Shakespeare After All

Ethan Lewis

Shakespeare After All:

Shakespeare After All Marjorie Garber, 2008-11-19 A brilliant and companionable tour through all thirty eight plays Shakespeare After All is the perfect introduction to the bard by one of the country's foremost authorities on his life and work Drawing on her hugely popular lecture courses at Yale and Harvard over the past thirty years Marjorie Garber offers passionate and revealing readings of the plays in chronological sequence from The Two Gentlemen of Verona to The Two Noble Kinsmen Supremely readable and engaging and complete with a comprehensive introduction to Shakespeare's life and times and an extensive bibliography this magisterial work is an ever replenishing fount of insight on the most celebrated writer of all time *Shakespeare After All* Marjorie B. Garber, 2004 In Shakespeare After All Marjorie Garber professor of English and director of the Humanities Center at Harvard University gives us a magisterial work of criticism authoritative and engaging based on her hugely popular lecture courses at Yale and Harvard over the past thirty years Richly informed by Shakespearean scholarship of the latter half of the twentieth century this book offers passionate and revealing readings of all thirty eight of Shakespeare's plays in chronological sequence from The Two Gentlemen of Verona to The Two Noble Kinsmen With erudition lightly carried Garber illumines the overarching patterns and lush details of the plays closely attentive to what matters most in Shakespeare language theme plot and character Here are fresh meditations on plays we have come to know and love such as Hamlet King Lear Macbeth Othello The Taming of the Shrew Romeo and Juliet The Merchant of Venice and The Tempest and fruitful engagements with others not often read or produced Henry VI Parts 1 2 and 3 The Merry Wives of Windsor King John Timon of Athens Pericles and Cymbeline Garber affords us a rare chance to trace Shakespeare's stylistic development as a writer of verse and prose an artful designer of dramatic scenarios and revelations a masterly sketcher of woman and man and a keen observer of society high and low Complete with a comprehensive introduction to Shakespeare's life and times and an extensive bibliography Shakespeare After All is a landmark work that enlarges our understanding of the most celebrated writer of all time **A Preface to Shakespeare's Tragedies** Michael Mangan, 2014-07-22 This book is a study of four of Shakespeare's major tragedies Hamlet Othello King Lear and Macbeth It looks at these plays in a variety of contexts both in isolation and in relation to each other and to the cultural ideological social and political contexts which produced them [The Cambridge Companion to Shakespeare's Last Plays](#) Catherine M. S. Alexander, 2009-07-16 In this book leading international Shakespeare scholars consider the significant characteristics of Shakespeare's last plays and place them in their Jacobean context **Shakespeare, Theology, and the Unstaged God** Anthony D. Baker, 2019-08-05 While many scholars in Shakespeare and Religious Studies assume a secularist viewpoint in their interpretation of Shakespeare's works there are others that allow for a theologically coherent reading Located within the turn to religion in Shakespeare studies this book goes beyond the claim that Shakespeare simply made artistic use of religious material in his drama It argues that his plays inhabit a complex and rich theological atmosphere individually by genre and as a body of work

The book begins by acknowledging that a plot controlling God figure or even a consistent theological dogma is largely absent in the plays of Shakespeare. However, it argues that this absence is not necessarily a sign of secularization but functions in a theologically generative manner. It goes on to suggest that the plays reveal a consistent if variant attention to the theological possibility of a divine presence mediated through human wit both in gracious and malicious forms. Without any prejudice for divine intervention, the plots actually gesture on many turns toward a hidden supernatural actor or God. Making bold claims about the artistic and theological of Shakespeare's work, this book will be of interest to scholars of Theology and the Arts, Shakespeare and Literature more generally.

Serial Shakespeare Elisabeth Bronfen, 2020-10-27 Shakespeare is everywhere in contemporary media culture. This book explores the reasons for this dissemination and reassemblage. Ranging widely over American TV drama, it discusses the use of citations in *Westworld* and *The Wire*, demonstrating how they tap into but also transform Shakespeare's preferred themes and concerns. It then examines the presentation of female presidents in shows such as *Commander in Chief* and *House of Cards*, revealing how they are modelled on figures of female sovereignty from his plays. Finally, it analyses the specifically Shakespearean dramaturgy of *Deadwood* and *The Americans*. Ultimately, the book brings into focus the way serial TV drama appropriates Shakespeare in order to give voice to the unfinished business of the American cultural imaginary.

