Man Made Perfect The Science Of Spiritual Evolution:

Man Made Perfect Mabel Beatty, 1929 Man Made Perfect Mabel Beatty, 1987-01-01 The first three chapters of this book impart a deep understanding of the spiritual significance of numbers The rest of the book ranges widely across a vast field of perennial spiritual problems all of them urgent today providing a much valued textbook for all who seek to understand life's wider issues **Footsteps into the Light** Geoff Thomas, 2018-11-16 Footsteps into the Light introduces the reader to the idea of spirituality and religion in a wide range of topics from the incredible wonders of the everyday going into the spiritual journey in the hands of the pragmatic God of science and all creation Ultimately we are brought face to face with the reality of our everlasting journey With a background of engineering science and its practical application the author is able to take us on a voyage of spiritual discovery in the knowledge that what is so readily taken to be the paranormal and beyond understanding is really quite normal on the higher planes of realisation It is written in a chatty style as though the author a former teacher of the subject matter is talking to us in a friendly manner in which we can be equally at ease while listening Presented from a Christian standpoint it welcomes all faiths as well as any without faith or belief There are passages of an interesting and complementary nature seemingly unaligned at first but most useful in a wider appreciation of the main theme all contained in thirty succinct chapters It is an excellent handbook for general reading and reference as well as for anyone seeking or already upon the pathway of discovery The Publisher and Bookseller , 1929 Official organ of the book trade of the United Kingdom *Man Made Perfect.
