Jones,2012-11 Through revelation Christian faith and visions the contents of this book was revealed to me I was able to use the King James version of the Bible and a pictorial Bible dictionary to substantiate the information presented Remembering through time the Bible which is a book where the holy scriptures are contained has been transcribed historically by man for centuries however this book is not an attempt to interpret the contents of the Bible for the Bible should never be altered by additions or deletions the words of God are to remain the same forever If mankind would allow the spirit of God to enter into their hearts He will guide them to do His will Our God is in control of everything in creation and nothing is above or beyond Him *The Student's Guide to Writing Essays* David (Lecturer in English Roberts,2013-01-11 This text is divided into two sections a core element focusing on basic skills which everyone needs to master in writing essays and a subject based section which takes the student to a more advanced level **Spiritual Warfare & Wellbeing** Jonah Awodeyi,2013-05-30 The message of this book is presented to reveal the different aspects of spiritual warfare engaged in the spiritual realm since the day man disobeyed God in the Garden For many Christians spiritual warfare begins and ends with the pulling down of strongholds or the wrestling with principalities and wickedness in high

places but has little to do with the restoration of man into fellowship with his Creator Doubtlessly the pulling down and wrestling is good yet it has little or nothing to do with the restoration warfare Whilst the pulling down and the wrestling are external the restoration and fellowship with God is internal having to do with the individual struggle with Mr Flesh and Sin As Mr Flesh is put to bed in our lives through the working of the Holy Spirit we are able to walk in the spirit and not fulfil the works of the Flesh This is the good fight that Paul fought and won Inevitably it is the fight all Christians must aspire to fight and win Hence this book      *Rapture Advent of the Last Days* Jocolby Phillips,2019-08-13 Christopher the leader of an elite U S special operations unit undertakes one of the most important missions of his military career attempting to rescue a French journalist kidnapped by ISIS while distracted with trusting God over himself He is confused and angry with God and ineffective in his leadership however Jackson the team deputy and long time mentor and friend provides much needed stability for Christopher and the team The operation reinforces in Christopher that God was not to be trusted when needed most and Jackson leaves the mission searching for God and meaning to his life as the men prepare to return to Washington D C for debriefing As Christopher and his team redeploy from the rescue mission back to Washington D C they find themselves out of work as the National Security Advisor deactivates the Christopher led unit pending an investigation into the failed journalist rescue Things go from bad to worse for Christopher and Jackson as the two disgraced soldiers are thrust unbeknownst to them into the midst of the Rapture They attempt to keep the chaos of a post rapture world at bay in a series of globetrotting missions from rural Virginia to Brazil ancient Babylon to remote Alaska The actions of the president and others leave the world on the brink of World War Christopher continues throughout each mission to trust himself above God He refuses to listen to the Holy Spirit inspired advice that those around him provide and the question lingers will he reconcile and surrender his pain to God      *Public Papers of the Presidents of the United States* United States.