Shakespeare Saved My Life Laura Bates, 2013-04-02 A female professor, a super maximum security prisoner, and how Shakespeare saved them both. Shakespeare professor and prison volunteer Laura Bates thought she had seen it all. That is, until she decided to teach Shakespeare in a place the bard had never been before: supermax solitary confinement. In this unwelcoming place, surrounded by inmates known as the worst of the worst, is Larry Newton, a convicted murderer with several escape attempts under his belt and a brilliantly agile mind on his shoulders. Larry was trying to break out of prison at the same time Laura was fighting to get her program started behind bars. A testament to the power of literature, *Shakespeare Saved My Life* is a remarkable memoir. Fans of *Orange Is the New Black*, Piper Kerman's *A Place to Stand*, Jimmy Baca's *I Couldn't Help Myself*, and Wally Lamb will be inspired by the story of the most unlikely friendship: one bonded by Shakespeare and lasting years, a friendship that would, in the end, save more than one life. What readers are saying about *Shakespeare Saved My Life* I was tremendously moved by both the potential impact of Shakespeare and learning on human beings and the story of this one man. This is one of the most extraordinary books I've ever read. I have never read a book that touched me as much as this memoir. It is a challenging and remarkable story. I loved this book so much. It changed my life. What reviewers are saying about *Shakespeare Saved My Life* You don't have to be a William Shakespeare fan, a prisoner, or a prison reformer to appreciate this uplifting book. *Shakespeare Saved My Life* also reveals many important truths about the meaning of empathy in our dealings with others. *Finger Lake Times* *Shakespeare Saved My Life* touches on the search for meaning in life, the struggles that complicate the path to triumph, and the salvation that can be found in literature's great works. An inspiring account. *Shelf Awareness* Opening the mind's prison proves enormously gratifying, not to

mention effective brave groundbreaking work Publishers Weekly An eye opening study reiterating the perennial power of books self discipline and the Bard of Avon Kirkus A powerful testament to how Shakespeare continues to speak to contemporary readers in all sorts of circumstances Booklist

Remediating Shakespeare in the Eighteenth and Nineteenth Centuries Howard Marchitello, 2019-07-01 Remediating Shakespeare in the Eighteenth and Nineteenth Centuries analyzes literary remediations of Shakespeare's works particularly those written for young readers This book explores adaptations revisions and reimaginings by Lewis Theobald the Bowdlers the Lambs and Mary Cowden Clarke among others to provide a theoretical account of the poetics and practices of remediating literary texts Considering the interplay between the historical fascination with Shakespeare and these practices of adaptation this book examines the endless attempt to mediate our relationship to Shakespeare Howard Marchitello investigates the motivations behind various forms of remediation ultimately expanding theories of literary adaptation and appropriation

ShakesFear and How to Cure It Ralph Alan Cohen, 2018-05-03 For teachers and lovers of Shakespeare ShakesFear and How to Cure It provides a comprehensive approach to the challenge and rewards of teaching Shakespeare and gives teachers both an overview of each of Shakespeare's 38 plays and specific classroom tools for teaching it Written by a celebrated teacher scholar and director of Shakespeare it shows teachers how to use the text to make the words and the moments come alive for their students It refutes the idea that Shakespeare's language is difficult and provides a survey of the plays by someone who has lived intimately with them on the page and on the stage

