Queen

O Macbeth, speak no more!

Thou hast made me cruel even to my wife,

And there I see such blood and gashed open

As well we hear their cries.

Macbeth

Mayhap so be it

In the cruel realm of an immortal hell.

For I'm a corrupted, bloody and murdering lion

Over my many prey

Queen

A good to me no more

There would I'd dagger men in every ear,

To every sense Macbeth

## Shakespeare after Theory

Macbeth,

Whence is that knocking?  
How is't with me when here you  
Whan friends and kinsmen hear? HAD I  
Will all great Neptune's ocean  
Clean from my hand? No, Th'  
The multitudinous seas incarnate  
Making the green one red.

Enter Lady Macbeth

Lady,

My hands are of your colour;  
To wear a heart so white. I  
A little water clears us of this  
How easy is it then! Your up  
Black left your scarletred. It  
Gleam on your nightgown. See  
And show us to be watchers  
So poorly in your thoughts.

Macbeth,

To know my deed, 'twere like  
Water Thence with my knife

## **Shakespeare After Theory:**

*Shakespeare After Theory* David Scott Kastan, 2013-05-13 The most familiar assertion of Shakespeare scholarship is that he is our contemporary Shakespeare After Theory provocatively argues that he is not but what value he has for us must at least begin with a recognition of his distance from us

**Shakespeare After Theory** David Scott Kastan, 2013-05-13 The most familiar assertion of Shakespeare scholarship is that he is our contemporary Shakespeare After Theory provocatively argues that he is not but what value he has for us must at least begin with a recognition of his distance from us

**Criticism After Theory from Shakespeare to Virginia Woolf** Perry Meisel, 2022-05-30 The argument of this book is a simple one that criticism after theory is a single movement of thought defined by synthesis and continuity rather than by conflict and change The most influential figures in criticism since Saussure Bakhtin Derrida and Foucault are wholly consistent with Saussure's foundational *Course in General Linguistics* 1916 no matter the traditions of complaint that have followed in Saussure's wake from Bakhtin forward These complaints vitiate despite themselves and often hilariously so the misconceptions that have made cottage industries out of quarrels with Saussurean semiology that are based on notions of Saussure that are incorrect The materialist criticism dominant today is actually dependent upon on the legacy of a presumably formalist structuralism rather than a step beyond it New Historicism postcolonialism gender studies environmental criticism archive studies even shared and surface reading are like deconstruction the by products of Saussure's structuralism not its foils Saussure's sign is sensory and concrete Language and materiality are not distinct but one and the same history society the psychological subject even the environment are systems of signs material archives read and reread by futures that produce the past after the fact Without Saussure contemporary criticism would have no identifiable or effective source The book begins with chapters on Saussure and Derrida Bakhtin and Shakespeare and Freud and Foucault followed by chapters on Victorian and American fiction D H Lawrence and modern poetry Virginia Woolf and Melanie Klein and the historicist tropology of psychoanalysis It concludes with a coda in life writing on the author's epileptic disability

*Shakespeare and Contemporary Theory* Neema Parvini, 2012-09-06 In the 30 years since the publication of Stephen Greenblatt's *Renaissance Self Fashioning* overthrew traditional modes of Shakespeare criticism New Historicism and Cultural Materialism have rapidly become the dominant modes for studying and writing about the Bard This comprehensive guide introduces students to the key writers texts and ideas of contemporary Shakespeare criticism and alternatives to new historicist and cultural materialist approaches suggested by a range of dissenters including evolutionary critics historical formalists and advocates of the new aestheticism and the more politically active presentists Shakespeare and Contemporary Theory covers such topics as The key theoretical influences on new historicism including Michel Foucault and Louis Althusser The major critics from Stephen Greenblatt to Jonathan Dollimore and Alan Sinfield Dissenting views from traditional critics and contemporary theorists Chapter summaries and questions for discussion throughout encourage

students to critically engage with contemporary Shakespeare theory for themselves The book includes a Who's Who of major critics a timeline of key publications and a glossary of essential critical terms to give students and teachers easy access to essential information     **Shakespeare After Theory**, 2000     Mrs. Shakespeare's Second Marriage, Being an Examination of a Persistent Theory Appleton Morgan, 1925     *Shakespeare and the Book* David Scott Kastan, 2001-09-20 An account of Shakespeare's plays as they were transformed from scripts into books     **Shakespeare After All** Marjorie B. Garber, 2004

In *Shakespeare After All* Marjorie Garber professor of English and director of the Humanities Center at Harvard University gives us a magisterial work of criticism authoritative and engaging based on her hugely popular lecture courses at Yale and Harvard over the past thirty years Richly informed by Shakespearean scholarship of the latter half of the twentieth century this book offers passionate and revealing readings of all thirty eight of Shakespeare's plays in chronological sequence from *The Two Gentlemen of Verona* to *The Two Noble Kinsmen* With erudition lightly carried Garber illumines the overarching patterns and lush details of the plays closely attentive to what matters most in Shakespeare language theme plot and character Here are fresh meditations on plays we have come to know and love such as *Hamlet* *King Lear* *Macbeth* *Othello* *The Taming of the Shrew* *Romeo and Juliet* *The Merchant of Venice* and *The Tempest* and fruitful engagements with others not often read or produced *Henry VI* Parts 1 2 and 3 *The Merry Wives of Windsor* *King John* *Timon of Athens* *Pericles* and *Cymbeline* Garber affords us a rare chance to trace Shakespeare's stylistic development as a writer of verse and prose an artful designer of dramatic scenarios and revelations a masterly sketcher of woman and man and a keen observer of society high and low Complete with a comprehensive introduction to Shakespeare's life and times and an extensive bibliography *Shakespeare After All* is a landmark work that enlarges our understanding of the most celebrated writer of all time     *An Introduction to the Study of Shakespeare Canon* John Mackinnon Robertson, 1924     Rolfe's Shakespeare: Pericles, Prince of Tyre William Shakespeare, 1905     Shakespeare's History of Pericles, Prince of Tyre William Shakespeare, 1905

Sainte-Beuve's Critical Theory and Practice After 1849 Lander MacClintock, 1920     **Shakespeare and Textual Theory** Suzanne Gossett, 2022-02-10 There is no Shakespeare without text Yet readers often do not realize that the words in the book they hold like the dialogue they hear from the stage has been revised augmented and emended since Shakespeare's lifetime An essential resource for the history of Shakespeare on the page *Shakespeare and Textual Theory* traces the explanatory underpinnings of these changes through the centuries After providing an introduction to early modern printing practices Suzanne Gossett describes the original quartos and folios as well as the first collected editions Subsequent sections summarize the work of the New Bibliographers and the radical challenge to their technical analysis posed by poststructuralist theory which undermined the presumed stability of author and text *Shakespeare and Textual Theory* presents a balanced view of the current theoretical debates which include the nature of the surviving texts we call Shakespeare's the relationship of the author Shakespeare and of authorial intentions to any of these texts the extent and

nature of Shakespeare's collaboration with others and the best or most desirable way to present the texts in editions or performances. The book is illustrated throughout with examples showing how theoretical decisions affect the text of Shakespeare's plays and case studies of Hamlet and Pericles demonstrate how different theories complicate both text and meaning whether a play survives in one version or several. The conclusion summarizes the many ways in which beliefs about Shakespeare's texts have changed over the centuries.
