# Shailer Mathews Lives Of Jesus

**Hannah Schell, Daniel J. Ott**

## **Shailer Mathews Lives Of Jesus:**

**Shailer Mathews's Lives of Jesus** William D. Lindsey,1997-11-20 Reappraises the work of Shailer Mathews a leading but long neglected theologian of the social gospel movement whose work prefigures contemporary liberation theologies

Shailer Mathews' Lives of Jesus William D. Lindsey,1996-01-01      **Shailer Mathews' Lives of Jesus** William Dennis Lindsey,1987      **Shailer Mathews's Lives of Jesus** William D. Lindsey,1997-01-01 Reappraises the work of Shailer Mathews a leading but long neglected theologian of the social gospel movement whose work prefigures contemporary liberation theologies

**The Making of American Liberal Theology** Gary J. Dorrien,2003-01-01 In this first of three volumes Dorrien identifies the indigenous roots of American liberal theology and demonstrates a wider longer running tradition than has been thought The tradition took shape in the nineteenth century motivated by a desire to map a modernist third way between orthodoxy and rationalistic deism atheism It is defined by its openness to modern intellectual inquiry its commitment to the authority of individual reason and experience its conception of Christianity as an ethical way of life and its commitment to make Christianity credible and socially relevant to modern people Dorrien takes a narrative approach and provides a biographical reading of important religious thinkers of the time including William E Channing Ralph Waldo Emerson Horace Bushnell Henry Ward Beecher Elizabeth Cady Stanton and Charles Briggs Dorrien notes that although liberal theology moved into elite academic institutions its conceptual foundations were laid in the pulpit rather than the classroom

**The Historical Jesus in the Twentieth Century** Walter P. Weaver,1999-07-01 Written in a clear and engaging style Weaver s story chronicles not only the progress of Jesus research but also the cultural drifts and sociological phenomena that relate to the varying pictures of Jesus that scholarship has produced      **Christian Thought in America**

Hannah Schell,Daniel J. Ott,2015 This book offers a short accessible overview of the history of Christian thought in America from the Puritans and other colonials to the beginning of the twenty first century Each chapter concludes with a short bibliography of recent scholarship for further reading      **The Search for Social Salvation** Gary Scott Smith,2000-01-01 In their studies of social Christianity scholars of American religion have devoted critical attention to a group of theologically liberal pastors primarily in the Northeast Gary Scott Smith attempts to paint a more complete picture of the movement Smith s ambitious and thorough study amply demonstrates how social Christianity which included blacks women Southerners and Westerners worked to solve industrial political and urban problems reduce racial discrimination increase the status of women curb drunkenness and prostitution strengthen the family upgrade public schools and raise the quality of public health In his analysis of the available scholarship and case studies of individuals organizations and campaigns central to the movement Smith makes a convincing case that social Christianity was the most widespread long lasting and influential religious social reform movement in American history

**History of New Testament Research, Vol. 2** William Baird,2002-11-01 Stressing the historical and theological significance of pivotal figures and movements William Baird guides the reader

