Shakespeare, A Lawyer (1858)

William Lowes Rushton

Shakespeare A Lawyer

**Bradin Cormack, Martha C.
Nussbaum, Richard Strier**

Shakespeare A Lawyer:

Shakespeare a lawyer William Lowes Rushton,1858

Shakespeare and the Lawyers O. Hood Phillips,2005

Shakespeare and the Lawyers gives a comprehensive survey of what Shakespeare wrote about the law and lawyers and what has been written particularly by lawyers about Shakespeare's life and works in relation to the law The Breath of an Unfee'd Lawyer William Shakespeare,1996 Warshaw Shakespeare on Lawyers and the Law America's leading expert on law humour scans the complete works of Shakespeare for the choicest quotes of wit and wisdom about lawyers and the law

Shakespeare for Lawyers Margaret Graham Tebo,2010 Shakespeare for Lawyers contains more than 100 funny sharp witty sad and instructional quotes pulled from Shakespeare's plays and sonnets by a lawyer for lawyers and includes instructions on how they might be used in a courtroom mediation or elsewhere And of course the book features an extra section exploring what the Bard had to say about the law and those who practice it **Was Shakespeare a lawyer? Being a selection of passages from 'Measure for measure' and 'All's well that ends well' which point to the conclusion that their author must have been a practical lawyer, and in which many obscurities are made clear, by H.T. H. T,1871** **Shakespeare and the Law** Bradin Cormack,Martha C. Nussbaum,Richard Strier,2016-07-11 William

Shakespeare is inextricably linked with the law Legal documents make up most of the records we have of his life trials lawsuits and legal terms permeate his plays Gathering an extraordinary team of literary and legal scholars philosophers and even sitting judges Shakespeare and the Law demonstrates that Shakespeare's thinking about legal concepts and legal practice points to a deep and sometimes vexed engagement with the law's technical workings its underlying premises and its social effects Shakespeare and the Law opens with three essays that provide useful frameworks for approaching the topic offering perspectives on law and literature that emphasize both the continuities and the contrasts between the two fields In its second section the book considers Shakespeare's awareness of common law thinking and practice through examinations of Measure for Measure and Othello Building and expanding on this question the third part inquires into Shakespeare's general attitudes toward legal systems A judge and former solicitor general rule on Shylock's demand for enforcement of his odd contract and two essays by literary scholars take contrasting views on whether Shakespeare could imagine a functioning legal system The fourth section looks at how law enters into conversation with issues of politics and community both in the plays and in our own world The volume concludes with a freewheeling colloquy among Supreme Court Justice Stephen G Breyer Judge Richard A Posner Martha C Nussbaum and Richard Strier that covers everything from the ghost in Hamlet to the nature of judicial discretion Jacket *Shakespeare and the Lawyers* O Hood Phillips,2013-04-15 First published in 1972 Shakespeare's writing abounds with legal terms and allusions and in many of the plays the concept and working of the law is a significant theme Shakespeare and the Lawyers gives a comprehensive survey of what Shakespeare wrote about the law and lawyers and what has been written particularly by lawyers about Shakespeare's life and works in relation to the law The

book first reviews the recorded facts about Shakespeare's life and works and his connection with the Inns of Court. It then discusses legal terms, allusions, and plots in the plays; Shakespeare's treatment of the problems of law, justice, and government; his description of lawyers and officers of the law; his references to actual legal personalities; and his trial scenes. Two further chapters consider the criticisms that have been made of Shakespeare's law and the contribution to Shakespeare studies by lawyers.

Shakespeare's Law Mark Fortier, 2022-05-30 Shakespeare's Law is a critical overview of law and legal issues within the life, career, and works of William Shakespeare as well as those that arise from the endless array of activities that happen today in the name of Shakespeare. Mark Fortier argues that Shakespeare's attitudes to law are complex and not always sanguine; that there exists a deep and perhaps ultimate move beyond law, very different from what a lawyer or legal scholar might recognize. Fortier looks in detail at the legal issues most prominent across Shakespeare's work: status, inheritance, fraud, property, contract, tort, especially slander, evidence, crime, political authority, trials, and the relative value of law and justice. He also includes two detailed case studies of *The Merchant of Venice* and *Measure for Measure*, as well as a chapter looking at law in works by Shakespeare's contemporaries. The book concludes with a chapter on the law as it relates to Shakespeare today. The book shows that the legal issues in Shakespeare are often relevant to issues we face now, and the exploration of law in Shakespeare is as germane today, though in sometimes new ways, as in the past.

