GIELGUD
SHAKESPEARE
- HIT OR MISS?

Shakespeare Hit Or Miss

Paul Yachnin, Patricia Badir

Shakespeare Hit Or Miss:

Shakespeare John Gielgud, John Miller, 1991 Sir John Gielgud draws on his lifetime of experience in the theatre to analyze just what makes a good or bad Shakespearean performance He gives his views on how to approach the major roles and on acting in general Taking the reader behind the scenes he examines the influence of the director and producer as well as the pitfalls an actor may face in the shape of unsuitable sets and costumes **The Cambridge Companion to Shakespeare's Last Plays** Catherine M. S. Alexander, 2009-07-16 In this book leading international Shakespeare scholars consider the significant characteristics of Shakespeare's last plays and place them in their Jacobean context **Shakespeare's Songs** Alfred Harbage, William Shakespeare, 1970 The Oxford Handbook of Shakespeare's Poetry Jonathan Post, 2013-07-18 The Oxford Handbook of Shakespeare's Poetry contains thirty eight original essays written by leading Shakespeareans around the world Collectively these essays seek to return readers to a revived understanding of Shakespeare's verbal artistry in both the poems and the drama The volume understands poetry to be not just a formal category designating a particular literary genre but to be inclusive of the dramatic verse as well and of Shakespeare's influence as a poet on later generations of writers in English and beyond Focusing on a broad set of interpretive concerns the volume tackles general matters of Shakespeare's style earlier and later questions of influence from classical continental and native sources the importance of words line and rhyme to meaning the significance of songs and ballads in the drama the place of gender in the verse including the relationship of Shakespeare's poetry to the visual arts the different values attached to speaking Shakespeare in the theatre and the adaptation of Shakespearean verse as distinct from performance into other periods and languages The largest section with ten essays is devoted to the poems themselves the Sonnets plus A Lover's Complaint the narrative poems Venus and Adonis and The Rape of Lucrece and The Phoenix and the Turtle If the volume as a whole urges a renewed involvement in the complex matter of Shakespeare's poetry it does so as the individual essays testify by way of responding to critical trends and discoveries made during the last three decades Shakespeare and the Cultures of Performance Paul Yachnin, Patricia Badir, 2017-05-15 Theatrical performance suggest the contributors to this volume can be an unpredictable individual experience as well as a communal institutional or cultural event The essays collected here use the tools of theatre history in their investigation into the phenomenology of the performance experience yet they are also careful to consider the social ideological and institutional contingencies that determine the production and reception of the living spectacle Thus contributors combine a formalist interest in the affective and aesthetic dimensions of language and spectacle with an investment in the material cultures that both produced and received Shakespeare's plays Six of the chapters focus on early modern cultures of performance looking specifically at such topics as the performance of rusticity the culture of credit contract and performance the cultivation of Englishness religious ritual and mourning and memory Building upon and interrelating with the preceding essays the last three chapters deal with Shakespeare and performance culture in modernity

They focus on themes including literary and theatrical performance anxiety cultural iconicity and the performance of Shakespearean lateness This collection strives to bring better understanding to Shakespeare's imaginative investment in the relationship between theatrical production and the emotional intellectual and cultural effects of performance broadly defined in social terms

A Dictionary of Sexual Language and Imagery in Shakespearean and Stuart Literature Gordon Williams, 2001-09-13 Providing an alphabetical listing of sexual language and locution in 16th and 17th century English this book draws especially on the more immediate literary modes the theatre broadside ballads newsbooks and pamphlets The aim is to assist the reader of Shakespearean and Stuart literature to identify metaphors and elucidate meanings and more broadly to chart through illustrative quotation shifting and recurrent linguistic patterns Linguistic habit is closely bound up with the ideas and assumptions of a period and the figurative language of sexuality across this period is highly illuminating of socio cultural change as well as linguistic development Thus the entries offer as much to those concerned with social history and the history of ideas as to the reader of Shakespeare or Dryden

