Shadows In The Dawn:

Shadows at Dawn Karl Jacoby, 2009-11-24 A masterful reconstruction of one of the worst Indian massacres in American history In April 1871 a group of Americans Mexicans and Tohono O odham Indians surrounded an Apache village at dawn and murdered nearly 150 men women and children in their sleep In the past century the attack which came to be known as the Camp Grant Massacre has largely faded from memory Now drawing on oral histories contemporary newspaper reports and the participants own accounts prize winning author Karl Jacoby brings this perplexing incident and tumultuous era to life to paint a sweeping panorama of the American Southwest a world far more complex diverse and morally ambiguous than the traditional portrayals of the Old West **Drifting Flowers of the Sea and Other Poems** Sadakichi Hartmann, 1904

Canzoniere Petrarch, 1999-05-22 Mark Musa in editing and translating Petrarch s Canzoniere has performed a wonderful service to the English speaking reader Here in one volume are included the poet s own selection of the best lyric verse he wrote throughout his life accompanied by brief but useful notes Chronicles As well as skillful and fluent verse renderings of the 366 lyrics that make up this milestone in the development of Western poetic tradition Musa offers copious and up to date annotation to each poem along with a substantial sensitive and intelligent introduction that is genuinely helpful for the first time reader and thought provoking for Petrarch scholars and other medievalists Choice The 366 poems of Petrarch s Canzoniere represent one of the most influential works in Western literature Varied in form style and subject matter these scattered rhymes contains metaphors and conceits that have been absorbed into the literature and language of love In this bilingual edition Mark Musa provides verse translations annotations and an introduction co authored with Barbara Manfredi *Stonecavern* Laura Woodward, 2011-03-11 In the silent aftermath he heard a gurgle of water He was dusty and dirty from the rock explosion and the splashing of the water beckoned him Water emerged from an opening high overhead and gently cascaded down the rocks to form a pool He leaned over and splashed the water over his face letting its refreshing coolness linger A few drops fell from his hands and formed rings in the water Sliding his hands down his face he peered into the clear pool Whats this At first he thought his eyes played a trick on him and then he looked again Gradually the entire valley below came into focus as if he possessed the sight of a dragon He could clearly see every farm down to the trees planted in the orchards He stepped back and his eyes went to the golden throne elevated above the pool of water One could sit upon the throne and look into the water surveying the land below He walked over to admire its workmanship Gently his long thin fingers touched the markings etched into its massive arms the same mysterious symbols that covered Stonecaverns walls The embedded gems sparkled in the fire light invitingly He stepped onto the stone platform and sat down It fit him perfectly Rubbing his hands over the arm rests he marveled at how seamlessly his gems blended into the gold Master craftsmanship or dragon power Either way he felt an unequalled power of transformation radiate from the magnificent piece Could he use this power to transform his thoughts to his evil intent The Masque of Shadows and Other Poems
