Shaker Boy:

Shaker Boy Mary Lyn Ray, 1994 An inspired vision of the work devotion and song that shaped the great Shaker experiment Mary Lyn Ray's lyrical text Jeanette Winter's inspired illustrations and seven songs from Shaker collections combine to provide an enchanting book Full color **The Shakeress** Kimberley Burton Heuston, 2008 While searching for her true self and for the way to meet the needs of her personal sense of spirituality an orphaned teenaged girl joins a Shaker community in mid nineteenth century New England and learns about a new religion called Mormonism **The Shaker's Guide to Good Manners** Flo Morse, Vincent Newton, 2017-02-14 The intimate guide to life as a Shaker in 19th century America Never make more free with your inferiors than you are willing they should make with you it learns them to be saucy Such sage words of advice come from Mother Ann Lee's Society of the Shakers who in 1844 published A Juvenile Guide or Manual of Good Manners Consisting of Counsels Instructions Rules of Deportment for the Young Known for their piety their economy and perhaps most famously their celibacy the Shakers knew a thing or two about etiquette and proper decorum With this incredible artifact of a bygone era you can experience what it was like to live in a rural 19th century religious community where children were taught to be careful not to talk too loud nor too much and to always have a place for every thing and keep every thing in its place **Faraway** Edmund Ironside, 2013-02-05 Earth Empire has developed incredible technology and it has taken humans half way across the galaxy Entire sentient species have been conquered their worlds and inhabitants exploited brutally Human technology and social structure has been used efficiently but not wisely A sense of malaise has gripped nearly all of the people and they yearn for something better Lost in a fog of bizarre state imposed controls supported by endless propaganda they don't know how to escape their meaningless existence They don't even know what they want At the outermost base called Faraway a small group of humans learn of some ancient writings although incomplete suggesting there is more to life Immersing themselves in the new way they start discovering thoughts like respect compassion community beauty purpose and especially love It's a tenuous beginning and there are those who will suppress the adherents of the new way A struggle begins between the two opposing ways The struggle spreads across the galaxy and even beyond from Faraway **The Granite Monthly** Henry Harrison Metcalf, John Norris McClintock, 1920 **Writings of Shaker Apostates and Anti-Shakers, 1782-1850 Vol 2** Christian Goodwillie, 2017-07-05 The Shakers are perhaps the best known of American religious communities Their ethos and organization had a practical influence on many other communities and on society as a whole This three volume collection presents writings from a broad cross section of those who opposed the Shakers and their way of life **"Writings of Shaker Apostates and Anti-Shakers, 1782-1850 Vol 2"** Christian Goodwillie, 2017-07-05 The Shakers are perhaps the best known of American religious communities Their ethos and organization had a practical influence on many other communities and on society as a whole This three volume collection presents writings from a broad cross section of those who opposed the Shakers and their way of life *The Granite Monthly*
