Los Angeles 2020:

A Search for Common Ground Frederick M. Hess, Pedro Noguera, 2021 At a time of bitter national polarization there is a critical need for leaders who can help us better communicate with one another Written as a series of back and forth exchanges this engaging book illustrates a model of civil debate between those with substantial principled differences It is also a powerful meditation on where 21st century school improvement can and should go next **Beyond Homeless**

Mary L. G. Theroux, Lawrence J. McQuillan, Adam B. Summers, 2025-10-28 Entire neighborhoods in cities across the United States have become open air asylums drug markets and impoverished wastelands where death misery crime addiction encampments fires disease and even human waste aren't just tolerated but normalized How is this possible when billions of taxpayer dollars have been funneled into homelessness initiatives such as Housing First The truth is that the money poured into this issue from taxpayers non profits and private charities alike has mostly made homelessness worse overall And governments failures haven't just wasted taxpayer dollars it has cost lives and undermined human dignity This isn't just incompetence It's immoral and unjust And it must end In **Beyond Homeless Good Intentions Bad Outcomes Transformative Solutions** Mary L G Theroux Lawrence J McQuillan Adam B Summers and other scholars present a better approach rooted in proven solutions This groundbreaking new book based on years of research is exactly what's needed to address the crisis With forewords from acclaimed addiction medicine specialist and TV host Dr Drew Pinsky and licensed master social worker Scott Ackerson the book gathers experts on every aspect of homelessness to present a stirring condemnation of the status quo and an inspiring vision for the future Drawing on real life stories cutting edge research and alternative programs with metric driven successes they make the case for individualized holistic interventions that actually work Discover How Housing First initiatives have become governments default response to homelessness and why they fail Why permanent supportive housing PSH isn't just ineffective but dangerous How political interests fuel the homelessness industrial complex resulting in ever increasing spending while falling further behind The inspiring success of real alternatives such as Haven for Hope in Texas and Union Rescue Mission in Los Angeles Policy changes that would truly ease the crisis for the unhoused and housed alike without breaking the bank The difference between responsible and irresponsible forms of harm reduction And much much more At the heart of this crisis are real people those experiencing homelessness and the residents who see their neighborhoods crumble Both have paid a high price for failed policies Both deserve better The good news We can do better **Beyond Homeless Good Intentions Bad Outcomes Transformative Solutions** shows us how **Magic: The Life of Earvin**

"Magic" Johnson Roland Lazenby, 2023-10-24 The definitive biography of the basketball legend Earvin Magic Johnson from the highly respected career sportswriter and author of Michael Jordan The Life Magic Johnson is one of the most beloved and at times controversial athletes in history His iconic smile lifted the dowdy sport of American professional basketball from a second tier sport with low ratings into the global spotlight a transformation driven by Magic's ability to eviscerate opponents

with a playing style that featured his grand sense of fun. He was a master entertainer who directed the Los Angeles Showtime Lakers to the heights of both glory and epic excess, all of it driven by his mind-blowing no-look passes and personal charm. Then in 1991, at the height of his charismatic power, Johnson shocked the world with a startling cautionary tale about sexually transmitted disease that pushed public awareness of the HIV/AIDS crisis. Then out came his confession of unprotected sex with hundreds of women each year, followed by his retirement, an attempted return, and a proper farewell on the iconic 1992 Olympic Dream Team. Longtime biographer Roland Lazenby spent years tracking the unlikely ascension of Johnson, an immensely popular public figure who was instantly scandalized but who then turned to his legendary will to rise again as a successful entrepreneur with another level of hard-won success. In Lazenby's portrayal, Johnson's tale becomes bigger than that of one man. It is a generational saga spanning parts of three centuries that reveals a great deal not just about his unique basketball journey but about America itself. Through hundreds of interviews with Johnson's coaches, representatives, past and present teammates, opponents, friends, and loved ones, as well as key conversations with Johnson himself over the years, Lazenby has produced the first truly definitive study, both dark and light, of Earvin Magic Johnson Jr., the revolutionary player, the icon, the man.