Shakespeare's English Keith Johnson, 2014-05-01 Shakespeare's English A Practical Linguistic Guide provides students with a solid grounding for understanding the language of Shakespeare and its place within the development of English With a prime focus on Shakespeare and his works Keith Johnson covers all aspects of his language vocabulary grammar sounds rhetorical structure etc and gives illuminating background information on the linguistic context of the Elizabethan Age As well as providing a unique introduction to the subject Johnson encourages a hands on approach guiding students through the use of activities towards an understanding of how Shakespeare's English works This book offers A unique approach to the study of Early Modern English which enables students to engage independently with the topic Clear and engagingly written explanations of linguistic concepts Plentiful examples and activities including suggestions for further work A glossary further reading suggestions and guidance to relevant websites Shakespeare's English is perfect for undergraduate students following courses that combine English language linguistics and literature or anyone with an interest in knowing more about the language with which Shakespeare worked his literary magic

Merely Players? , 1966 Shakespeare's Words Ben Crystal, David Crystal, 2004-04-01 A vital resource for scholars students and actors this book contains glosses and quotes for over 14 000 words that could be misunderstood by or are unknown to a modern audience Displayed panels look at such areas of Shakespeare's language as greetings swear words and terms of address Plot summaries are included for all Shakespeare's plays and on the facing page is a unique diagrammatic representation of the relationships within each play

Great Shakespeareans Set IV Adrian Poole, Peter Holland, 2014-09-11 Great Shakespeareans presents a systematic account of those figures who have had the greatest influence on the interpretation understanding and cultural reception of Shakespeare both nationally and internationally This major project offers an unprecedented scholarly analysis of the contribution made by the most important Shakespearean critics editors actors and directors as well as novelists poets composers and thinkers from the seventeenth to

the twentieth century An essential resource for students and scholars in Shakespeare studies The Outline of Knowledge: Shakespeare's dramas. Famous orations James Albert Richards,1924 **Shakespeare on the American Stage: From Booth and Barrett to Sothorn and Marlowe** Charles Harlen Shattuck,1976 This set of essays which surveys major developments in the winding down of nineteenth century methods of Shakespeare staging spans the decades from the 1880s to about 1920 The Epilogue describes the American celebration of the Tercentenary of Shakespeare s death John Barrymore, Shakespearean Actor Michael A. Morrison,1997-09-28 Tracing the Victorian and Edwardian antecedents of Shakespearean performance this 1997 book situates Barrymore s distinctive contribution in light of past and ensuing tradition Othello (Second Edition) (Norton Critical Editions) William Shakespeare,2017 I wanted an edition of Othello that had the necessary footnotes background material and a good selection of recent critical articles that would be accessible to students and would spark class discussions This was it Deborah Montuori Shippensburg University This Norton Critical Edition includes The First Folio text 1623 An introduction explanatory footnotes note on the text and textual notes by Edward Pechter Fifteen illustrations Giraldi Cinthio s sixteenth century story in its entirety which Shakespeare used for both the plot and many details of Othello A generous selection of interpretive responses to Othello from its origins to the present day including new to the Second Edition those by Stanley Cavell and Lois Potter Edward Pechter s popular theatrical and critical overview of Othello has been significantly expanded An updated Selected Bibliography **Reason Not** Omry Smith,2009 This theoretical study guides the reader through some of Shakespeare s most emotionally turbulent dramatic worlds offering a close examination of the fascinating emotional rhetoric employed by several key characters These characters manipulate others and sometimes even themselves using a device broadly known in the terminology of rhetoric as emotional appeal Although Shakespeare displays immense interest in the human passions and makes frequent use of the tools of classical rhetoric this study presents the first systematic inquiry into the emotional component of rhetoric in his drama The book also offers the reader a broad perspective on Shakespearean drama by highlighting diverse characters who embody the human tendency to worship reason and rationalise reality In contrast to those emotionally intelligent characters who acknowledge the crucial power of emotion in life and their inability to neutralise it other characters deny this reality Ironically it is precisely those who deny emotion and obsessively seek rationality that eventually fall victim to their own intense passion in some cases in response to emotional appeals from others **Shakespeare's Sports Canon** Chris Coculuzzi,Matt Toner,2005 It took Shakespeare 25 years to create his legacy of 38 plays and five years for Coculuzzi and Toner to destroy it Shakespeare s Sports Canon transforms the Complete Works of William Shakespeare into a hilarious hybrid of improvised sporting play and spectacle theatre Presented as live UCSN Upstart Crow Sports Network broadcasts the Sports Canon includes Shakespeare s Rugby Wars the Wars of the Roses tetralogy presented as a rugby match as Team Lancaster and Team York scrum it out for the British Crown and Rugby Supremacy Shakespeare s World Cup the famous four Tragedies as

