## **Shakespeare And Religion G Wilson Knight:**

**Shakespeare and Religion** G. Wilson Knight, 2013-10-08 First Published in 2002 Part of the G Wilson Knight collection the essays included in this volume constitute a fairly consistent record of his attempts over a period of some forty years to explore the deeper significances of Shakespearian poetry and drama **Empson, Wilson Knight, Barber, Kott** Hugh Grady, 2014-03-27 Great Shakespeareans offers a systematic account of those figures who have had the greatest influence on the interpretation understanding and cultural reception of Shakespeare both nationally and internationally In this volume leading scholars assess the contribution of William Empson G Wilson Knight C L Barber and Jan Kott to the afterlife and reception of Shakespeare and his plays Each substantial contribution assesses the double impact of Shakespeare on the figure covered and of the figure on the understanding interpretation and appreciation of Shakespeare provides a sketch of their subject s intellectual and professional biography and an account of the wider cultural context including comparison with other figures or works within the same field Shakespeare and Religion George Wilson Knight, 1967 **Shakespeare and religion** George Wilson Knight, 2002 Shakespiritualism J. Kahan, 2013-02-27 This study concerns itself with a now forgotten religious group Spiritualists and how their ensuing discussions of Shakespeare s meaning his writing practices his possible collaborations and the supposed purity and or corruption of his texts anticipated accompanied or silhouetted similar debates in Shakespeare Studies **Shakespeare and Religion** Alison Shell, 2014-09-22 This book sets Shakespeare in the religious context of his times presenting a balanced up to date account of current biographical and critical debates and addressing the fascinating under studied topic of how Shakespeare s writing was perceived by literary contemporaries both Catholic and Protestant whose priorities were more obviously religious than his own It advances new readings of several plays especially Hamlet King Lear and The Winter s Tale these draw in many cases on new and under exploited contemporary analogues ranging from conversion narratives books of devotion and polemical pamphlets to manuscript drama and emblems Shakespeare s writing has been seen both as profoundly religious giving everyday human life a sacramental quality and as profoundly secular foreshadowing the kind of humanism that sees no necessity for God This study attempts to reconcile these two points of view describing a writer whose language is saturated in religious discourse and whose dramaturgy is highly attentive to religious precedent but whose invariable practice is to subordinate religious matter to the particular aesthetic demands of the work in hand For Shakespeare as for few of his contemporaries the Judaeo Christian story is something less than a master narrative *Shakespeare s Fascist Followers* Richard Wilson, 2025-08-21 Richard Wilson s meticulously researched powerfully argued and brilliantly written account of Shakespeare s 20th century fascist followers is not just an important but a genuinely essential book Robert Shaughnessy Guildford School of Acting UK In this illuminating book Richard Wilson demonstrates how in the 20th century Shakespeare s plays and poems were persistently misread as documents which voiced the fascist sympathies of their author Wilson argues that the version of Shakespeare this caricature

produced authoritarian jingoistic racially intolerant misogynistic was viewed with satisfaction by many of the leading figures of the century's cultural establishment in Britain and America while noting striking cases of the same bias in Germany and France Some of the names this book focuses on will surprise many of the right wing political views or leanings of the prominent figures discussed have been left unexplored or ignored from A K Chesterton who was both editor of the British Union of Fascists newspaper Blackshirt and former manager of press and publicity at the Shakespeare Memorial Theatre to celebrated Shakespeareans such as G Wilson Knight and writers artists and theatre practitioners including W B Yeats T S Eliot Edward Gordon Craig and Marshall McLuhan At a time when democracy is under threat populism is on the rise and far right views are increasingly prominent in our political discourse Richard Wilson's book makes an especially vital contribution to Shakespeare scholarship

**Shakespeare and Shakespeariana** Meisei Daigaku, 1980 Shakespeare and Early Modern Religion David Loewenstein, Michael Witmore, 2015-01-22 This volume freshly illuminates the diversity of early modern religious beliefs practices and issues and their representation in Shakespeare's plays *Christianity and the Disciplines* Mervyn Davies, Oliver D. Crisp, Gavin D'Costa, Peter Hampson, 2012-11-02 This volume will show how various intellectual disciplines most found within the modern university can learn from theology and philosophy in primarily methodological and substantive terms It will explore the possible ways in which current presuppositions and practices of the discipline might be challenged It will also indicate the possibilities of both a Christian Culture in relation to that discipline or the way in which that discipline might look within a real or theoretical Christian university Shakespeare's Poems and Sonnets Harold Bloom, 2009 Provides insight into the poems sonnets of William Shakespeare along with a brief biography

**The Cambridge Companion to Shakespeare and Religion** Hannibal Hamlin, 2019-03-28 A wide ranging yet accessible investigation into the importance of religion in Shakespeare's works from a team of eminent international scholars

*Shakespeare and Hospitality* Julia Reinhard Lupton, David Goldstein, 2016-04-20 This volume focuses on hospitality as a theoretically and historically crucial phenomenon in Shakespeare's work with ramifications for contemporary thought and practice Drawing a multifaceted picture of Shakespeare's scenes of hospitality with their numerous scenes of greeting feeding entertaining and sheltering the collection demonstrates how hospitality provides a compelling frame for the core ethical political theological and ecological questions of Shakespeare's time and our own By reading Shakespeare's plays in conjunction with contemporary theory as well as early modern texts and objects including almanacs recipe books husbandry manuals and religious tracts this book reimagines Shakespeare's playworld as one charged with the risks of hosting rape and seduction war and betrayal enchantment and disenchantment and the limits of generosity how much can or should one give the guest with what attitude or comportment and under what circumstances This substantial volume maps the terrain of Shakespearean hospitality in its rich complexity demonstrating the importance of historical rhetorical and phenomenological approaches to this diverse subject

