Romeo and Juliet

William Shakespeare, 2019-10-03

John Dover Wilson's New Shakespeare, published between 1921 and 1966, became the classic Cambridge edition of Shakespeare's plays and poems until the 1980s. The series, long out of print, is now reissued. Each work is available both individually and as a set, and each contains a lengthy and lively introduction, main text, and substantial notes and glossary printed at the back. The edition, which began with *The Tempest* and ended with *The Sonnets*, put into practice the techniques and theories that had evolved under the New Bibliography. Remarkably, by today's standards, although it took the best part of half a century to produce, the New Shakespeare involved only a small band of editors, besides Dover Wilson himself. As the volumes took shape, many of Dover Wilson's textual methods acquired general acceptance and became an established part of later editorial practice, for example in the Arden and New Cambridge Shakespeares.

Romeo and Juliet Love Story by William Shakespeare (in Simple English)

William Shakespeare, 2020-11-16

In *Romeo and Juliet*, Shakespeare creates a violent world in which two young people fall in love. It is not simply that their families disapprove; the Montagues and the Capulets are engaged in a blood feud. In this death-filled setting, the movement from love at first sight to the lovers' final union in death seems almost inevitable. And yet, this play, set in an extraordinary world, has become the quintessential story of young love. In part, because of its exquisite language, it is easy to respond as if it were about all young lovers. The authoritative edition of *Romeo and Juliet* from The Folger Shakespeare Library, the trusted and widely used Shakespeare series for students and general readers, includes:

- The exact text of the printed book, for easy cross-reference.
- Hundreds of hypertext links for instant navigation.
- Freshly edited text based on the best early printed version of the play.
- Newly revised explanatory notes conveniently linked to the text of the play.
- Scene-by-scene plot summaries.
- A key to the play's famous lines and phrases.
- An introduction to reading Shakespeare's language.
- An essay by a leading Shakespeare scholar providing a modern perspective on the play.
- Fresh images from the Folger Shakespeare Library's vast holdings of rare books.
- An annotated guide to further reading.
