ideas over patrimony and document preservation that demand historical scrutiny Much of their collections have been lost on account of accidents or sheer negligence but there are also cases of recovery and reconstruction that have opened new windows to the past The essays in this volume explore several fascinating cases of destruction and recovery of archives and libraries and illuminate the ways in which those episodes help shape the writing of historical narratives and the making of collective memories

Documental, testimonios y memorias Gustavo Aprea, 2015-10-01 A lo largo de las últimas décadas en Argentina numerosos documentales participan activamente en las lecturas que se realizan sobre los acontecimientos muchas veces traumáticos del pasado reciente Este libro reflexiona sobre los modos de evocación que adoptan los filmes que reconstruyen las militancias revolucionarias de los setenta su represión y las consecuencias que esta genera en la sociedad Estos documentales de memoria se caracterizan por ciertos rasgos comunes como la apelación a los testimonios y la presentación de sus interpretaciones de los sucesos recordados a través de narraciones De esta manera se hacen visibles las relaciones complejas entre los recuerdos personales y las memorias sociales Más allá de estas coincidencias tanto los hechos rememorados como los estilos que se adoptan para representarlos difieren Las interpretaciones fluctúan entre aquellas que buscan el cierre de los relatos para lograr consensos y aquellas que cuestionan la posibilidad de clausura evidenciando las tensiones y propiciando lecturas rupturistas Documental testimonios y memorias estudia estas diferencias para comprender las transformaciones que se producen en las memorias sociales a través de los años
