Historia, memoria y vida Joan-Lluís Palos, Fernando Sánchez-Costa, 2013-06-19 La historiografía vive un momento apasionante. Según el paradigma de la posmodernidad la mirada de los historiadores sobre el pasado está profundamente condicionada por sus circunstancias personales y expectativas de futuro con lo que de hecho se habrán arrogado un papel tan magnífico como subjetivo. En el presente libro escrito en homenaje al profesor Sánchez Marcos especialistas de prestigio internacional se abren las posibilidades y los riesgos de este nuevo modelo de investigación tomando parte activa en un debate público que se fomenta incluso desde los medios de comunicación. Así a vueltas con el pasado aborda cuestiones como la influencia de las experiencias vitales en la interpretación del pasado, la relación entre narrativa histórica y verdad o el valor del estudio de la cultura histórica con el propósito de ofrecer a la sociedad explicaciones útiles para organizar el presente y orientar un futuro lleno de interrogantes.