**The Shakespeare Play as Poem** S. Viswanathan, 1980-11-20 A balanced critique of

the reading of Shakespeare's plays as dramatic poems      **Great Shakespeareans Set III** Adrian Poole, Peter Holland, 2014-09-11 Great Shakespeareans presents a systematic account of those figures who have had the greatest influence on the interpretation, understanding and cultural reception of Shakespeare both nationally and internationally. This major project offers an unprecedented scholarly analysis of the contribution made by the most important Shakespearean critics, editors, actors and directors as well as novelists, poets, composers and thinkers from the seventeenth to the twentieth century. An essential resource for students and scholars in Shakespeare studies      Public Affairs and Public Policy Michael P. Riccards, 2012-07-09 This is the fourth volume in the Hall Institute of Public Policy's 2020 series. These topical and scholarly articles are meant to examine some of the major issues facing the state of New Jersey and the United States and embrace matters of national security, social entitlements, religious differences, the gold standard, prosecutorial misconduct, the rights of alleged terrorists, the free market economy and other concerns. These essays offer a unique picture of where we are as a free people and is compiled by one of the few nonpartisan, not-for-profit think tanks in America      *Faith in Shakespeare* Richard C. McCoy, 2015 Rather than exploring faith as it relates to various political and historical controversies of the early modern period, Richard McCoy argues that faith in Shakespearean drama is best viewed as secular and poetic instead of an exclusively religious phenomenon      Religions in Shakespeare's Writings David V. Urban, 2020-12-10 Offering a wide range of scholarly perspectives, *Religions in Shakespeare's Writings* explores Shakespeare's depictions throughout his canon of various religions and matters related to them. This collection's fifteen essays explore matters pertaining to Catholic, Anglican and Puritan Christianity, the Albigensian heresy of the high middle ages, Islam, Judaism, Roman religion, different manifestations of religious paganism and even the religion of Shakespeare practiced by Shakespeare's nineteenth-century admirers. These essays analyze how Shakespeare depicts both tensions between religions and the syntheses of different religious expressions on topics as diverse as Shakespeare's varied portrayals of the afterlife, religious experience in *Measure for Measure* and *Black natural law* and *The Tempest*. This collection also explores the political ramifications of religion within Shakespeare's works as well as Shakespeare's multifaceted uses of the Bible. Additionally, while this collection does not present a Shakespeare whose particular religious beliefs can definitely be known or are displayed uniformly throughout his canon, various essays consider to what extent Shakespeare's individual works demonstrate a Christian foundation. Contributors include John D. Cox, Cyndia Susan Clegg, Grace Tiffany, Matthew J. Smith, Bethany C. Besteman, Sarah Skwire, Feisal Mohamed, Benedict J. Whalen, Benjamin Lockerd, Bryan Adams, Hampton Debra, Johanyak, John E. Curran, Emily E. Stelzer, David V. Urban and Julia Reinhard Lupton      Shakespeare's Theater of Nature Aaron Kitch, 2025-03-06 *Shakespeare's Theater of Nature* argues that Shakespeare combined art and nature in new ways while experimenting with relations between words, images and objects as sources of knowledge and pleasure. Shakespeare's re-centering of nature as a source of theatrical representation in a range of plays follows debates in natural philosophy and theology about how to understand

divinity in and through the order of nature ordo creationis Early chapters analyze early modern reframing of nature by printed books of botany cosmology and history as well Tudor interludes that center nature as a subject while later chapters offer readings of eight plays by Shakespeare that draw on classical medieval and early modern debates in natural philosophy and theology to create new modes of dramatic mimesis

**Myth, Telos, Identity** Iván Nyusztay, 2021-09-20 Iván Nyusztay's *Myth Telos Identity The Tragic Schema in Greek and Shakespearean Drama* for the first time presents a systematic comparison of Greek and Shakespearean tragedy By thematizing the common modes of the tragic it measures their structural regularities against corresponding philosophical and ethical reflections The comparative theory of tragedy evolves through a constant debate with the traditional views of Aristotle Hegel Schelling Paul Ricoeur and others An architectonic survey of plays leads to a generic distinction between pure tragedy and melodrama and proposes a possible description of Christian tragedy This generic differentiation is considered by means of a teleological approach to tragedy as well as from a formal perspective The criticism of traditional notions of character stresses the relevance of dividedness and internal collision tragic phenomena which are explored as necessary stages of self in the constitution and formation of tragic or internal alterity This form of alterity is underpinned by a discussion of action theory and speech act theory This book will be of interest for readers of Greek and Shakespearean drama as well as for students of comparative literature and genre theory classicists and philosophers and for everyone interested in the relation between literature and philosophy

## Reviewing **Shakespeare And Religion G Wilson Knight**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is really astonishing. Within the pages of "**Shakespeare And Religion G Wilson Knight**," an enthralling opus penned by a very acclaimed wordsmith, readers set about an immersive expedition to unravel the intricate significance of language and its indelible imprint on our lives. Throughout this assessment, we shall delve to the book is central motifs, appraise its distinctive narrative style, and gauge its overarching influence on the minds of its readers.
