Shakespeare's Roman Trilogy Paul A. Cantor, 2017-06-28 Paul A Cantor first probed Shakespeare's Roman plays Coriolanus Julius Caesar and Antony and Cleopatra in his landmark Shakespeare's Rome 1976 With Shakespeare's Roman Trilogy he now argues that these plays form an integrated trilogy that portrays the tragedy not simply of their protagonists but of an entire political community Cantor analyzes the way Shakespeare chronicles the rise and fall of the Roman Republic and the emergence of the Roman Empire The transformation of the ancient city into a cosmopolitan empire marks the end of the era of civic virtue in antiquity but it also opens up new spiritual possibilities that Shakespeare correlates with the rise of Christianity and thus the first stirrings of the medieval and the modern worlds More broadly Cantor places Shakespeare's plays in a long tradition of philosophical speculation about Rome with special emphasis on Machiavelli and Nietzsche two

thinkers who provide important clues on how to read Shakespeare's works In a pathbreaking chapter he undertakes the first systematic comparison of Shakespeare and Nietzsche on Rome exploring their central point of contention Did Christianity corrupt the Roman Empire or was the corruption of the Empire the precondition of the rise of Christianity Bringing Shakespeare into dialogue with other major thinkers about Rome Shakespeare's Roman Trilogy reveals the true profundity of the Roman Plays *Lighting the Shakespearean Stage, 1567 - 1642* Robert B. Graves, 1999-12-08 In *Lighting the Shakespearean Stage 1567 1642* R B Graves examines the lighting of early modern English drama from both historical and aesthetic perspectives He traces the contrasting traditions of sunlit amphitheaters and candlelit hall playhouses describes the different lighting techniques and estimates the effect of these techniques both indoors and outdoors Graves discusses the importance of stage lighting in determining the dramatic effect even in cases where the manipulation of light was not under the direct control of the theater artists He devotes a chapter to the early modern lighting equipment available to English Renaissance actors and surveys theatrical lighting before the construction of permanent playhouses in London Elizabethan stage lighting he argues drew on both classical and medieval precedents **Shakespeare and Terrorism** Islam Issa, 2021-09-30 *Shakespeare and Terrorism* delves into how extremists have responded to Shakespeare whether they've attacked him or been inspired by him and investigates what the playwright and his works can tell us about the nature psychology and consequences of terror Literary critic and historian Islam Issa takes readers on a journey from Shakespeare's Stratford upon Avon and London to a variety of locations from Western Europe to the Balkans to the US from North Africa to the Persian Gulf to Central Asia and from the theatre to the digital world Considering incidents from Shakespeare's time through today including the Gunpowder Plot and 9 11 as well as pivotal figures from Hamlet and Macbeth to Hitler and Bin Laden this book brings to light new ideas about key characters events and themes both in Shakespeare's plays and the world around them A thrilling and accessible read this ground breaking book will enlighten and engage students researchers and general readers interested in Shakespeare social sciences history and the complex relationships between life and art

Onscreen Allusions to Shakespeare Alexa Alice Joubin, Victoria Bladen, 2022-05-05 Allusions to Shakespeare haunt our contemporary culture in a myriad of ways whether through brief references or sustained intertextual engagements Shakespeare's plays and motifs have been appropriated in fragmentary forms onstage and onscreen since motion pictures were invented in 1893 This collection of essays extends beyond a US UK axis to bring together an international group of scholars to explore Shakespearean appropriations in unexpected contexts in lesser known films and television shows in India Brazil Russia France Australia South Africa East Central Europe and Italy with reference to some filmed stage works
