

The poster features a central illustration of a large, circular, stone-like structure with a face-like pattern, set against a backdrop of a mountain range. In the foreground, two turtles are shown in a dynamic pose, one appearing to be in a defensive or attacking stance. To the right, a man in a blue jacket and a woman in a dark blue robe are standing near a body of water. The background is filled with various elements, including a large red banner on the left, a purple banner on the right, and a small building with a tree in front of it. The overall style is a blend of traditional Japanese art and modern comic book illustration.

The Lost Years Stacey Ritz,2019-03 We may not control our circumstances but we can control our choices WE ARE ALL COLLECTING MEMORIES moments that stay with us forever imprinted on our hearts and minds We store these moments letting them shape who we are and who we become But what do we do with the unwanted memories the ones that haunt us At thirty two Rainie Amburger has pushed everyone from her past aside to start a new life She is finally dating someone who might be the one Despite her past she has created a life that allows her to be in control and surrounded by those she can trust at her Kentucky Farm Rescue and Sanctuary Estranged for years Veronica Jorgenson never forgot her older sister Rainie Her married life with Andrew is full of smiles and pleasantries But Veronica learns that smiles can be deceptive After several odd events she is beginning to wonder what Andrew may be hiding behind his jovial smile What she is uncovering about the truth of her perfect looking life places who she is and what she believes into question Nearly sixty Sarah Jayne has spent her life as a caretaker to her ailing husband She sacrificed her dreams and dignity to care for a man who could never be bothered to properly care for himself When her husband is involved in a fatal accident despite having each gone their separate ways the incident brings the mother and her two daughters to the beaches of Corolla North Carolina There the three women are tested against their past and against their individual struggles And there with the backdrop of aquamarine waves Rainie runs into her childhood best friend and high school sweetheart Milo Rivers someone she thought she left behind fourteen years ago The Lost Years is the story of the bond between sisters of mothers and daughters and of finding the courage and strength to leave the past behind and welcome what lies ahead even when it looks vastly different than what was expected Ultimately

Ten Lost Years, 1929-1939 Barry Broadfoot, 2013-04-23 Hundreds of ordinary Canadians tell their own stories in this book They tell them in their own words and the impact is astonishing As page after page of unforgettable stories rolls by it is easy to see why this book sold 300 000 copies and why a successful stage play that ran for years was based on them The stories and the 52 accompanying photographs tell of an extraordinary time One tells how a greedy Maritime landlord who tried to raise a widow's rent was tarred and gravelled another how rape by the boss was part of a waitress's job Other stories show Saskatchewan families watching their farms turn into deserts and walking away from them or freight trains black with hoboes clinging to them criss crossing the country in search of work or a man stealing a wreath for his own wife's funeral Throughout this portrait of the era before Canada had a social safety net there are amazing stories of what Time magazine called human tragedy and moral triumph during the hardest of times In the end this is an inspiring uplifting book about bravery one you will not forget