Sports, Media, and Society Kevin Hull, 2024-03-26

Whether espoused by sports leagues, teams, or individual athletes, social issues are part of the sporting world fabric. The sports media often plays the gatekeeper, deciding how messages are presented and to what extent they're covered, if at all. *Sports Media and Society* investigates the impact of societal issues in sports and how the media reports those stories. Why does the sports media operate in the manner that it does, and what's the impact of its decisions on the audience? With *Sports Media and Society*, there is now a resource that combines mainstay class discussion points, current case studies, and theoretical and historical foundations in one comprehensive text. The book's 34 chapters are each short and concise, a format preferred by instructors, covering a wide range of topics and easily digestible for students. Part I covers sports media history and the media's role as gatekeeper. Chapters explore the history and evolution of various media: newspapers, magazines, radio, television, and social media, and the business of and competition between sports media entities. Case studies examine NBC's Olympics coverage and the nimbleness of *Sports Illustrated* in the digital space. Part II showcases television's impact on how fans follow sports. Discussions include ABC's *Wide World of Sports*, which exposed viewers to events around the globe; ESPN's foray into 24/7 sports coverage; and Fox Sports' shocking NFL deal, which marked a new era in media rights negotiations and sports broadcasting technologies. The intersection of sports and social issues is the focus of Part III. Numerous issues are addressed, punctuated by case studies involving key players and events related to each topic. Cases concerning Colin Kaepernick, USWNT, and coverage of women's sports, generally LGBTQ issues, and obstacles faced by women working in sports media are highlights, while examinations of social identity theory and framing provide context on how people identify

with specific groups and how the media influences opinions Athletes and sport entities are constantly in the news not always in a positive light Part IV addresses crisis management and communication featuring case studies about Tiger Woods Lance Armstrong LeBron James The Decision Kobe Bryant his death and the misreporting of facts surrounding it and the Houston Astros sign stealing scandal The text concludes with part V which explores emerging trends in sports media and society Through social media virtually anyone can become a thought leader wresting control from traditional outlets and teams and athletes can dialogue directly with fans effectively sidelining sports journalists Chapters on the formerly taboo subjects of athlete mental health and sports wagering as well as the exploding popularity of esports round out the text Sports shape our culture in numerous ways and the sports media plays a transformative role in how it occurs Sports Media and Society prepares tomorrow's sports journalists and communicators to venture beyond the how-tos of developing content to understanding the whys behind it

California's Recall Election of Gavin Newsom Larry N. Gerston, Mary Currin-Percival, Garrick L. Percival, 2022-08-02 California went through a political earthquake of sorts when the state recalled Governor Gray Davis in 2003 In 2021 the state faced another political turning point with the threatened recall of Governor Gavin Newsom Less than two years after Newsom's overwhelming election victory more than two million Californians signed on to the recall effort hoping to expel him from office in a special election How could such a monumental turnabout be possible Normally the political headwinds would be much too strong for a movement to oust a governor who had decisively vanquished his opponent But with the COVID 19 pandemic dominating every aspect of society including politics these weren't normal times Organizing a recall election is a demanding enterprise it takes abundant political energy tremendous amounts of anger with the status quo and mounds of money Yet for the second time in less than two decades such wheels were set in motion What is it that makes California so dynamic yet so fragile This book explains that paradox and in the process enlightens readers about the recall process the challenges of federalism and the pitfalls of direct democracy It examines the underlying conditions that expose a state with poorly linked institutions a bitterly divided society and a governor who had to act under nearly impossible conditions demonstrating his strengths and vulnerabilities along the way It's a story that could happen only in California a state with a history of only stories Designed to be useful in a variety of college courses this book is the first to unveil the Newsom backstory and will appeal to pundits and politicians as well as interested general readers George Allen Michael Richman, 2023-11 George Allen was a fascinating and eccentric figure in the world of football coaching His remarkable

career spanned six decades from the late 1940s until his sudden death in 1990 at the age of seventy three Although he never won a Super Bowl he never had a losing season as an NFL head coach and was inducted into the Pro Football Hall of Fame in 2002 In *George Allen A Football Life* Mike Richman captures the life and accomplishments of one of the most successful NFL coaches of all time and one of the greatest innovators in the game A player s coach Allen was a tremendous motivator and game strategist as well as a defensive mastermind and is credited with making special teams a critical focus in an era in which they were an afterthought He had a keen eye for talent and pulled off masterful trades often for veteran players who were viewed to be past their prime who then had great seasons and made his teams much better In addition to his coaching feats Allen had an idiosyncratic and controversial personality His life revolved around football 24 7 One of his quirks was to minimize chewing time by consuming soft foods giving himself more time to prepare for games and study opponents He lived and breathed football he compared losing to death Allen had contentious relationships with the owners of the two NFL teams for which he was the head coach the Washington Redskins and Los Angeles Rams Richman explores why he was fired by those teams and whether he was blackballed from coaching again in the NFL Based on detailed research and interviews with family former players and coaches *George Allen* is the definitive biography of the football coach who lived to win loved a good challenge and left a lasting legacy on pro football history
