The Days of My Life Mrs. Oliphant (Margaret),1857 **Sebastian** Lawrence Durrell,2012-06-12 With Europe reduced to rubble after the Second World War Constance must seek knowledge beyond the modern in order to heal her patients and herself In Durrell s fourth installment of the Avignon Quintet Constance returns to Europe after the end of World War II A Freudian analyst she treats the shell shocked the battle fatigued and other despairing survivors in Geneva She also treats the traumatized autistic son of her former lover Sebastian a situation that draws her back into the mysterious cult that the sensitive and charismatic Sebastian led in the deserts of Egypt In *Sebastian* Constance s pursuit of wisdom in the midst of Europe s blackest night is rendered as a gorgeous and heartbreaking quest for truth in a world full of illusion **Atlantic Monthly** ,1890 [The Rana Look](#) Sandra Brown,2003-12-02 The author of forty five New York Times bestselling novels Sandra Brown is one of the romance world s most acclaimed writers *Rendezvous* magazine has praised her as a novelist whose larger than life heroes and heroines make you believe all the warm wonderful wild things in life Now in the classic romantic tradition her fans have come to love here is another sexy and extraordinary tale of passion the story of a woman who gives up fame and fortune and discovers true love in the last place she expected to find it *The Rana Look* The modeling world called it the Rana Look the exotic one of a kind allure that only supermodel Rana Ramsey could deliver With her green eyes olive skin and wildly lustrous auburn hair Rana posed for ad campaigns and strutted down runways all over the world

naming her own price to sell everything from cosmetics to women's lingerie. But all of that suddenly ended one day when she looked her demanding mother manager in the eye and said Enough. That was the day Rana packed her things and left New York and modeling forever. Settling in Miss Ruby's boardinghouse in Galveston, Texas, Rana finds success with her own business and cultivates a new look to go with her new life. Now her beautiful eyes are shielded behind tinted glasses, her famous figure hidden under shapeless dresses, her trademark wild hair falling straight down her back. Rana knows she'll never attract a man this way and that's just fine with her, that is, until Ruby's nephew, football star Trent Gambelin, moves in to nurse his injured shoulder. Ruggedly handsome, charming, and undeniably charismatic, Trent is the kind of man that Rana finds irresistible, the kind of man she is certain would never look twice at a woman as ordinary as the new Rana. But to her surprise, Trent seems unfazed by her Plain Jane look. For he is drawn to a beauty that Rana can't hide. He is determined to learn the mystery behind the elusive, reclusive boarder with the secret past. To do so, he proposes an unusual pact: they will only be friends, nothing more. As the days pass, Rana and Trent are drawn together in a sensual idyll, unlike anything either of them has ever known. But the outside world cannot be kept at bay forever. And Rana fears that when Trent learns the truth about her past, he'll feel betrayed and deceived. Even worse, he'll never be able to see her as she truly is. Then an unexpected tragedy strikes, and the stakes seem higher than ever. Now they must look deep into each other's heart to determine if their relationship is just an impossibly erotic dream or a dream of love come true.

[A Dilemma for the Pilot's Girl](#) Fenella J Miller, 2024-03-30

The next instalment in the gripping Pilot's Girl series from bestselling author Fenella J Miller. March 1941. Recently married Barbara should now be enjoying her life as a newlywed, but she is plagued by a secret that she must keep hidden if she wants to keep the family she loves. But no one can keep a secret forever. Barbara knows that if her new husband Alex, a Spitfire pilot, discovers her secret, he would surely reject her and their marriage would be over. But when a tragedy almost rips the family apart and then Alex is posted abroad, Barbara has to learn to live without him sooner than she thought. Will she ever find a happy resolution to the dilemma she faces? A gripping and authentic tale of courage, duty, and bravery, perfect for fans of Lizzie Lane, Patricia McBride, and Rosie Clarke. Praise for Fenella J Miller: Yet again, Fenella Miller has thrilled me with another of her historical stories. She brings alive a variety of emotions and weaves in facts relating to the era, all of which keep me reading into the small hours. Glynis Peters. Curl up in a chair with Fenella J Miller's characters and lose yourself in another time and another place. Lizzie Lane. Engaging characters and setting which whisks you back to the home front of wartime Britain. A fabulous series. Jean Fullerton. Loved every word of this book. Fenella is a great author and leaves her books with you wanting more. I can't wait to read the next one. Reader Review. Please note: This book was originally published as Barbara's War: The Resolution.

The Days of My Life: An Autobiography Mrs. Oliphant, 2019-12-10

In *The Days of My Life: An Autobiography*, Mrs. Oliphant crafts a poignant and introspective narrative that navigates the intricacies of her personal and professional life as a Victorian-era woman writer. The prose is characterized by its elegant style and rich

detail reflecting a keen observation of social conventions gender roles and the literary landscape of her time Through her recollections Oliphant offers readers a rare glimpse into the challenges and triumphs she faced from her struggles as a widow to her rise as a respected author The book transcends mere autobiography it serves as a valuable historical document that illuminates the lives of women in 19th century England and their contributions to literature Born in 1828 Margaret Oliphant was a prolific novelist and biographer whose experiences as a female writer in a male dominated field profoundly influenced her work Following the premature death of her husband she was thrust into the role of primary provider for her family which sharpened her resolve to succeed in a literary career Oliphant s extensive body of work including over a dozen novels and numerous articles reflects her acute social insight and awareness traits that permeate her autobiographical narrative I wholeheartedly recommend *The Days of My Life* to readers interested in women s history literature and autobiography It invites contemplation of the struggles faced by women writers while providing a richly woven tapestry of personal history and societal reflection Oliphant s candidness and lyrical prose not only enrich our understanding of her life but also provoke critical questions about the nature of authorship and identity *Lucy: or, A great mistake, by the author of 'King Cophetua'*.
