters Professor Simon Uchenna Ortuanya masterfully plumbs the Intention of the draft s persons of the Act The result is a five hundred and forty page treatise of redoubtable erudition The succinct titles of the different chapters are quite captivating just as the logical presentations of ideas are very illuminating The book bears the imprints of the erudite author s versatility in the Law of Evidence a course he has taught admirably in two public universities years Judges and Justices Senior Advocates of Nigeria Law Professors and sundry litigation lawyers should be truly enamoured of the enormous efforts here Upon my intimate perusal of this excellent book I am under obligation to commend it to all Justices of our appellate courts Judges of disparate categories law teachers and their students and to one and all Chima Centus Nweze Ph D JSC Life Bencher FCI Arb Justices Chambers Supreme Court Abuja Nigeria **Evidence-Based Respiratory Medicine** Peter G.
