**Maps of the Ancient Sea Kings** Charles H. Hapgood, 1966 Hapgood utilizes ancient maps as concrete evidence of an advanced worldwide civilization existing many thousands of years before ancient Egypt Hapgood concluded that these ancient mapmakers were in some ways much more advanced in mapmaking than any people prior to the 18th century Hapgood believes that they mapped all the continents This would mean that the Americas were mapped thousands of years before Columbus Antarctica would have been mapped when its coasts were free of ice Hapgood supposes that there is evidence that these people must have lived when the Ice Age had not yet ended in the Northern Hemisphere and when Alaska was still connected with Siberia by the Pleistocene Ice Age land bridge [Index to Educational Audio Tapes](#), 1974

**Yondering (Louis L'Amour's Lost Treasures)** Louis L'Amour, 2018-11-27 As part of the Louis L'Amour's Lost Treasures series this edition contains exclusive bonus materials. Over the years I have been proud to write about the men and women of the American frontier. But I have written many stories with entirely different settings which I have long wanted to share with my readers. I have collected some of these in Yondering. They are glimpses of what my own life was like during the early years. Those were the rough years often I was hungry out of work and facing situations such as I have since written about. Although these stories take place in a variety of locales they are stories of people living under conditions similar to the way they might have lived on the frontier. I hope you'll enjoy Yondering. Louis L'Amour's Lost Treasures is a project created to release some of the author's more unconventional manuscripts from the family archives. In Louis L'Amour's Lost Treasures Volumes 1 Beau L'Amour takes the reader on a guided tour through many of the finished and unfinished short stories, novels and treatments that his father was never able to publish during his lifetime. L'Amour's never before seen first novel No Traveller Returns faithfully completed for this program is a voyage into danger and violence on the high seas. These exciting publications will be followed by Louis L'Amour's Lost Treasures Volume 2. Additionally many beloved classics will be rereleased with an exclusive Lost Treasures postscript featuring previously unpublished material including outlines, plot notes and alternate drafts. These postscripts tell the story behind the stories that millions of readers have come to know and cherish. *In Light of All Darkness* Kim Cross, 2023-10-03 Paced like a thriller and full of insider information this book

embeds readers in one of the most famous true crime stories of our generation the kidnapping of Polly Klaas. This rarest of all kidnappings a stranger abduction from the home triggered one of the largest manhunts in FBI history. New York Times bestselling author Kim Cross has written the first comprehensive account of what happened on that fateful night in October as well as how the case forever transformed the Bureau's approach to solving crimes. With unprecedented access to case files, crime scene photos, a videotaped murder confession and inside sources *In Light of All Darkness* follows the investigators who pieced together the evidence that led to the arrest and conviction of the kidnapper and made the victim a household name and a girl who will never be forgotten.
