Kenneth Surin

Shakespeare And Jungian Typology A Reading Of The Plays

Kenneth Tucker

Shakespeare And Jungian Typology A Reading Of The Plays:

Shakespeare and Jungian Typology Kenneth Tucker, 2010-06-28 The reader of Shakespeare has always been curious about the Bard's actual religion opinions sexual orientation and relationships We would like to ask him why his Hamlet is so indecisive whether Henry V is his ideal ruler and whether he himself fell in love with Rosalind The Jungian theories of psychology used in literary interpretation have almost always involved a broader theory of archetypes rather than concentrating on more specific psychological types despite Jung's belief that an understanding of these types is vital to self realization Jung's typological theories applied to literary studies may illuminate the personalities of fictional characters and indeed of the author himself The psychological type of a writer's character can be understood as a projection of the author's own personality Iago can show Shakespeare's rational function whereas Othello embodies the expression of the dramatist's capacity to experience emotion Thus Jungian typology initiates a quasi biographical approach to understanding writers and their works Instead of directing attention toward an author's education class prejudices and so on it leans toward important emotional undercurrents within the writings which in turn express similar currents within the author's psyche Jungian psychotypology is long overdue in gaining recognition as a tool for literary analysis and this work applies these theories to the full spectrum of Shakespeare's plays in detailed individual readings and comparisons

Shakespeare and Jungian Typology Kenneth Tucker, 2010-06-28 The reader of Shakespeare has always been curious about the Bard's actual religion opinions sexual orientation and relationships We would like to ask him why his Hamlet is so indecisive whether Henry V is his ideal ruler and whether he himself fell in love with Rosalind The Jungian theories of psychology used in literary interpretation have almost always involved a broader theory of archetypes rather than concentrating on more specific psychological types despite Jung's belief that an understanding of these types is vital to self realization Jung's typological theories applied to literary studies may illuminate the personalities of fictional characters and indeed of the author himself The psychological type of a writer's character can be understood as a projection of the author's own personality Iago can show Shakespeare's rational function whereas Othello embodies the expression of the dramatist's capacity to experience emotion Thus Jungian typology initiates a quasi biographical approach to understanding writers and their works Instead of directing attention toward an author's education class prejudices and so on it leans toward important emotional undercurrents within the writings which in turn express similar currents within the author's psyche Jungian psychotypology is long overdue in gaining recognition as a tool for literary analysis and this work applies these theories to the full spectrum of Shakespeare's plays in detailed individual readings and comparisons

A Jungian Study of Shakespeare M. Fike, 2009-02-02 Employing the analytical psychology of Carl Jung Matthew A Fike provides a fresh understanding of individuation in Shakespeare This study of the visionary mode Jung's term for literature that comes through the artist from the collective unconscious combines a strong grounding in Jungian terminology and theory with myth criticism biblical literary criticism and postcolonial theory

Fike draws extensively on the rich discussions in the Collected Works of C G Jung to illuminate selected plays such as A Midsummer Night's Dream The Merchant of Venice The Henriad Othello and Hamlet in new and surprising ways Fike's clear and thorough approach to Shakespeare offers exciting original scholarship that will appeal to students and scholars alike

A Midsummer Night's Dream: Shakespeare's Syzygy of Meaning , The Shakespearean World Jill L Levenson, Robert Ormsby, 2017-03-27 The Shakespearean World takes a global view of Shakespeare and his works especially their afterlives Constantly changing the Shakespeare central to this volume has acquired an array of meanings over the past four centuries Shakespeare signifies the historical person as well as the plays and verse attributed to him It also signifies the attitudes towards both author and works determined by their receptions Throughout the book specialists aim to situate Shakespeare's world and what the world is because of him In adopting a global perspective the volume arranges thirty six chapters in five parts Shakespeare on stage internationally since the late seventeenth century Shakespeare on film throughout the world Shakespeare in the arts beyond drama and performance Shakespeare in everyday life Shakespeare and critical practice Through its coverage The Shakespearean World offers a comprehensive transhistorical and international view of the ways this Shakespeare has not only influenced but has also been influenced by diverse cultures during 400 years of performance adaptation criticism and citation While each chapter is a freshly conceived introduction to a significant topic all of the chapters move beyond the level of survey suggesting new directions in Shakespeare studies such as ecology tourism and new media and making substantial contributions to the field This volume is an essential resource for all those studying Shakespeare from beginners to advanced specialists **The Rational Shakespeare** Michael Wainwright, 2018-08-22 The Rational Shakespeare Peter Ramus Edward de Vere and the Question of Authorship examines William Shakespeare's rationality from a Ramist perspective linking that examination to the leading intellectuals of late humanism and extending those links to the life of Edward de Vere Seventeenth Earl of Oxford The application to Shakespeare's plays and sonnets of a game theoretic hermeneutic an interpretive approach that Ramism suggests but ultimately evades strengthens these connections in further supporting the Oxfordian answer to the question of Shakespearean authorship **Border States in the Work of Tom Mac Intyre** Catriona Ryan, 2012-01-17 This work analyses the prose and drama of the Irish writer Tom Mac Intyre and the concept of paleo postmodernism It examines how Mac Intyre balances traditional themes with experimentation which in the Irish literary canon is unusual This book argues that Mac Intyre's position in the Irish literary canon is an idiosyncratic one in that he combines two contrary aspects of Irish literature between what Beckett terms as the Yeatsian antiquarians who valorize the Victorian Gael and the others whose aesthetic involves a European influenced breakdown of the object which is associated with Beckett Mac Intyre's experimentation involves a breakdown of the object in order to uncover an unconscious Irish mythological and linguistic space in language His approach to language experimentation is Yeatsian and this is what the author terms as paleo postmodern Thus the project considers how Mac

