Shakas Children:

History Hunters 3: Chandragupta Vikramaditya and the Shaka Conspiracy Archana Garodia Gupta, Shruti Garodia, 2023-07-25 Whom would YOU ask for help if you knew of a terrible plot against an emperor 1 600 years ago The gutsy foursome Zoya Noor Ansh and Rohan and their enthusiastic elephant friend Elfu are having second thoughts about their blasts in the past after their nerve wracking run in with the Mughals Yet the next opportunity offered by the mysterious billionaire who lives next door to their Goa resort proves irresistible Off they go again this time to the fabulous and flamboyant age of the Gupta king Chandragupta Vikramaditya A horse mad teenage princess an absent minded mathematician and a face painting spree are all very well but what about the super precious thing in their keeping that no one must know about And the dark and dangerous secret that they know about the Shakas The four friends have to save others and themselves too Do they have what it takes Join the feisty and funny History Hunters as they brave the eye popping era of the Guptas in yet another incredible adventure PLUS 18 PAGE FACT TRACKER Must know information about the Gupta period **The Last Matriarchs of Hastinapura - Fall of the Kurus - Book II** Kamesh Ramakrishna, In the Bronze Age world of 2000 B C E Hastinapura is a male governed trading outpost in the midst of many smaller matriarchies This novel is the untold story of Hastinapura narrated through the voices of three women whose desires hopes and actions drive the dramatic events of the ancient city and introduces the reader to the possibly unfamiliar world of matriarchal power and matrilineal inheritance Shantanu the Kuru ruler of Hastinapura has given his word to his consort Satyawati that her descendants will rule as Matriarchs But decades pass without a daughter or grand daughter being born Instead sons inherit extending the customs of a caravan to create a patrilineal tradition I have no daughter becomes Satyawati s lifelong lament and that of Kunti Matriarch of Bhojpur as her city collapses It also echoes in the heart of the blindfolded Gaandhaari who endures countless agonizing childbirths hoping for a daughter But when the girl child finally comes Gaandhaari s own position hangs in the balance of destiny The Last Matriarchs of Hastinapura Book II of the Fall of the Kurus series follows the lives of Satyawati Gaandhaari and Kunti as they manoeuvre to ensure that their descendants rule the burgeoning Hastinapura Empire When compromise fails partition seems the only solution Hastinapura for the Kauravas and Indraprastha for the Pandavas But like other partitions before and since this too provides no permanent solution **Children of the Motherland** Annie Besant, 1906 *A Children's History of India in 100 Objects* Devika Cariapa, 2023-10-30 A stone age hand axe an enchantingly sculpted yakshi the Koh i Noor diamond and even an HMT watch can these things have anything in common Yes they can Each of these has been conceived by the human mind and shaped by the human hand Each object has a voice not just of rulers and conquerors but also of the common people Most significant of all each carries stories of how communities and identities were built on the Indian subcontinent Spanning the entirety of Indian history from prehistoric to contemporary times the 100 objects and artefacts chronicled in this book have shaped our present Learn about the people

who created these amazing objects their way of life and culture and how these objects influenced our world Embellished with vibrant illustrations this engaging book will fire the imagination of readers and make them look at our incredible material remains in a new light while helping them understand our diverse pasts Children's History Of India SHEILA

DHAR,2017-06-01 The book is a brief introduction to Indian History for the children written in simple language The aim of the book is primarily to generate interest in the child on the study of history than to present an array of facts To achieve this objective emphasis has been given on the narration and no dates have been used although a sequence of events has been maintained through out the book *Around The World With Mark Twain* Robert Cooper,2012-04-12 On July 14 1895 Samuel

Langhorne Clemens fifty nine years old and deeply in debt boarded a night train to Cleveland launching a performance tour designed to alleviate his financial woes and more importantly resuscitate his alter ego Mark Twain The journey took him to Fiji Australia New Zealand India and South Africa and led to the resurrection of Twain as a celebrity Equal parts travelogue social history and biography *Around the World with Mark Twain* paints a decidedly different portrait of Clemens a more tragic darker figure who faced financial ruin and personal loss throughout his life *Around the World with Mark Twain* delights while deepening our understanding of this magnificent personality **The Making of Bhishma - Fall of The**

