Shadows Of War British Womens Poetry Of The Second World War:

The Cambridge Companion to Twentieth-Century British and Irish Women's Poetry Jane Dowson, 2011-03-17 This Companion provides new ways of reading a wide range of influential women's poetry. Leading international scholars offer insights on a century of writers drawing out the special function of poetry and the poets' use of language whether it is concerned with the relationship between verbal and visual art, experimental poetics, war landscape, history, cultural identity, or confessional lyrics. Collectively, the chapters cover well-established and less familiar poets from Edith Sitwell and Mina Loy through Stevie Smith, Sylvia Plath, and Elizabeth Jennings to Anne Stevenson, Eavan Boland, and Jo Shapcott. They also include poets at the forefront of poetry trends such as Liz Lochhead, Jackie Kay, Patience Agbabi, Caroline Bergvall, Medbh McGuckian, and Carol Ann Duffy. With a chronology and guide to further reading, this book is aimed at students and poetry enthusiasts wanting to deepen their knowledge of some of the finest modern poets. *A History of Twentieth-Century British Women's Poetry* Jane Dowson, Alice Entwistle, 2005-05-19 Publisher Description *Modern Irish and Scottish Poetry* Peter Mackay, Edna Longley, Fran Brearton, 2011-04-14 The comparative study of the literatures of Ireland and Scotland has emerged as a distinct and buoyant field in recent years. This collection of new essays offers the first sustained comparison of modern Irish and Scottish poetry, featuring close readings of texts within broad historical and political contextualisation. Playing on influences, crossovers, connections, disconnections, and differences, the affinities and opposites traced in this book cross both Irish and Scottish poetry in many directions. Contributors include major scholars of the new archipelagic approach as well as leading Irish and Scottish poets providing important insights into current creative practice. Poets discussed include W. B. Yeats, Hugh MacDiarmid, Sorley MacLean, Louis MacNeice, Edwin Morgan, Douglas Dunn, Seamus Heaney, Ian Hamilton Finlay, Michael Longley, Medbh McGuckian, Nuala ni Dhomhnaill, Don Paterson, and Kathleen Jamie. This book is a major contribution to our understanding of poetry from these islands in the twentieth and twenty-first centuries. **Wartime Fashion** Geraldine Howell, 2013-08-01 A comprehensive analysis of Second World War dress practice and appearance, this study places dress at the forefront of a complex series of cultural chain reactions. As lives were changed by the conditions of war, dress continued to reflect important visual narratives regarding class, gender, and taste that would impact significantly on public consciousness of equality, fairness, and morale. Using new archival and primary source evidence, *Wartime Fashion* clarifies how and why clothing was rationed and repositions style and design during the war in relation to past expectations and ideas about clothes and fabrics. The book explores the impact of war on the dress and appearance of civilian women of all classes in the context of changing social and economic infrastructures created by the national emergency. The varied research elements combined in this book form a rounded and definitive account of the dress history of British women during the Second World War. This is essential reading for anyone with an active interest in the field, whether personal or professional. *Women in the War Zone* Anne Powell, 2001-08-26 In our collective memory, the First World War is dominated

by men The sailors soldiers airmen and politicians about whom histories are written were male and the first half of the twentieth century was still a time when a woman's place was thought to be in the home It was not until the Second World War that women would start to play a major role both in the armed forces and in the factories and the fields Yet there were some women who were able to contribute to the war effort between 1914 and 1918 mostly as doctors and nurses In *Women in the War Zone* Anne Powell has selected extracts from first hand accounts of the experiences of those female medical personnel who served abroad during the First World War Covering both the Western and the Eastern Fronts from Petrograd to Basra and from Antwerp to the Dardanelles they include nursing casualties from the Battle of Ypres a young doctor put in charge of a remote hospital in Serbia and a nurse who survived a torpedo attack albeit with serious injuries Filled with stories of bravery and kindness it is a book that honours the often unsung contribution made by the female doctors and nurses who helped to alleviate some of the suffering of the First World War **Rebel by vocation** Niall Carson, 2016-03-02

This is a comprehensive study of one of the most influential literary groups in post independence Ireland the writers and editors of the literary magazine *The Bell* Sean O Faolain and the generation of writers that matured in the shadows of WB Yeats and James Joyce dominated the literary landscape in Ireland in the build up to and during the Second World War This is their story as told through the history of one journal *The Bell* Working with previously unpublished archival material this study looks to illuminate the relationships disputes and loves of the contributors to Ireland's most important little magazine under the guiding influence of its founding editor Sean O Faolain In doing so it sheds new light on O Faolain's early influences and his attitude towards the Church and the state in Ireland **Reading London in Wartime** William Cederwell, 2017-11-06