The Shakespeare Project and Ensuing Essays Ethan Lewis, 2015-06-18 For twenty plus years on a small Midwestern campus Dr Lewis has directed The Shakespeare Project a seminar scrutinizing four six plays per semester with a cadre of accompanying sonnets Master a method of reading the Bard through focus on a small set vis vis scattershot survey his syllabi promise and one not only could but would want to read Shakespeare not for an age but for all time Ben Jonson all one's life The Bard's idiom though complex proves eminently comprehensible as have observed such scholars as Kermode Vendler Bloom Garber Greenblatt Nuttall Booth Eliot Auden and others This book the harvest of Lewis endeavor consists of three parts the seminar essay syllabi a collection of close readings of Othello Macbeth Hamlet Henry VIII Timon and The Sonnets and a series of footnotes intended as mini master essays on minutiae The Project is grounded on the originary definition of scholarship as studying in school and offers a revisionary reading of three minor characters in Shakespeare's tragedies Emilia Albany Siward in the process of contending for a sensible coalescence of old fashioned character criticism with New Critical and Poststructural perspectives The text also formulates criteria for responsible reading via triple vision perceiving the work as at once reality poem and play a method forwarded through addressing ethical matters in the works faith in Hamlet conscience in Henry VIII stewardship in Timon of Athens The Shakespeare Project models reinfusing Shakespeare as terrain for critical thinking that affects everyday life

PERSPECTIVES ON SHAKESPEARE IN EUROPE'S BORDERLANDS MĂDĂLINA NICOLAESCU, OANA-ALIS

ZAHARIA,ANDREI NAE ,2020-01-01 The format of the book as a collection of case studies is designed to highlight the variety and plurality specific for the translation and circulation of Shakespeare in borderlands As the essays do not only cover a spate of locations but also a large swathe of time they have been organized in a chronological order *Local/Global*

Shakespeare and Advertising Márta Minier,Maria Elisa Montironi,Cristina Paravano,2024-06-21 Local Global Shakespeare and Advertising examines the local global and rhizomatic phenomenon of Shakespeare as advertised and Shakespeare as advertising Starting from the importance and the awareness of advertising practices in the early modern period the volume follows the evolution of the use of Shakespeare as a promotional catalyst up to the twenty first century The volume considers the pervasiveness of Shakespeare s marketability in Anglophone and non Anglophone cultures and its special engagement with creative and commercial industries With its inter and transdisciplinary perspective and its international scope this book brings new insights into Shakespeare s selling power Shakespeare as the object of advertising and Shakespeare as part of the advertising vehicle in relation to a range of crucial cultural ideological and political issues **Shakespeare's Sceptered**

Isle Brian Carroll,2022-05-18 This work searches Shakespeare s history and Roman plays to find the raw materials of English national consciousness and identity The messages of Shakespeare s history plays are not principally the plots or facts of the dramas but the attitudes and imaginings they elicited in audiences Reading Shakespeare through the lens of national identity is a study almost as old as the plays themselves and many scholars have found various articulations of nationhood in Shakespeare s plays This book argues that Shakespeare s histories furnished modern England with a curriculum for constructing a national identity a confidence of language and culture and a powerful new medium through which to communicate and express this negotiated identity Highlighting the application of semiotics it studies the playwright s use of symbols metonymy symbolic codes and metaphor By examining what Shakespeare and playgoers remembered and forgot as well as the ways ideas were framed this book explores how a national identity was crafted contested and circulated

Shakespeare's Literary Lives Paul Franssen,2016-01-21 This is an entertaining account of Shakespeare s afterlives in fiction Paul Franssen offers the first sustained analysis of stories and films that involve the character of Shakespeare Taking a broad international and historical perspective he shows how fictions about Shakespeare help us understand what he meant to a certain age nation or author and how they have become a vital aspect of the Shakespeare industry Appearing sometimes as a ghost or time traveller fictional Shakespeares have been made to speak to many issues such as the French Revolution the Irish conflict colonialism the Anglo American relationship sexual orientation race and class Written in an accessible style this book will appeal to advanced students as well as academic researchers in Shakespeare studies film and cultural studies literary reception and creative writing **A Leg Up On The Canon Book 3** Jim McGahern,2012-09 Shakespeare had extraordinary intelligence unheard of powers of observation and interpretation a soaring imagination a way with words that defies description and a defining interest in the theater He brought kings queens heroes and peasantry to the stage so they

could be seen in a more realistic fashion Even so in modern times assistance is often needed to interpret Shakespeare's work In *A Leg Up on the Canon* author Jim McGahern provides an extensive biography of Shakespeare and offers an introductory guide to his histories comedies tragedies romances and poems McGahern presents summaries of the texts explanations of difficult passages extensive historical context and glossaries of terms no longer in use In each volume he outlines the plot of plays in that category and then delivers a one act play with inclusive commentary McGahern includes pertinent remarks and important speeches and soliloquies interlaced with brief explanations and descriptions of the actions on stage as well as plot developments *A Leg Up on the Canon* a four volume series provides insights into the word music of the talented man from Stratford

