**Studio Shakespeare** Alycia Smith-Howard,2017-03-02 An extensive history of The Royal Shakespeare Company's studio theatre Studio Shakespeare The Royal Shakespeare Company at The Other Place also includes a biography of its founder and first artistic director Mary Ann Buzz Goodbody 1947-75 Alycia Smith Howard reveals how as a socialist feminist and the RSC's first female director Goodbody sought to invigorate classical theatre and its approach to producing the works of Shakespeare The Other Place which opened its doors in 1973 was her greatest achievement and was in the words of Ron Daniels of the American Repertory Theatre a training ground for an entire generation of Shakespeare actors and directors The volume examines Shakespeare productions at The Other Place from 1973 to its closure in 1989 The author's sources include Goodbody's Mission Statement for the studio theatre as well as other previously unavailable materials such as

Goodbody's private papers, journal entries, director's notes and correspondence. In addition, it contains interviews and commentary from such theatrical luminaries as Judi Dench, Ian McKellen, Ben Kingsley, Cicely Berry, Trevor Nunn, Peter Hall, Patrick Stewart and many others. Smith Howard's narrative discusses productions of twelve plays at The Other Place among them King Lear 1974, Hamlet 1975, The Merchant of Venice 1978, Antony and Cleopatra 1982, King John 1988 and Othello 1989. The cast lists of productions at The Other Place are included in an appendix. Smith Howard's study captures the spirit and ethos of an important and radical exercise in theatre which influenced the mainstream work of The Royal Shakespeare Company. It is a lucid, compelling and valuable contribution not only to Shakespeare studies but also to theatre history. This book, as directors once said, has legs. **Fast and Curious** Robert L. Hampel, 2017-12-15. This book examines four types of shortcuts in the history of American education: streamlined paths to vocational success, cultural sophistication, college credentials and the efficient use of English. The chapters profile Norman Rockwell, the Harvard Classics, Cliff Notes, speed reading, a Doctor of Arts diploma for college teachers and other riveting examples of time savers that attracted millions of ambitious Americans since the late 19th century. **An Actor's Edition of Shakespeare Revisited** James R.

Hartman, 2007-07-26. An Actor's Edition of Shakespeare Revisited is a book for actors, directors, professors of theatre and the general public. Each of the plays has been edited for more understandability and length. The intent of the book was to make the works more accessible without making the language modern. When audiences see a Shakespeare play, they have only one time to grasp the words as they are spoken. Audience members do not have time to look at lengthy explanations or notes about words or expressions. Therefore, this edition of these five plays presents the plays so that audience members as well as actors can follow the plays with little difficulty. Some words have been changed to accomplish this. In certain speeches, subjects or verbs were supplied for understandability. Because Shakespeare used many pronouns, these plays make use of more nouns so that the meaning of who or what is being spoken about becomes more clear. The book also has some useful tools for the director and actors. A chart has been provided for each play that lists each character by act and scene. This can be very useful when there is a need to double cast actors. In addition, a combination roles page has also been added which gives suggestions for doubling parts for a smaller company. To help at rehearsals, page numbers for the beginning of each act and scene are provided on a single page for each play. Finally, each play has been broken into beats for the actor and the director. It is the hope of the author of this book that more people will find excitement in reading, performing, staging or viewing Shakespeare because of the edited versions for understandability. Enjoy the plays either reading or performing.
