Shaker, a Collector's Source Don Raycraft, Carol Raycraft, 1985 **Shaker, a Collector's Source Book** Don Raycraft, Carol Raycraft, 1980 **Selling Shaker** Stephen Bowe, Peter Richmond, 2007-01-01 The simple yet striking lines of Shaker design grace much of the furniture we see in high end department stores and beautiful examples of it adorn the pages of Architectural Digest and House Beautiful How did this style evolve from its origins in a humble small religious community to the international design phenomenon it is today This illustrated study explores the emergence of the Shaker style and how it was vigorously promoted by scholars and artists into the prominence it now enjoys The heart of the Shaker style lies in the religious movement founded in the eighteenth century where Stephen Bowe and Peter Richmond begin their chronicle From there the authors chart the evolution of the style into the twentieth century particularly in the hands of design media scholars and art institutions These Shaker agents repositioned Shaker style continuously from local vernacular to high culture and then popular culture Drawing on a rich array of sources including museum catalogs contemporary design magazines and scholarly writings **Selling Shaker** illustrates in detail how the Shaker style entered the general design consciousness and how the original aesthetic was gradually diluted into a generic style for a mass audience A wholly original and fascinating study of American design and consumption **Selling Shaker** is a unique resource for collectors scholars and anyone interested in the cultural history of a design aesthetic **Cartons, Crates and Corrugated Board, Second Edition** Diana Twede, Susan E. M. Selke, Donatien-Pascal Kamdem, David Shires, 2014-12-22 New expanded second edition with key technical regulatory and marketing developments from the past 10 years in the packaging industry Covers the materials processes and design of virtually all paper and fiberboard packaging for end products displays storage and distribution New information on European and global standards selection criteria for paperboard as well as emerging sustainability initiatives Explains recent tests measurements and costs with ready to use calculations Ten years ago the first edition of **Cartons Crates and Corrugated Board** quickly became the standard reference book for wood and paper based packaging Endorsed by TAPPI and other professional societies and used as a textbook worldwide the book has now been extensively revised and updated by a team formed by the original authors and two additional authors While preserving the critical performance and design data of the previous edition this second expanded edition offers new information on the technologies tests and regulations impacting the paper and corrugated industries worldwide with a special focus on Europe and Japan New information has been added on tests and novel designs for folded cartons as well as expanded discussions of paperboard selection for specific applications emerging barrier packaging food contact and migration and the dynamics and opportunities of corrugated in distribution systems Recent developments on recycling and sustainability are also highlighted **American Heritage Society's Americana** , 1982 **Warman's Antiques and Their Prices** Edwin G. Warman, 1992 **Warman's Antiques and Their Prices** Harry L. Rinker, 1991 The nation s oldest and most respected antiques and