Eldredge,Norman Etherington,Jan-Bart Gewald,Simon Hall,Guy Hartley,Margaret Kinsman,Andrew Manson,John Omer-Cooper,Neil Parsons,Jeff Peires,Christopher Saunders,Alan Webster,John Wright,Dan Wylie,1995-01-01 The idea that the period of social turbulence in the nineteenth century was a consequence of the emergence of the powerful Zulu kingdom under Shaka has been written about extensively as a central episode of southern African history Considerable dynamic debate has focused on the idea that this period the mfecane left much of the interior depopulated thereby justifying white occupation One view is that the time of troubles owed more to the Delagoa Bay Slave trade and the demands of the labour hungry Cape colonists than to Shaka s empire building But is there sufficient evidence to support the argument *The Mfecane Aftermath* investigates the very nature of historical debate and examines the uncertain foundations of much of the previous historiography **The Last Kaurava a Novel** Kamesh Ramakrishna,2016-10-03 I am Amba The voice rang in Devavrat s

ear like a forgotten melody Ancient memories from lost time veered in and out of focus The memories came with flooding questions How could it be Amba What was she doing here and now I must see her He tried to turn The stub of an arrow sticking under his left shoulder made him pause with every move however slight Devavrat Bhishma is dying wounded He tells Yudhishtira the story of how the Kurus established Hastinapur as a trading outpost on the frontier of Panchnad The river Sarasvati dried up creating a crisis for Panchnad as cities were abandoned and immigrants poured into Hastinapur looking for safety and support The Kurus under Devavrat address the crisis with social policy The success comes at a cost to Devavrat s personal life Devavrat s narration becomes part of the epic poem of the Great War The story survives memorised

as oral history by the Kavi Sangha the guild of bards A thousand years later the story is written down by Vyaasa the head of the Kavi Sangha with help from many others No Indian ever hears the epics for the first time It requires great courage therefore to re imagine the Great War as the author has done He captures the reader s attention from the start with a sense of theatre making the characters tangible and even more complex than in the original The book conveys the high tension of the immediate S Anandalakshmy Ph D President Bala Mandir Research Foundation Former Director Lady Irwin College Delhi

Social Analysis ,1990 Childhood in Animation Jane Batkin,2024-08-01 Childhood in Animation Navigating a Secret World explores how children are viewed in animated cinema and television and examines the screen spaces that they occupy The image of the child is often a site of conflict one that has been captured preserved and recollected on screen but what do these representations tell us about the animated child and how do they compare to their real counterparts Is childhood simply a metaphor for innocence or something far more complex that encompasses agency performance and othering Childhood in Animation focuses on key screen characters such as DJ Norman Lilo the Lost Boys Marji Parvana Bluey Kirikou Robyn Mebh Cartman and Bart amongst others to see how they are represented within worlds of fantasy separation horror politics and satire as well as viewing childhood itself through a philosophical sociological and global lens Ultimately this book navigates the rabbit hole of the elsewhere to reveal the secret space of childhood where anything and everything is possible This volume will be of great interest to scholars and students of animation childhood studies film and television studies and psychology and sociology **Autonomy** Aparna Rao,1998 The question of individuality in non European and especially South Asian societies is a controversial one Studies in anthropology and psychology undertaken in recent years on concepts of person and self approach the problem by concentrating on ideologies the question of practice remains largely neglected This is the first study to examine the individual dividual debate empirically from the emic perspective of decision making observed over a two year period among the Bakkarwal Himalayan Muslim pastoralists Of particular significance is the fact that the author bases her approach on the life cycle and on gender and status differences **The World of Nomads** Shyam Singh Shashi,2006 **Drum** ,1995 **Krishna's Lineage** ,2019 Forming the final part of the Sanskrit Mahabharata the Harivamsha s main business is to supply narrative details about the great god Vishnu s avatar Krishna Vasudeva who has been a comparatively minor character in the previous parts of the Mahabharata despite having taken centre stage in the Bhagavad Gita Krishna is born in Mathura some 85 miles south of present day Delhi As an infant he is smuggled out of Mathura for his own safety He and his brother Baladeva grow up among cowherds in the forest where between them they perform many miraculous deeds and kill many dangerous demons before returning to Mathura where they kill the evil King Kamsa and his cronies Thereafter Krishna is the hero and unofficial leader of his people the Yadava Vrishnis When Mathura is besieged by enemies Krishna leads his people to abandon the town and migrate west founding the dazzling new city of Dvaraka by the sea Krishna then repeatedly travels away from that base repeatedly to perform heroic deeds benefitting those

in need including his own people his more immediate family and the gods After narrating the stories of Krishna the Harivamsha ends by finishing the story of Janamejaya with which the Mahabharata began The Harivamsha is a powerhouse of Hindu mythology and a classic of world literature It begins by contextualising Vishnu s appearance as Krishna in several ways in the process presenting a variety of cosmogonical cosmological genealogical mythological theological and karmalogical materials It then narrates Krishna s birth and adventures in detail Presenting a wide variety of exciting stories in a poetic register that makes extensive use of natural imagery the Harivamsha is a neglected literary gem and an ideal starting point for readers new to Indian literature