through intriguing developments and critical interpretation of the New Testament from its beginnings in Deism through the watershed of the Tübingen school. Familiar figures appear in a new light and important previously forgotten stages of the journey emerge. Baird gives attention to the biographical and cultural setting of persons and approaches affording both beginning student and seasoned scholar an authoritative account that is useful for orientation as well as research. **The Life of Jesus** Herbert Wright Gates, 1911 *Encyclopedia of Protestantism* Hans J. Hillerbrand, 2004-08-02 For more information including sample entries full contents listing and more visit the Encyclopedia of Protestantism web site. Routledge is proud to announce the publication of a new major reference work from world renowned scholar Hans J. Hillerbrand. The Encyclopedia of Protestantism is the definitive reference to the history and beliefs that continue to exert a profound influence on Western thought. Featuring entries written by an international team of specialists and scholars, the encyclopedia traces the course of Protestantism from its beginnings prior to 1517 when Martin Luther nailed his 95 Theses to the door of Wittenberg Cathedral to the vital and diverse international scene of the present day. *Theology in a Global Context* Hans Schwarz, 2005-11 In this book Hans Schwarz leads us into the web of Christian theology's recent past from Kant and Schleiermacher to Mbiti and Zizoulas, pointing out all the theologians of the last two hundred years who have had a major impact beyond their own context. With an eye to the blending of theology and biography, Schwarz draws the lines of connection between theologians, their history, and wider theological movements. Publisher **Jesus, Symbol of God** Roger Haight, 1999 Already hailed as a landmark in contemporary Catholic theology, *Jesus, Symbol of God* surveys scriptural data, the key moments in the development of doctrine, and the distinctive horizons of our contemporary world to develop a comprehensive and systematic christology for our time. The task of christology is to explain what it means to say that Jesus is the bearer and revealer of God in the Christian community, the decisive mediation of God's salvation, or in other words, the symbol of God. **American Religious Leaders** Timothy L. Hall, 2014-05-14 Profiles the lives and achievements of more than 270 spiritual leaders arranged alphabetically who made major contributions to the history of American religious life. **Notes for Readings on the Life of Jesus** Edward Caldwell Moore, 1906 **Practices, Politics, and Performance** Michael G. Cartwright, 2006-06-01 Drawing on the hermeneutical reflections of John Howard Yoder, Stanley Hauerwas, and Mikhail Bakhtin, Cartwright challenges the way twentieth-century American Protestants have engaged the problem of the use of scripture in Christian ethics and issues a summons for a new debate oriented by a communal approach to hermeneutics. By analyzing particular ecclesial practices that stand within living traditions of Christianity, the politics of scriptural interpretation can be identified along with the criteria for what a good performance of scripture should be. This approach to the use of scripture in Christian ethics is displayed in historical discussions of two Christian practices through which scripture is read ecclesially: the Eastern Orthodox liturgical celebration of the Eucharist and the Anabaptist practice of binding and loosing, or the rule of Christ. When American Protestants consider performances of scripture such as these

alongside one another within more ecumenical contexts they begin to confront the ecclesiological problem with their attempts to use the Bible in Christian ethics the relative absence of constitutive ecclesial practices in American Protestant congregations that can provide moral orientation for their interpretations of Christian scripture

**Baptist Theology** James Leo Garrett, 2009 This title offers a comprehensive analysis of Baptist theology Embracing in one common trajectory the major Baptist confessions of faith the major Baptist theologians and the principal Baptist theological movements and controversies this book spans four centuries of Baptist doctrinal history Acknowledging first the pre 1609 roots patristic medieval and Reformational of Baptist theology it examines the Arminian versus Calvinist issues that were first expressed by the General Baptists and the Particular Baptists that dominated English and American Baptist theology during the seventeenth and eighteenth centuries from Helwys and Smyth and from Bunyan and Kiffin to Gill Fuller Backus and Boyce and that were quickened by the awakenings and the missionary movement Concurrently there were the Baptist defense of the Baptist distinctives vis a vis the pedobaptist world and the unfolding of a strong Baptist confessional tradition Then during the nineteenth and twentieth centuries the liberal versus evangelical issues became dominant with Hovey Strong Rauschenbusch and Henry in the North and Mullins Conner Hobbs and Criswell in the South even as a distinctive Baptist Landmarkism developed the discipline of biblical theology was practiced and a structured ecumenism was pursued Missiology both impacted Baptist theology and took it to all the continents where it became increasingly indigenous Conscious that Baptists belong to the free churches and to the believers churches a new generation of Baptist theologians at the advent of the twenty first century appears somewhat more Calvinist than Arminian and decidedly more evangelical than liberal

[Index to periodical literature on Christ and the Gospels](#) Bruce M. Metzger, 2019-07-01 [Index to Periodical Literature on Christ and the Gospels](#) Mills, 2019-11-26 This publication updates Bruce Metzger s monumental Index to the present In addition to all the periodicals indexed by Metzger where these are still active this volume updates the list with a number of newer periodicals which had not yet begun publication when Metzger compiled his work Metzger s original citations 10 000 are complemented by an additional 4 800 new references using the same basic arrangement employed by Metzger

**Dictionary Of Modern American Philosophers** John R. Shook, 2005-05-15 The Dictionary of Modern American Philosophers includes both academic and non academic philosophers and a large number of female and minority thinkers whose work has been neglected It includes those intellectuals involved in the development of psychology pedagogy sociology anthropology education theology political science and several other fields before these disciplines came to be considered distinct from philosophy in the late nineteenth century Each entry contains a short biography of the writer an exposition and analysis of his or her doctrines and ideas a bibliography of writings and suggestions for further reading While all the major post Civil War philosophers are present the most valuable feature of this dictionary is its coverage of a huge range of less well known writers including hundreds of presently obscure thinkers In many cases the Dictionary of Modern

American Philosophers offers the first scholarly treatment of the life and work of certain writers. This book will be an indispensable reference work for scholars working on almost any aspect of modern American thought.