Reading London in Wartime Blitz the People and Propaganda in 1940s Literature presents an expansive variety of writers and genres including non fiction and film approaches to build a comprehensive social picture of the atmosphere during wartime London From blitz and austerity to the nagging insistency of propaganda this volume examines the representation of London in wartime and early post war literature through each writer's unique perspective on the pressures of 1940s city life Exploring the use of London imagery this book considers how literature redirects attention to individual subjective experience at a time of enforced co operation uniformity and community Unlike government information films and news broadcasts which often used London to prop up prevailing clichés and stereotypes and encouraged patriotic support for the war literature had the freedom to express more recalcitrant truths London writing of the 1940s was not a literature of opposition or dissent but in offering more nuanced depictions of the period it was a counterweight to propaganda and the general war temperament In writing the city becomes a more complex place no longer the easy symbol of defiance and stoicism of the shared sacrifice of ration book and war work **Women's Lives and Clothes in WW2** Lucy Adlington, 2019-10-30

The Long Shadow: The Legacies of the Great War in the Twentieth Century David Reynolds,2014-05-12 Winner of the 2014 PEN Hessell Tiltman Prize for the Best Work of History If you only read one book about the First World War in this anniversary year read *The Long Shadow* David Reynolds writes superbly and his analysis is compelling and original Anne Chisolm Chair of the PEN Hessell Tiltman Prize Committee and Chair of the Royal Society of Literature One of the most violent conflicts in the history of civilization World War I has been strangely forgotten in American culture It has become a ghostly war fought in a haze of memory often seen merely as a distant preamble to World War II In *The Long Shadow* critically acclaimed historian David Reynolds seeks to broaden our vision by assessing the impact of the Great War across the twentieth century He shows how events in that turbulent century particularly World War II the Cold War and the collapse of Communism shaped and reshaped attitudes to 1914 18 By exploring big themes such as democracy and empire nationalism and capitalism as well as art and poetry *The Long Shadow* is

stunningly broad in its historical perspective Reynolds throws light on the vast expanse of the last century and explains why 1914-18 is a conflict that America is still struggling to comprehend Forging connections between people places and ideas The Long Shadow ventures across the traditional subcultures of historical scholarship to offer a rich and layered examination not only of politics diplomacy and security but also of economics art and literature The result is a magisterial reinterpretation of the place of the Great War in modern history *Irish Writers and the Thirties* Katrina Goldstone, 2020-12-29 This original study focusing on four Irish writers Leslie Daiken Charles Donnelly Ewart Milne and Michael Sayers retrieves a hitherto neglected episode of Thirties literary history which highlights the local and global aspects of Popular Front cultural movements From interwar London to the Spanish Civil War and the USSR the book examines the lives and work of Irish writers through their writings their witness texts and their political activism The relationships of these writers to George Orwell Samuel Beckett T S Eliot Nancy Cunard William Carlos Williams and other figures of cultural significance within the interwar period sheds new light on the internationalist aspects of a Leftist cultural history The book also explores how Irish literary women on the Left defied marginalization The impetus of the book is not merely to perform an act of literary salvage but to find new ways of reimagining what might be said to constitute Irish literature mid twentieth century and to illustrate how Irish writers played a role in a transforming political moment of the twentieth century It will be of interest to scholars and students of cultural history and literature Irish diaspora studies Jewish studies and the social and literary history of the Thirties *La casa de las orquídeas* Phyllis Shand Allfrey, 2025-04-17 A lo largo de su vida Phyllis Shand Allfrey 1908-1986 se dedicó con notable pasión a la literatura el feminismo y el activismo político Como escritora recibió un importante reconocimiento por su poesía y sus relatos pero muy especialmente por su primera novela que esta edición ofrece traducida al castellano por primera vez La casa de las orquídeas 1954 representa un clásico temprano de la literatura del Caribe A lo largo de sus páginas fuertemente marcadas por la vida de la propia Allfrey asistimos a un hermoso retrato de la sociedad y la naturaleza en Dominica una lejana y pequeña isla de las Antillas Menores que no obstante constituye un microcosmos del colonialismo europeo y un paradigma del Caribe como mar de encuentros y fusiones Imbuida de nostalgia la novela nos presenta a tres hermanas de una familia empobrecida por la decadencia de la plantocracia que regresan a Dominica tras haber hecho sus vidas en el exterior Allí se reencuentran con Lally su antigua niñera que las guiará en la intrahistoria de sus propias raíces y las invita a resituarse con respecto a sus orígenes y sus distintas formas de vivir **George Orwell** Alan Sandison, 1986-02-20 First published in 1974 under the title *The Last Man in Europe* Alan Sandison's book took an unusual view of Orwell as a writer of paradox wherein the Protestant urge to question struggles with a longing to assent The argument of the book was described in the *Economist* as brilliantly sustained and magisterially cumulative Ten years after first publication this new edition of the book which significantly extends the argument is still a challenge to conventional thinking about Orwell showing him to be remarkably dependent upon the Protestant Puritan tradition which he is no longer

able to accept
