The Holy Word for Morning Revival - The Direction of the Lord's Move Today Witness Lee, 2016-12-03 This book is intended as an aid to believers in developing a daily time of morning revival with the Lord in His word. At the same time it provides a limited review of the Thanksgiving weekend conference held in San Jose California November 24-27, 2016. Through intimate contact with the Lord in His word, the believers can be constituted with life and truth and thereby equipped to prophesy in the meetings of the church unto the building up of the Body of Christ.

Understanding Your Place in God's Kingdom Myles Munroe, 2011-11-28 This book is about your original purpose for existence and the source of meaning behind your life. In these pages you will discover the Creator's divine motivation, design, and mandate for His creation and your role in that creation. After reading this book, you will be equipped with the knowledge to answer some of the questions addressing the heart cries of humanity in our search for a better world. I am convinced also that you will come to believe as I do that there is hope for mankind, but only as we reconnect to the source of creation and our Creator's original concepts for life on planet earth. It is this concern that this book will attempt to address. The goal of this book is to reintroduce the concepts, principles, and nature of true authentic kingdoms as presented by the Creator and show the superior and advantageous nature of kingdom as compared to any religion, political ideology, government system, or social program. Join me as we explore and understand the precepts and principles of the Kingdom.

The Ministry of God's Word Watchman Nee, 1994-09-01 The most important work of God on earth is the speaking out of His word through man. In the Old Testament, God's word was released through the ministry of the prophets, and in the New Testament it was released through the ministry of the Lord Jesus and later through the apostles. Even though God is pleased to allow us to speak His word, the greatest measure of our usefulness as a minister of the Word is not the amount of our Bible knowledge or even the ability to eloquently present the truth; rather, it is the degree to which our inward parts have been molded and shaped by the Holy Spirit. The Ministry of God's Word contains a series of messages given by Watchman Nee in 1948 and 1949 after nearly thirty years of ministry. These messages are deep, profound, subjective, and full of light, revealing both the depth of his experience and extent of our need to open to the Holy Spirit's inward operation.

Churchology Henry Leon McNeil, 2019-05-14. This book was written primarily to autonomous Christian churches and those who serve and worship at them. Many areas covered were reflection of the author's views based on his fifteen years of pastoral experience. Major emphasis was placed on church order. The author wants to make the church aware of what should be the process of calling a pastor, instituting a system of discipline, how to institute various types of regulations. *Churchology* is designed to define church and pastoral prerogatives, pulpit etiquette and various protocols. Many of the topics are designed to aid the beginning minister. Finally, in the section entitled *Systemic Poverilization*, McNeil deals with social issues that all should be aware of and have knowledge about. Jesus dealt with such issues and so should we. This book has something for everybody.

Public Law Mark Elliott, Robert Thomas, 2011-03-17. Public Law is a high quality introductory textbook that comprehensively covers the key topics found on undergraduate public law courses.

Three key themes that permeate all of the content allow students to approach the content in a structured and easy to understand way and questions posed throughout the chapters give students the opportunity to provide answers that show how their knowledge has increased as the chapter progresses. The key themes are: The significance of executive power in the contemporary constitution and the challenge of ensuring that those who wield it are held to account; The shift in recent times from a more political to a more legal constitution and the implications of this change; The increasingly multi-layered character of the British constitution. Online Resource Centre: Public Law is accompanied by a free open access Online Resource Centre www.oxfordtextbooks.co.uk/orc/elliott_thomas which offers the following resources to support students: Figures from the book reproduced online; A list of useful websites for students; Regularly posted legal and political updates for the book; A testbank of questions for tutors to assess students' progress. This book has been highly endorsed by lecturers for level of coverage, accuracy and the manner in which the three themes provide an excellent backdrop to the book's content. I think it will be a very welcome addition to the range of text books available and I suspect that it will become my personal favourite. Barbara Mauthe, Lancaster University. I found the book impressive and likely to be of interest and use to a great many. It is written in a style that is pitched about the right level. It was easy to understand and provides for me a good blend of black letter law and socio-political context. David Mead, University of East Anglia. Written by two experienced teachers of the subject, Public Law is an essential new text that focuses on what students need to engage with and understand this challenging subject.
