Shakespeare Reproduced:

Shakespeare Reproduced Jean E Howard, Marion F O'Connor, 2013-09-13 First published in 1987 The essays in Shakespeare Reproduced offer a political critique of Shakespeare's writings and the uses to which those writings are put Some of the essays focus on Shakespeare in his own time and consider how his plays can be seen to reproduce or subvert the cultural orthodoxies and the power relations of the late Renaissance Others examine the forces which have produced an overtly political criticism of Shakespeare and of his use in culture Contributors include Jean E Howard and Marion O Connor Walter Cohen Don E Wayne Thomas Cartelli Peter Erickson Karen Newman Thomas Moisan Michael D Bristol Thomas Sorge Jonathan Goldberg Robert Weimann Margaret Ferguson Shakespeare beyond English Susan Bennett, Christie Carson, 2013-08-29 Tackling vital issues of politics identity and experience in performance this book asks what Shakespeare's plays mean when extended beyond the English language From April to June 2012 the Globe to Globe Festival offered the unprecedented opportunity to see all of Shakespeare's plays performed in many different world languages Thirty eight productions from around the globe were presented in six weeks as part of the World Shakespeare Festival which formed a cornerstone of the Cultural Olympics This book provides the only complete critical record of that event drawing together an internationally renowned group of scholars of Shakespeare and world theatre with a selection of the UK's most celebrated Shakespearean actors Featuring a foreword by Artistic Director Dominic Dromgoole and an interview with the Festival Director Tom Bird this volume highlights the energy and dedication that was necessary to mount this extraordinary cultural experiment **Shakespeare's Violated Bodies** Pascale Aebischer, 2004-04-29 This fascinating study looks at the violation of bodies in Shakespeare's tragedies especially as revealed or concealed in performance on stage and screen Pascale Aebischer discusses stage and screen performances of Titus Andronicus Hamlet Othello and King Lear with a view to showing how bodies which are virtually absent from both playtexts and critical discourse due to silence disability marginalisation racial otherness or death can be prominent in performance where their representation reflects the cultural and political climate of the production *Shakespeare* David M. Bergeron, Geraldo U. de Sousa, 1987 This updated edition should be welcomed by anyone interested in Shakespeare Particularly useful are its pithy introductions and bibliographies on various critical approaches David Bevington editor of Complete Works of Shakespeare A handy compact map to the changing and contested field of Shakespeare studies Bruce R Smith author of Homosexual Desire in Shakespeare's England Copyright Libri GmbH All rights reserved Shakespeare's Face Stephanie Nolen, 2011-04-13 On May 11 2001 Globe and Mail reporter Stephanie Nolen announced a stunning discovery to the world an attractive portrait held by an Ontario family for twelve generations which may well be the only known portrait of Shakespeare painted during his lifetime Shakespeare's Face is the biography of a portrait a literary mystery story and the furious debate that has ensued since its discovery A slip of paper affixed to the back proclaims Shakespere This likeness taken 1603 Age at that time 39 ys But is it really Shakespeare

who peers at us from the small oil on wood painting The twinkling eyes reddish hair and green jacket are not in keeping with the duller traditional images of the bard But they are more suggestive of the humorous and humane man who wrote the greatest plays in the English language Shakespeare's Face tells the riveting story of how the painting came to reside in the home of a retired engineer in a mid sized Ontario town The painting is reputed to be by John Sanders of Worcester England As a retirement project the engineer whose grandmother kept the family treasure under her bed embarked on authenticating the portrait the forensic analyses that followed have proven it without doubt to the period In a remarkable publishing coup Knopf Canada has gathered around Stephanie Nolen's story a group of the world's leading Shakespeare scholars and art and cultural historians to delve into one of the most fascinating literary mysteries of our times Is this the face of genius Excerpt from Chapter 1 of Shakespeare's Face by Stephanie Nolen By the late afternoon I was beginning to go a little cross eyed I had examined countless documents and read the test results from the painting's painstaking forensic analysis I now had everything I needed to write my story except for one crucial item Is he here I asked almost in a whisper The owner laid the package carefully on the cluttered table He gently pulled back the kraft paper wrapping underneath which was a layer of bubble wrap Then he peeled back this second layer to reveal his treasure I was caught off guard by how small the portrait was and how vivid The colours in the paint seemed too rich to be 400 years old Except for the hairline cracks in the varnish the face could have been painted yesterday And there was nothing austere or haughty about it nothing of the great man being painted for posterity It was a rogue's face a charmer's face that looked back at me with a tolerant mischievous slightly world weary air It was painted on two pieces of solid board so expertly joined that the seam was barely visible A date Ano 1603 was painted in small red letters in the top right hand corner The right side had been nibbled by woodworms I stood and gazed quelling an instinctive urge to pick the portrait up and hold it in my hands And as my professional skepticism crumpled for a moment I found myself wanting desperately to believe that this was indeed Shakespeare's face William
