Through Dark Days and White Nights Naomi F. Collins, 2012-01-06 This memoir of an American woman's life in Moscow traces the social and cultural evolution of Russia from the era of Krushchev to the era of Putin. In the mid 1960s Naomi Collins was a graduate student at Moscow State University. As the 21st century began she was the wife of the American Ambassador to Russia. In this insightful memoir she shares her reflections and impressions of life as an American woman living in the Russian capital over the course of four decades. Rather than retracing the economic and political events of the period Collins focuses her narrative on daily life as it changed over the years. She offers fascinating anecdotal snapshots that reveal rare insight into the evolving state of the nation. This book is like a script for a documentary spanning four decades when an especially astute and literate observer watched Russia emerge from stagnation and enter a period of dramatic economic, social, and political change and on many fronts upheaval. Strobe Talbott, President of the Brookings Institution.

*Looking for Transwonderland* Noo Saro-Wiwa, 2012-09-01 A remarkable chronicle of a journey back to this West African nation after years of exile. The New York Times Book Review. Noo Saro Wiwa was brought up in England but every summer she was dragged back to visit her father in Nigeria, a country she viewed as an annoying parallel universe where she had to relinquish all her creature comforts and sense of individuality. After her father, activist Ken Saro Wiwa, was killed there she didn't return for several years. Then she decided to come to terms with the country her father gave his life for. Traveling from the exuberant chaos of Lagos to the calm beauty of the eastern mountains, from the eccentricity of a Nigerian dog show to the decrepit kitsch of the Transwonderland Amusement Park, she explores Nigerian Christianity, delves into the country's history of slavery, examines the corrupting effect of oil, and ponders the huge success of Nollywood. She finds the country as exasperating as ever and frequently despairs at the corruption and inefficiency she encounters. But she also discovers that it is far more beautiful and varied than she had ever imagined, with its captivating thick tropical rain forest and ancient palaces and monuments, and most engagingly and entertainingly, its unforgettable people. The author allows her love-hate relationship with Nigeria to flavor this thoughtful travel journal, lending it irony, wit, and frankness. Kirkus Reviews **Days of the**

**Dragon** D. K. Caldwell, 2012-09 It was as if she was looking at them through cloudy water. Suddenly the letters came back into focus but now the words made sense. As she stood with the staff in one hand, she pointed her other hand at the writing and read: Here in stone lie the dragons waiting for their knights to return. By the blood of the knight shall the dragon be reborn. Now enter the Dragon Knight. As she finished the last word, she felt the staff in her hand rise into the air and then slam down into the stone floor with a loud bang. Then suddenly the light in the cave was gone and she felt the stone beneath her feet fall away. Assigned by their father to help clean up part of a newly discovered ancient city, sisters Erica and Elisabeth stumble into a cave above the city and accidentally awaken two great red dragons. With the dragons awake, magic returns to the earth. But what the sisters aren't prepared for is that along with magic, an ancient enemy, the Speculons, will also return to

Earth Now the only hope for Earth is to awaken the rest of the sleeping dragons hidden around the world Erica must use her newfound powers and her dragon to find and awaken each of the remaining dragons They must reopen Heaven s Gate a gateway to the magical worlds of mythical beings Only by uniting the worlds of Heaven s Gate once more can an army with enough magic be raised that has any hope of defeating the Speculons Join author D K Caldwell in the adventure of a lifetime as you discover the Days of the Dragons *Supreme Court Appellate Division-First Department* , **Shafts of Light** Robert McManners,Gillian Wales,2002 **Supreme Court** ,1908 **Reignite** Jack Graham,2021-03-30 Even pastors struggle to keep going sometimes When Dr Jack Graham had a major surgery ten years ago he knew it would take a physical toll but to his surprise he also found himself wiped out emotionally and spiritually He wrestled with depression and a lack of spiritual energy and he struggled to find joy and growth in his walk with Christ Maybe you ve been through a crisis of your own Or maybe the busyness of life has overwhelmed you or your faith has grown stale over the years and you ve just been going through the motions So how do you get back to being spiritually energized In Reignite Dr Graham shares the powerful lessons he learned during his own dark night of the soul He shares biblical insights on how to keep your relationship with God from growing cold how to focus on what truly matters and how to make the most of your years on earth creating a legacy that advances the kingdom of God For those who follow Jesus God has promised a triumphant life and an eternity of joyous celebration But we also need to embrace this joy and victory right here and right now Let Reignite help you recapture what you ve been missing **The Sibley Journal of Engineering** ,1925 **Specifications and Drawings of Patents Issued from the United States Patent Office** United States.