Intyre incorporates Yeatsian revivalism with postmodern deconstruction in his drama and short stories **A Wilderness of Tigers** Kenneth Tucker,2005-02-14 With the cessation of the Indian Wars Silas Magby believed that Western Kentucky would be safe for his wife and children But then the Harpes came two mysterious brothers Micajah and Wiley with three devoted women followers leaving a wake of ghoulish and seemingly motiveless murders men women children infants bludgeoned stabbed shot or set on fire Earlier Magby had participated in a fruitless attempt to capture the brothers but word comes that they are seeking him to enact retaliation Now Magby must somehow stop the brothers before they can kill his wife and children Although fiction *A Wilderness of Tigers* based upon one of the earliest recorded serial killer rampages In the 1790 s roughly 35 persons were murdered by the Harpe brothers Kenneth Tucker has woven a haunting story whose characters linger beyond a final page of history or text Katherine C Kurk Kentucky Philological Review Tucker tells a fascinating story of these evil doers It s an interesting part of our history Jesse Stuart Foundation Tucker effectively uses dialogue and and clear graphic details to bring to light a sad chapter in Kentucky s history Steve Flairty Kentucky Monthly Tools and Techniques for Character Interpretation Robert Blumenfeld,2006-03 Limelight A must for both the aspiring and seasoned artist Uniquely geared to the work of theatre and film artists this book for the first time sets out clearly and concisely the ideas principles and character typology of various psychological schools from Freudian Kleinian and Jungian to contemporary developments The practical uses and applications of their theories are graphically demonstrated throughout the book by means of numerous examples and in depth analyses drawn from classic and contemporary theatrical and cinematic literature Stanislavskian methods are also discussed An immensely useful essential tool for character creation and analysis Features a foreword by noted acting teacher Alice Spivak *Annual Bibliography of English Language and Literature* Modern Humanities Research Association,2005 Includes both books and articles Shakespeare Quarterly ,2004 *Bibliographic Index* ,2004 *Forthcoming Books* Rose Arny,2003 **The British National Bibliography** Arthur James Wells,2005

Books In Print 2004-2005 Ed Bowker Staff,Staff Bowker, Ed,2004 Figures of Icarian Flight and Fall in Shakespeare's Henry VI Plays Michael Steven Harrawood,1997 *Eliot Ness and the Untouchables* Kenneth Tucker,2011-12-22 Lawman Eliot Ness has been transformed into legend by the films and television programs that depicted the war he and his Untouchables waged against Al Capone and the mobsters of Prohibition era Chicago Published by McFarland in 2000 the first edition of this volume analyzed both Ness the person and Ness the myth This updated and expanded second edition is enhanced by information gathered through interviews with members of the original casts of the television and film versions of *The Untouchables* Also included is new material on the historical Frank Nitti and *The Mad Butcher of Kingsbury Run* along with several gangsters whom Ness never actually encountered except in his media portrayals among them Mad Dog Coll and Dutch Schultz The author concludes by evaluating the life and accomplishments of Eliot Ness and his impact as a cultural icon *Medical and Health Care Books and Serials in Print* ,1997

Psychoanalysis, Psychology and Literature Norman Kiell, 1990-03 A continuation of Kiell's emeritus psychological services Brooklyn College two volume Scarecrow Press edition 1982 The 7 754 listings cover books articles and monographs dealing with literary writing from a psychological point of view during 1980-87 Annotation copyright Book News Inc Por
