Alexander,2019-10-16 In this book Jeffrey Alexander develops a new sociological theory of social crisis and applies it to a wide range of cases from the church paedophilia crisis to the MeToo movement He argues that crises are triggered not by objective social strains but by the discourse and institutions of the civil sphere When strains become subject to the utopian aspirations of the civil sphere there emerges widespread anguish about social justice and the future of democratic life Once admired institutional elites come to be represented as perpetrators and the civil sphere becomes legally and organizationally intrusive demanding repairs in the name of civil purification Resisting such repair institutional elites foment backlash and a war of the spheres ensues This major new work by one of the world s leading social theorists will be of great interest to students and scholars in sociology politics and the social sciences generally **The Eternal Pathways of Prophecies** Whitney Crosby,2024-12-19 The Eternal Pathways of Prophecies is an enthralling collection of tales that plunges readers into a world where ancient pathways hum with untold futures and the very fabric of existence is woven with destiny At its heart is Elara a Pathwalker apprentice whose unique connection to Eldoria s Whispering Ways thrusts her into a quest to safeguard the realm s fading prophecies from the encroaching Great Stillness From her daunting initiation trial in the ever shifting Labyrinth of Whispers where illusions test the purity of her heart to journeying into the celestial realms of the Sunstone Citadel and the enigmatic Whispering Isles Elara s path is fraught with both peril and profound revelation She encounters ancient guardians deciphering cryptic warnings from a Spectral Guardian and collaborates with unexpected allies like the astute cartographer Ronan Their shared pursuit of the Forgotten Whisper a hidden melody crucial to reawakening the pathways reveals a deeper understanding of magic music and the interconnectedness of all life The book delves into profound themes of fate versus free will the power of ancient knowledge and the delicate balance between preservation and progress Elara s courage is tested not just by external threats but by the weight of foretold events leading her to discover that true strength lies in a blend of intellect empathy and an unwavering belief in the power of hope The Eternal Pathways of Prophecies is a captivating odyssey that combines intricate world building with a deeply personal journey proving that the most powerful prophecies are those that are not merely read but lived and that the echoes of forgotten melodies can inspire a future far brighter than any foreseen *A Nation in Crisis* Neville Kirk,2023-10-05 Since the 2007-8 financial crisis and its aftershocks international capitalism has once again been in crisis The crisis has been particularly marked in the UK and its outcome is currently unclear Based upon a