Richard II Jeremy Lopez, 2012-02-07 Arguably the first play in a Shakespearean tetralogy *Richard II* is a unique and compelling political drama whose themes still resonate today It is one of the few Shakespeare plays written entirely in verse and its format presents unique theatrical challenges Politically engaged and controversial it raises crucial debates about the relationship between early modern art audience response and state power This collection provides a comprehensive and up to date survey of the critical and theatrical history of the play The substantial introduction surveys the history of critical interpretations of *Richard II* since the eighteenth century The eleven newly written critical essays by leading and emerging scholars in the field then adopt an eclectic range of critical approaches that encourage scholars and students to pursue new and imaginative directions with the text

Shakespeare: A Playgoer's & Reader's Guide Michael Dobson, Stanley Wells, 2020-10-30 *Shakespeare: A Playgoer's & Reader's Guide* is your essential companion to all Shakespeare's extant works as well as those known to be lost Two of our most eminent Shakespeare scholars guide us through his sonnets his poems and his plays providing the reader with detailed scene by scene plot synopses cast lists notes on the texts and sources discussions of artistic features and accounts of significant productions on stage and screen Derived from the acclaimed *Oxford Companion to Shakespeare* and fully updated to reflect the latest scholarship and most recent notable productions it is the ideal compact guide for students and theatre goers needing a helpful plot summary or readers wishing to browse on fascinating background information

Shakespeare Remains Courtney Lehmann, 2018-08-06 No literary figure has proved so elusive as Shakespeare How Courtney Lehmann asks can the controversies surrounding the Bard's authorship be resolved when his works precede the historical birth of that modern concept And how is it that Shakespeare remains such a powerful presence today years after poststructuralists hailed the death of the author In her cogent book Lehmann reexamines these issues through a new lens film theory An alternative to literary models that either minimize or exalt the writer's creative role film theory in Lehmann's view perceives authorship as a site of constitutive conflict generating in the process the notion of the auteur From this perspective she offers close readings of *Romeo and Juliet* *A Midsummer Night's Dream* and *Hamlet* of film adaptations by Kenneth Branagh Baz Luhrmann and Michael Almereyda and of John Madden's *Shakespeare in Love* In their respective historical contexts these plays and films emerge as allegories of authorship

exploiting such strategies as appropriation adaptation projection and montage Lehmann explores the significance of this struggle for agency both in Shakespeare's time and in the present day in the cultures of early and late capitalism By projecting film theory from the postmodern to the early modern and back again Lehmann demonstrates the ways in which Shakespeare emerges as a special effect indeed as an auteur in two cultures wherein authors fear to tread

Studying Literature in English Dominic Rainsford, 2014-06-27 Studying Literature in English provides the ideal point of entry for students of English Literature This book is an accessible guide for Literature students around the world This book Grounds literature and the study of literature throughout by referencing a selection of well known novels plays and poems Examines the central questions that readers ask when confronting literary texts and shows how these make literary theory meaningful and necessary Links British American and postcolonial literature into a coherent whole Discusses film as literature and provides the basic conceptual tools in order to study film within a literature course framework Places particular emphasis on interdisciplinarity by examining the connections between the study of literature and other disciplines Provides an annotated list of further reading From principal literary genres periods and theory to strategies for reading research and essay writing Dominic Rainsford provides an engaging introduction to the most important aspects of studying literature in English This book is invaluable reading for anyone studying literature in English

Shakespeare's Ideas David Bevington, 2009-01-22 An in depth exploration through his plays and poems of the philosophy of Shakespeare as a great poet a great dramatist and a great mind Written by a leading Shakespearean scholar Discusses an array of topics including sex and gender politics and political theory writing and acting religious controversy and issues of faith skepticism and misanthropy and closure Explores Shakespeare as a great poet a great dramatist and a great mind