William Shakespeare: Attorney at Law and Solicitor in Chancery Richard Grant White, 2020-09-28 **Shakespeare and the Law** Bradin Cormack, Martha C. Nussbaum, Richard Strier, 2013-04-05 William Shakespeare is inextricably linked with the law. Legal documents make up most of the records we have of his life, and trials, lawsuits, and legal terms permeate his plays. Gathering an extraordinary team of literary and legal scholars, philosophers, and even sitting judges, Shakespeare and the Law demonstrates that Shakespeare's thinking about legal concepts and legal practice points to a deep and sometimes vexed engagement with the law's technical workings, its underlying premises, and its social effects. The book's opening essays offer perspectives on law and literature that emphasize both the continuities and contrasts between the two fields. The second section considers Shakespeare's awareness of common law thinking and common law practice, while the third inquires into Shakespeare's general attitudes toward legal systems. The fourth part of the book looks at how law enters into conversation with issues of politics and community, whether in the plays in Shakespeare's world or in our own world. Finally, a colloquy among Supreme Court Justice Stephen Breyer, Judge Richard Posner, Martha C. Nussbaum, and Richard Strier covers everything from the ghost in *Hamlet* to the nature of judicial discretion.

[Was Shakespeare a Lawyer? Being a Selection of Passages From Measure for Measure and All's Well That Ends Well \(Classic Reprint\)](#) Hull Terrell, 2015-08-08 Excerpt from [Was Shakespeare a Lawyer? Was Shakespeare a Lawyer? Being a Selection of Passages From 'measure for Measure' and 'all's Well That Ends Well' Which Point to the Conclusion That H. T,2023-07-18 Did Shakespeare have a background in law This book examines the text of Measure for Measure and All s Well That Ends Well for clues that suggest their author was a practical lawyer The author sheds light on many obscurities in the texts and argues a compelling case for Shakespeare s legal expertise This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

Shakespeare, Law, and Marriage B. J. Sokol,Mary Sokol,2003-12-08 This interdisciplinary study combines legal historical and literary approaches to the practice and theory of marriage in Shakespeare s time It uses the history of English law and the history of the contexts of law to study a wide range of Shakespeare s plays and poems The authors approach the legal history of marriage as part of cultural history The household was viewed as the basic unit of Elizabethan society but many aspects of marriage were controversial and the law relating to marriage was uncertain and confusing leading to bitter disagreements over the proper modes for marriage choice and conduct The authors point out numerous instances within Shakespeare s plays of the conflict over status gender relations property religious belief and individual autonomy versus community control By achieving a better understanding of these issues the book illuminates both Shakespeare s work and his age

Shakespeare, a Lawyer (Classic Reprint) William Lowes Rushton,2017-05-20 Excerpt from Shakespeare a Lawyer And still they gazed and still the wonder grew That one small head could carry all he knew Goldsmith About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Commentaries on the Law in Shakespeare Edward Joseph White,1913 **Kill All the Lawyers?** Daniel

Kornstein,2005-01-01 Two thirds of Shakespeare s plays have trial scenes and many deal specifically with lawyers courts judges and points of law Daniel Kornstein a practicing attorney looks at the legal issues and aspects of Shakespeare s plays and finds fascinating parallels with many legal and social questions of the present day The Elizabethan age was as litigious as our own and Shakespeare was very familiar with the language and procedures of the courts Kill All the Lawyers examines the ways in which Shakespeare used the law for dramatic effect and incorporated the passion for justice into his great tragedies and comedies and considers the modern legal relevance of his work This is a ground breaking study in the field of literature and the law ambitious and suggestive of the value of both our literary and our legal inheritance Shakespeare as a Lawyer

Franklin Fiske Heard,1883 Shakespeare a Lawyer William Lowes Rushton,2020-04-22 This is a reproduction of the original artefact Generally these books are created from careful scans of the original This allows us to preserve the book accurately and present it in the way the author intended Since the original versions are generally quite old there may occasionally be certain imperfections within these reproductions We re happy to make these classics available again for future generations to enjoy **Playhouse Law in Shakespeare's World** Brian Jay Corrigan,2004 There is a human face to

Shakespeare s theatrical world It has been captured and preserved in the amber of litigious activity Contracts for playhouses represent human aspiration an avaricious hope for profit or an altruistic desire to provide for a family Lawsuits have preserved the declarations of rights and the righteous indignations as well as the fictions and half truths under which the Renaissance theater flourished Leases and agreements preserve the intentions honest or dishonest of the men who wrote performed and bankrolled the drama of Shakespeare and his contemporaries The period 1590 1623 the limits of the original Shakespearean enterprise resemble nothing so much as a third of a century of the sort of squabbling shoving and place seeking familiar to every modern theatrical professional

Getting the books **Shakespeare A Lawyer** now is not type of challenging means. You could not without help going as soon as ebook accrual or library or borrowing from your associates to gate them. This is an enormously simple means to specifically get guide by on-line. This online broadcast Shakespeare A Lawyer can be one of the options to accompany you afterward having supplementary time.