Team Denmark England Scotland and Italy kick out the blank verse for Top Tragic Cup Shakespeare's Gladiator Games the Roman and Greek plays as a traditional Roman Ludi where Gladiators vie for the coveted wooden Rudis and with it their freedom Shakespeare's Comic Olympics all of the Comedies and Romances as Olympic events as Athletes strive to overcome comic feats of timing in their quest for Ring Finger Gold Shakespeare's NHL National History League the leftover Histories as a tribute to Canadian street hockey and homage to the Original Six as hockey's Historical Heroes faceoff for Lord Stanley's impressive Cup

Theater and Film Robert Knopf, 2008-10-01 This is the first book in more than twenty five years to examine the complex historical cultural and aesthetic relationship between theater and film and the effect that each has had on the other's development Robert Knopf here assembles essays from performers directors writers and critics that illuminate this ongoing inquiry The book is divided into five parts historical influence comparisons and contrasts writing directing and acting with interludes by major artists whose work and words have shaped the development of theater and film A comprehensive bibliography and filmography support further work in this area The book contains contributions from Susan Sontag Stanley Kauffmann Sarah Bey Cheng Bertolt Brecht Ingmar Bergman Harold Pinter David Mamet Julia Taymor Judi Dench Sam Waterston Orson Welles Antonin Artaud and Milos Forman among others

Players of Shakespeare 6 Royal Shakespeare Company, 2004-08-19 The sixth volume in this popular series of essays by well known Shakespearean actors

The Tempest Trevor R. Griffiths, 2007-03-22 The commentary at the heart of the book introduces readers to the challenge of reading *The Tempest* as a text and responding to the play in performance Other sections discuss early performances and cultural contexts A wide ranging sample of critical responses accompanies consideration of key performances and productions on stage and film

Stylistics and Shakespeare's Language Mireille Ravassat, Jonathan Culpeper, 2011-06-02 This innovative volume testifies to the current revived interest in Shakespeare's language and style and opens up new and captivating vistas of investigation Transcending old boundaries between literary and linguistic studies this engaging collaborative book comes up with an original array of theoretical approaches and new findings The chapters in the collection capture a rich diversity of points of view and cover such fields as lexicography versification dramaturgy rhetorical analyses cognitive and computational corpus based stylistic studies offering a holistic vision of Shakespeare's uses of language The perspective is deliberately broad confronting ideas and visions at the intersection of various techniques of textual investigation Such novel explorations of Shakespeare's multifarious artistry and amazing inventiveness in his use of language will cater for a broad range of readers from undergraduates postgraduates scholars and researchers to poetry and theatre lovers alike

As recognized, adventure as well as experience just about lesson, amusement, as competently as deal can be gotten by just checking out a book **Shakespeare Hit Or Miss** along with it is not directly done, you could agree to even more more or less this life, in this area the world.

We find the money for you this proper as capably as simple pretentiousness to get those all. We find the money for Shakespeare Hit Or Miss and numerous ebook collections from fictions to scientific research in any way. in the course of them is this Shakespeare Hit Or Miss that can be your partner.
